Love Goes to Buildings on Fire e-artnow

A mythic love story set in Trinidad, Ayanna Lloyd Banwo's radiant debut is a masterwork of lush imagination and exuberant storytelling—a spellbinding and hopeful novel about inheritance, loss, and love's seismic power to heal. "Roots the reader in [Trinidad's] traditions and rituals [and] ... in the glorious matriarchy by which lineage is upheld. The result is a depiction of ordinary life that's full and breathtaking."—The New York Times Book Review In the old house on a hill, where the city meets the rainforest, Yejide's mother is dying. She is leaving behind a legacy that now passes to Yejide: one St Bernard woman in every generation has the power to shepherd the city's souls into the afterlife. But after years of suffering her mother's neglect and bitterness, Yejide is looking for a way out. Raised in the countryside by a devout Rastafarian mother, Darwin has always abided by the religious commandment not to interact with death. He has never been to a funeral, much less seen a dead body. But when the only job he can find is grave digging, he must betray the life his mother built for him in order to provide for them both. Newly shorn of his dreadlocks and his past, and determined to prove himself, Darwin finds himself adrift in a city electric with possibility and danger. Yejide and Darwin will meet inside the gates of Fidelis, an ancient and sprawling cemetery, where the dead lie uneasy in their graves and a reckoning with fate beckons them both.

"For the first time in forever I was okay, and it wasn't a lie." Francesco doesn't believe in second chances. Five years after an awful breakup, he's determined to focus on his career and not let anything or anyone distract him from his goals. When his unpredictable ex suddenly comes back into his life, his brain knows he shouldn't hope for a change, but his heart doesn't want to listen. Eric's feelings have never wavered. Francesco is, and will always be, the love of his life. But love is not everything in a relationship, and Eric is painfully aware that even though he could be the person Francesco wants, he may not be the one he needs. The festive atmosphere of Milan during Christmas time brings the two men together in a story about self-hate and self-love, and learning to trust again. Can you give your love to another, when you can't even forgive or love yourself? Content Warning: This story includes mentions of suicide, abuse, and eating disorders.

Prepare yourslef for discoveries and new adventures with this incredible book about the true origin of wanderlust. This edition forms a complete history of the earliest start and progress of navigation, discovery, and commerce, by sea and land, from the earliest ages to the early 19th century. First part of the work covers voyages and travels of discovery in the middle ages; from the era of Alfred, King of England, in the ninth century to that of Don Henry of Portugal at the commencement of the fourteenth century. Second part deals with general voyages and travels chiefly of discovery; from the era of Don Henry, in 1412, to that of George III. in 1760. The rest of the work has some particular voyages and travels arranged in systematic order, Geographical and Chronological, and studies voyages during the era of George III conducted upon scientific principles, by which the Geography of the globe has been nearly perfected.

Outing and the Wheelman Yearling

In the 1970s, while their contemporaries were protesting the computer as a tool of dehumanization and oppression, a motley collection of college dropouts, hippies, and electronics fanatics were engaged in something much more subversive. Obsessed with the idea of getting computer power into their own hands, they launched from their garages a hobbyist movement that grew into an industry, and ultimately a social and technological revolution. What they did was invent the personal computer: not just a new device, but a watershed in the relationship between man and machine. This is their story. Fire in the Valley is the definitive history of the personal computer, drawn from interviews with the people who made it happen, written by two veteran computer writers who were there from the start. Working at InfoWorld in the early 1980s, Swaine and Freiberger daily rubbed elbows with people like Steve Jobs and Bill Gates when they were creating the personal computer revolution. A rich story of colorful individuals, Fire in the Valley profiles these unlikely revolutionaries and entrepreneurs, such as Ed Roberts of MITS, Lee Felsenstein at Processor Technology, and Jack Tramiel of Commodore, as well as Jobs and Gates in all the innocence of their formative years. This completely revised and expanded third edition brings the story to its completion, chronicling the end of the personal computer revolution and the beginning of the post-PC era. It covers the departure from the stage of major players with the deaths of Steve Jobs and Douglas Engelbart and the retirements of Bill Gates and Steve Ballmer; the shift away from the PC to the cloud and portable devices; and what the end of the PC era means for issues such as personal freedom and power, and open source vs. proprietary software.

National Book Critics Circle Award Winner: “The terrifying story of the worst disaster in the history of the US Forest Service’s elite Smokejumpers.” —Kirkus Reviews A devastating and lyrical work of nonfiction, Young Men and Fire describes the events of August 5, 1949, when a crew of fifteen of the US Forest Service’s elite airborne firefighters, the Smokejumpers, stepped into the sky above a remote forest fire in the Montana wilderness. Two hours after their jump, all but three of the men were dead or mortally burned. Haunted by these deaths for forty years, Norman Maclean puts together the scattered pieces of the Mann Gulch tragedy in this extraordinary book. Alongside Maclean’s now-canonical A River Runs Through It and Other Stories, Young Men and Fire is recognized today as a classic of the American West. This edition of Maclean’s later triumph—the last book he would write—includes a powerful new foreword by Timothy Egan, author of The Big Burn and The Worst Hard Time. As moving and profound as when it was first published, Young Men and Fire honors the literary legacy of a man who gave voice to an essential corner of the American soul. “A moving account of humanity, nature, and the perseverance of the human spirit.” —Library Journal “Haunting.” —The Wall Street Journal “Engrossing.” —Publishers Weekly

In the strange, us-versus-them Christian subculture of the 1990s, a person's faith was measured by how many WWJD bracelets she wore and whether he had kissed dating goodbye. Zierman led two Bible studies and listened exclusively to Christian music. She was on fire for God and unaware that the flame was dwindling--until it burned out. She chronicles her journey through church culture and first love, looking for what lasts when nothing else seems worth keeping.

"If You Don't Know Me By Now," "The Love I Lost," "The Soul Train Theme," "Then Came You," "Ain't No Stoppin' Us Now"--the distinctive music that became known as Philly Soul dominated the pop music charts in the 1970s. In A House on Fire, John A. Jackson takes us inside the musical empire created by Kenny Gamble, Leon Huff, and Thom Bell, the three men who put Philadelphia Soul on the map. Here is the eye-opening story of three of the most influential and successful music producers of the seventies. Jackson shows how Gamble, Huff, and Bell developed a black recording empire second only to Berry Gordy's Motown, pumping out a string of chart-toppers from Harold Melvin & the Blue Notes, the Spinners, the O'Jays, the Stylistics, and many others. The author underscores the endemic racism of the music business at that time, revealing how the three men were blocked from the major record companies and outlets in Philadelphia because they were black, forcing them to create their own label, sign their own artists, and create their own sound. The sound they created--a sophisticated and glossy form of rhythm and blues, characterized by crisp, melodious harmonies backed by lush, string-laden orchestration and a hard-driving rhythm section--was a glorious success, producing at least twenty-eight gold or platinum albums and thirty-one gold or platinum singles. But after their meteoric rise and years of unstoppable success, their production company finally failed, brought down by payola, competition, a tough economy, and changing popular tastes. Funky, groovy, soulful--Philly Soul was the classic seventies sound. A House on Fire tells the inside story of this remarkable musical phenomenon.

“ONE OF THE BEST BOOKS I'VE READ IN RECENT YEARS. THOUGHT PROVOKING, IMAGINATIVE AND PACKS A HELL OF

AN EMOTIONAL PUNCH.” —Adrian Tchaikovsky, author of Children of Time From one of the most imaginative writers of her generation comes an extraordinary vision of the future... Ven was once a holy man, a keeper of ancient archives. It was his duty to interpret archaic texts, sorting useful knowledge from the heretical ideas of the Burning Age—a time of excess and climate disaster. For in Ven's world, such material must be closely guarded so that the ills that led to that cataclysmic era can never be repeated. But when the revolutionary Brotherhood approaches Ven, pressuring him to translate stolen writings that threaten everything he once held dear, his life will be turned upside down. Torn between friendship and faith, Ven must decide how far he's willing to go to save this new world—and how much he is willing to lose. “A riveting tale of subterfuge and deadly self-indulgence” (Publishers Weekly, starred review) from award-winning author Claire North, Notes from the Burning Age puts dystopian fiction in a whole new light. The “propulsive and mesmerizing” (The New York Times) story collection by the International Booker–shortlisted author of The Dangers of Smoking in Bed and Our Share of Night—now with a new short story. The short stories of Mariana Enriquez are: “The most exciting discovery I’ve made in fiction for some time.”—Kazuo Ishiguro “Violent and cool, told in voices so lucid they feel spoken.”—The Boston Globe (Best Books of the Year) Electric, disturbing, and exhilarating, the stories of Things We Lost in the Fire explore multiple dimensions of life and death in contemporary Argentina. Each haunting tale simmers with the nation's troubled history, but among the abandoned houses, black magic, superstitions, lost loves and regrets, there is also friendship, compassion, and humor. Translated by the National Book Award-winning Megan McDowell, these “slim but phenomenal” (Vanity Fair) stories ask the biggest questions of life and show why Mariana Enriquez has become one of the most celebrated new voices in global literature.

"A rhyming celebration of the love between a father and son"--
We Were Eagles Volume Two The Wild Rose Press Inc
In the bestselling tradition of Brene Brown’s Daring Greatly and Nick Vujicic’s Life Without Limits comes a rousing 7-step plan for living a life on fire, filled with hope and possibility—from an inspirational speaker who survived a near-fatal fire at the age of nine and now runs a successful business inspiring people all around the world. When John O’Leary was nine years old, he was almost killed in a devastating house fire. With burns on one hundred percent of his body, O’Leary mustered an almost unimaginable amount of inner strength just to survive the ordeal. The insights he gained through this experience and the heroes who stepped into his life to help him through the journey—his family, the medical staff, and total strangers—changed his life. Now he is committed to living life to the fullest and inspiring others to do the same. An incredible and emotionally honest account of triumph over tragedy, On Fire contains O’Leary’s reflections on being that little boy, the life-giving choices made then, and the resulting lessons he learned. O’Leary very clearly shares that without the right people providing the right guidance, at the right time, he never would have made it through those five months in the hospital, let alone the years that followed as he struggled to regain mobility, embrace his story, and ignite clarity of his life’s purpose. On Fire encourages us to seize the power to choose our path and transform our lives from mundane to extraordinary. Once we stop thinking solely on the big moments in our lives, we can begin to focus on those smaller opportunities that tend to pass us by. These are the events—the inflection points in our lives—that can determine how we feel about life now, where we are headed in the future, and how many lives we can impact along the way. We can’t always choose the path we walk, but we can choose how we walk it. Empowering, inspiring, remarkably honest, and heartfelt, O’Leary’s strength and incredible spirit shine through on every page.

Outing Tor Science Fiction
Beautiful early writings by one of the 20th century’s greatest poets on the 150th anniversary of his birth A Penguin Classic The poems, prose, and drama gathered in When You Are Old present a fresh portrait of the Nobel Prize–winning writer as a younger man: the 1890s aesthete who dressed as a dandy, collected Irish folklore, dabbled in magic, and wrote heartrending poems for his beloved, the beautiful, elusive Irish revolutionary Maud Gonne. Included here are such celebrated, lyrical poems as “The Lake Isle of Innisfree” and “He Wishes for the Cloths of Heaven,” as well as Yeats’s imaginative retellings of Irish fairytales—including his first major poem, “The Wanderings of Oisín,” based on a Celtic fable—and his critical writings, which offer a fascinating window onto his artistic theories. Through these enchanting works, readers will encounter Yeats as the mystical, lovelorn bard and Irish nationalist popular during his own lifetime. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
