When The Game Is Over

"Game over" is a message in video games which signals to the player that the game has ended. It is usually received negatively in a situation where continued play is disallowed, such as losing all of one's lives or failing a critical objective. However, it sometimes also appears after the successful completion of a game. The phrase has since been turned into quasi-slang, usually describing an event that will cause significant harm, injury, bad luck, or even death to a person. When the game is over, the King and pawn go into the same ...

You know the answer: It all goes back in the box. You don't get to keep one token, one chip, one game card. In the end, the spoils of the game add up to nothing. Using popular games as a metaphor for our temporal lives, *When the Game Is Over, It All Goes Back in the Box* neatly sorts out what's fleeting and what's permanent in God's kingdom.
