What Happens If My Car Gets 'Totaled' in an Accident ...

A car is generally considered totaled when the cost to repair the car exceeds the value of the car. Some states have laws that define a totaled vehicle by specific thresholds. In Alabama, for instance, a car may be totaled when the damage is greater than 75 percent of its value.

Car Values actually depend on how you get rid of your car. The Private Party Value is usually more than the Trade-in Value, because if you sell it yourself, you're the one spending the money ...

When Your Car Is In  
If your car has been repossessed, you need to take action right away to get your finances in order and get back on the road. What you should know about car repossession. The average person has to borrow a significant amount of money to buy a car, but not everyone is able to keep up with payments.

**What to do When You Hit a Parked Car or When Your Car is Hit**

In repossession, a bank or leasing company takes a vehicle away from the borrower, often without any warning. Lenders might send a driver to collect the car, or they may take it away with a tow truck. In some cases, your car will be disabled by remote control so you can't drive it until you've cleared things up.
