Students will enjoy the challenge of the three-movement Classic Sonatina, included at the end of the book as a special graduation piece.

When the saints go marching in - Woodwind Quintet SCORE Glissato Edizioni Musicali  
Since its first edition, in 1964, Dixon and Godrich's Blues and Gospel Records has been dubbed 'the bible' for collectors of pre-war African-American music. It provides an exhaustive listing of all recordings made up to the end of 1943 in a distinctively African-American musical style,excluding those customarily classed as jazz (which are the subject of separate discographies). The book covers recordings made for the commercial market (whether issued at the time or not) and also recordings made for the Library of Congress Archive of Folk Song and similar bodies -- about 20,000titles in all, by more than 3,000 artists. For each recording session, full details are given of: artist credit, accompaniment, place and date of recording, titles, issuing company and catalogue numbers, matrix numbers and alternate takes. There are also short accounts of the major 'race labels', which recorded blues and gospel material, and a complete list of field trips to the south by travelling recording units. Howard Rye has joined the original compilers for this thoroughly revised fourth edition. The scope has been enlarged by the addition of about 150 new artists, in addition tonewly discovered recordings by other artists. Early cylinder recordings of gospel music, from the 1890s, are also included for the first time. Previous editions of this work were applauded for their completeness, accuracy, and reliability. This has now been enhanced by the addition of newinformation from record labels and from record company files, and by listening to a wide selection of titles, and detailed cross-checking.

When The Saints Go Marching In - brass quintet (score) Lulu Press, Inc

Widely respected for his perspectives on faith in the modern world, Richard J. Mouw has long stood at the forefront of the Christ and culture debate. In When the Kings Come Marching In here revised and updated Mouw explores the religious transformation of culture as it is powerfully pictured in Isaiah 60. In Isaiah 60 the prophet envisions the future transformation of the city of Jerusalem, a portrayal of the Holy City that bears important similarities to John's vision of the future in Revelation 21 and 22. Mouw examines these and other key passages of the Bible, showing how they provide a proper pattern for cultural involvement in the present. Mouw identifies and discusses four main features of the Holy City: (1) the wealth of the nations is gathered into the city; (2) the kings of the earth march into the city; (3) people from many nations are drawn to the city; and (4) light pervades the city. In drawing out the implications of these striking features, Mouw treats a number of relevant cultural issues, including Christian attitudes toward the processes and products of commerce, technology, and art; the nature of political authority; race relations; and the scope of the redemptive ministry of Jesus Christ. The volume culminates in an invaluable discussion of how Christians should live in the modern world. Mouw argues that believers must go beyond a narrow understanding of the individual pilgrim's progress to a view of the Christian pilgrimage wherein believers work together toward solving the difficult political, social, and economic problems of our day.

When The Saints Go Marching In - Flute Quartet (parts) Glissato Edizioni Musicali

Alfred's Teach Yourself to Play Ukulele Hal Leonard Corporation  
AN INTERACTIVE, SWING-ALONG PICTURE BOOK—WITH 12 SOUND CHIPS! Are you ready to swing? Discover the wonders of jazz: How to get in the groove, what it means to play a solo, and the joy of singing along in a call-and-response. In this interactive swing-along picture book with 12 sound chips, you ’ ll hear the instruments of jazz—the rhythm section with its banjo, drums, and tuba, and the leads, like the clarinet, trumpet, and trombone. And you ’ ll hear singers scat, improvising melodies with nonsense syllables like be-bop and doo-we-ah! Along the way, you ’ ll learn how this unique African American art form started in New Orleans, and how jazz changed over time as innovative musicians like King Oliver, Louis Armstrong, Duke Ellington, and Billie Holiday added their own ideas to it. Press the buttons to hear the band, the rhythms, and the singer calling out: “ OH WHEN THE SAINTS—oh when the saints... ”

Alfred's Piano 101, Book 1 Glissato Edizioni Musicali  
Available in paperback for the first time, this groundbreaking in-depth history of the involvement of African Americans in the early recording industry examines the first three decades of sound recording in the United States, charting the surprising roles black artists played in the period leading up to the

Jazz Age and the remarkably wide range of black music and culture they preserved. Applying more than thirty years of scholarship, Tim Brooks identifies key black artists who recorded commercially and provides illuminating biographies for some forty of these audio pioneers. Brooks assesses the careers and recordings of George W. Johnson, Bert Williams, George Walker, Noble Sissle, Eubie Blake, the Fisk Jubilee Singers, W. C. Handy, James Reese Europe, Wilbur Sweatman, Harry T. Burleigh, Roland Hayes, Booker T. Washington, and boxing champion Jack Johnson, as well as a host of lesser-known voices. Many of these pioneers faced a difficult struggle to be heard in an era of rampant discrimination and "the color line," and their stories illuminate the forces — — both black and white — — that gradually allowed African Americans greater entree into the mainstream American entertainment industry. The book also discusses how many of these historic recordings are withheld from the public today because of stringent U.S. copyright laws. Lost Sounds includes Brooks's selected discography of CD reissues, and an appendix by Dick Spottswood describing early recordings by black artists in the Caribbean and South America.  
When the Saints Go Marching In for Eb Instrument and Cello - Pure Duet Sheet Music By Lars Christian Lundholm Hal Leonard Corporation  
"When The Saints Go Marching In" arrangement for Clarinet Quartet with written solos (intermediate level) by Francesco Leone . Score and Parts (5): 3 Bb Soprano Clarinets and Bass Clarinet, included alternative part for Eb Alto (instead clarinet 3). Audio demo available on [www.glissato.it](http://www.glissato.it) -  
When the Saints Go Marching in Lulu Press, Inc  
(Faber Piano Adventures ). ShowTime Piano Music from China is an exciting exploration of rhythmic dances, serene folk melodies, and original Chinese selections. The book is arranged for the elementary pianist and correlates with Level 2A in the Piano Adventures method. At this level, five-finger melodies with simple harmonies reinforce tonalities and intervals, and teacher duets offer inspiration and support. Students meet LeLe the musical panda, a furry friend who asks discovery questions to guide understanding. Creatively, a duet improvisation and a composition activity introduce the Chinese sound. Unique at each level of the series is a picture tour of China, a visual snapshot of history and culture. Songs include: Counting Toads \* Crescent Moon \* Foot Sloggers Tune \* The Game \* Nine Lotus Lantern \* Rainy Day \* The Toy.  
When the Saints Go Marching Out! Oxford University Press  
A new series from the author of the much-loved Russell Quant books The work of a Disaster Recovery Agent is unforgiving. Brutal. Violent. And rarely glamorous. But Adam Saint quietly travels the world, cleaning up after other peoples catastrophes and keeping the mess away from his well-ordered private life. This time, however, the blood is seeping closer and closer to home. When a respected colleague is murdered at a disaster site, Saint is entrusted with the clean up or is it a cover up? Author Anthony Bidulka introduces a new hero in the mould of Jason Bourne and James Bond: tough, smart, and just a little dangerous.  
The Big Band Years of Louis Armstrong Glissato Edizioni Musicali  
Recorded by among others Judy Garland, Elvis Presley, Jerry Lee Lewis, Tears For Fears, Bruce Springsteen, Dolly Parton, Aaron Neville, Jerry Lee Lewis and Tony Sheridan featuring then-unknown band The Beatles as backing group it was made popular by Louis Armstrong in 1938. When the Saints Go Marching In for Eb Instrument and Tuba - Pure Duet Sheet Music By Lars Christian Lundholm Workman Publishing Company (Faber Piano Adventures ). Adult Piano Adventures Classics Book 1 celebrates great masterworks of Western music, including symphony themes, opera gems, and classical favorites. The melodies of Bach, Beethoven, Brahms, and other master composers are arranged at just the right level for adult beginners and for those who are returning to the keyboard. Section 1 features piano arrangements with minimal hand position changes, and many selections include an optional duet part. Section 2 introduces the I, IV, and V7 chords in the key of C major, harmonizing themes such as Sibelius's Finlandia, Schubert's The Trout, and Mendelssohn's Spring Song. Section 3 presents the primary chords in the key of G major, with arrangements of Vivaldi's Autumn (from The Four Seasons), Mozart's theme from The Magic Flute, Lizst's Liebestraum, and more.  
When the Saints Go Marching In Wm. B. Eerdmans Publishing  
The Spanish Empire was a complex web of places and peoples. Through an expansive range of essays that look at Africa, the Americas, Asia, the Caribbean, and the Pacific, this volume brings a broad range of regions into conversation. The contributors focus on nuanced, comparative exploration of the processes and practices of creating, maintaining, and transforming cultural place making within pluralistic Spanish colonial communities. The Global Spanish Empire argues that patterned variability is necessary in reconstructing Indigenous cultural persistence in colonial settings. The volume ’ s eleven case studies include regions often neglected in the archaeology of Spanish colonialism. The time span under investigation is extensive as well, transcending the entirety of the Spanish Empire, from early impacts in West Africa to Texas during the 1800s. The contributors examine the making of a social

---

place within a social or physical landscape. They discuss the appearance of hybrid material culture, the incorporation of foreign goods into local material traditions, the continuation of local traditions, and archaeological evidence of opportunistic social climbing. In some cases, these changes in material culture are ways to maintain aspects of traditional culture rather than signifiers of new cultural practices. The Global Spanish Empire tackles broad questions about Indigenous cultural persistence, pluralism, and place making using a global comparative perspective grounded in the shared experience of Spanish colonialism. Contributors Stephen Acabado Grace Barretto-Tesoro James M. Bayman Christine D. Beaulé Christopher R. DeCorse Boyd M. Dixon John G. Douglass William R. Fowler Martin Gibbs Corinne L. Hofman Hannah G.
