THE PORTABLE DOOR is the first novel set in the magical offices of J. W. Wells. Now a majorly fantastical movie starring Sam Neill, Christoph Waltz, and Miranda Otto. "Tom Holt may be the most imaginative satirist to land on our shores since Douglas Adams." — Christopher Moore, New York Times bestselling author
Starting a new job is always stressful (especially when you don't want one), but when Paul Carpenter arrives at the office of J. W. Wells he has no idea what trouble lies in store. He is about to discover that the apparently respectable establishment now paying his salary is a front for a deeply sinister organization. It seems that half the time his bosses are away with the fairies. But they're not, of course. They're

away with the goblins. The J.W. Wells & Co. Want a sneak peek? Download this free sample of House Arrest by K.A. Holt. Timothy is on probation. It's a strange word—something that happens to

other kids, to delinquents, not to kids like him. And yet, he is under house arrest for the next year. He must check in weekly with a probation officer and a therapist, and keep a journal for an entire year. And mostly, he has to stay out of trouble. But when he must take drastic measures to help his struggling family, staying out of trouble proves more difficult than Timothy ever thought it would be. By turns touching and funny, and always original, *House Arrest* is a middlegrade novel in verse about one boy's path to redemption as he navigates life with a sick brother, a grieving mother, and one tough probation officer.

Warm and hopeful, this is a touching and honest depiction of a family changing

together-and staying together. "I wonder what people would think if they could take the front off our house like a doll's house and watch us. All in the same house, but everyone separate. No one talking, but everyone thinking the same thing. Will we ever be a normal family again?" Izzy's family is under the spotlight when her dad comes out as Danielle, a trans woman. Izzy is terrified her family will be torn apart. Will she lose her dad? Will her parents break up? And what will people at school say? Now all eyes are on Izzy. Can she face her fears, find her voice, and stand up for her family and what's right?

The classic guide to teaching children at home for a new generation of homeschooling parents
In 2019, there were more than two million children being homeschooled. That number doubled during the pandemic and is now likely to continue increasing as more parents worry that school might not be the best place for their children to learn and grow. Teach Your Own helped launch the homeschooling movement; now, its timeless and revolutionary message of recognizing the ways children come to understand the world has been updated for

today ' s environment. Parents and caregivers will discover how to navigate: Learning in a classroom versus learning in the world The difference between a learning difficulty (which we all experience every time we try to learn anything) and a learning disability. Schedules that achieve the homeschooling-work-life balance that you want as a family The relationship between learning and play Homeschooling and technology And much more. John Holt's warm understanding of children and his passionate belief in every child's ability to learn have made this book an essential resource for over forty years to homeschooling families.

How Children Fail Chronicle Books

In this prize-winning book Thomas Holt is concerned not only with the identities of the black politicians who gained power in South Carolina during Reconstruction, but also with the question of how they functioned within the political system.

Thus, as one reviewer has commented, "he penetrates the superficial preoccupations over whether black politicians were venal or gullible to see whether they wielded power and influence and, if they did, how and to what ends and against what obstacles." "Well crafted and well written, it

not only broadens our knowledge of the period, but also deepens it, something that recent books on Reconstruction have too often failed to do." -- Michael Perman, *American Historical Review*. . . . a valuable study of post-Civil War black leaders in a state where Negro control came closest to realization during Reconstruction. . . . Effectively merging the techniques of quantitative analysis with those of narrative history, Holt shatters a number of myths and misconceptions. . . . It should be on the reading list of all students of Reconstruction and nineteenth-century black history." -- William C. Harris, *Journal of Southern History* "Holt presents his work modestly as a state study of reconstruction politics. But this should not obscure a significant intellectual achievement and a contribution of fundamental importance, demonstrating the value of social-class analysis in understanding the politics of the black community." -- Jonathan M. Wiener, *Journal of American History*.

Quilter's Cottage Book Krause Publications

The popularity of the motion picture soundtrack *O Brother, Where Art Thou?* brought an extraordinary amount of attention to bluegrass, but it also drew its share of criticism from some aficionados who felt the album's inclusion of more modern tracks misrepresented the genre.

This soundtrack, these purists argued, wasn't bluegrass, but "roots music," a new and, indeed, more overarching category concocted by journalists and marketers. Why is it that popular music genres like these and others are so passionately contested? And how is it that these genres emerge, coalesce, change, and die out? In *Genre in Popular Music*, Fabian Holt provides new understanding as to why we debate music categories, and why those terms are unstable and always shifting. To tackle the full complexity of genres in popular music, Holt embarks on a wide-ranging and ambitious collection of case studies. Here he examines not only the different reactions to *O Brother*, but also the impact of rock and roll's explosion in the 1950s and 1960s on country music and jazz, and how the jazz and indie music scenes in Chicago have intermingled to expand the borders of their respective genres. Throughout, Holt finds that genres are an integral part of musical culture—fundamental both to musical practice and experience and to the social organization of musical life.

Why Does the World Exist Boydell &

Brewer

'Uniquely twisted ... cracking gags' - Rob Grant, *THE GUARDIAN* 'Frantically wacky and wilfully confusing ... gratifyingly clever and very amusing' - *MAIL ON SUNDAY* There are very many reasons why British summers are either non-existent or, alternatively, held on a Thursday. Many of these reasons are either scientific, dull, or both - but all of them are wrong, especially the scientific ones. The real reason why it rains perpetually from January 1st to December 31st (incl.) is, of course, irritable Chinese Water Dragons. Karen is one such legendary creature. Ancient, noble, near-indestructible and, for a number of wildly improbable reasons, working as an estate-agent, Karen is irritable quite a lot of the time. Hence Wimbledon. But now things have changed and Karen's no longer irritable. She's *FURIOUS*. An hilarious comic fantasy novel from the most inventive writer in the field - revealing, for the first time, why it's always raining! Books by Tom Holt: *Walled Orchard Series* *Goatsong* *The Walled Orchard* J.W. Wells & Co. Series *The Portable Door* *In Your Dreams* *Earth, Air,*

a girl, a family, and a community.
Knockout Hachette UK
First published in the mid 1960s, How
Children Fail began an education reform
movement that continues today. In his 1982
edition, John Holt added new insights into how
children investigate the world, into the
perennial problems of classroom learning,
grading, testing, and into the role of the trust
and authority in every learning situation. His
understanding of children, the clarity of his
thought, and his deep affection for children
have made both How Children Fail and its
companion volume, How Children Learn,
enduring classics.

It's a quiet house, sheltered, standing in a mass of
tangled old trees called the Holtwood. Raymond
watches it. He's been watching it, through a gap in
the fence at the bottom of the garden, for weeks.
Thinking about the elderly owners, Mr and Mrs
Latch, who took him in one night when he was a
frightened boy caught up in an emergency. Mr
Latch showed him something that was kept in a
wardrobe in the spare room. He can't remember
what it was. He only knows how sick it made him
feel. Raymond watches Holt House. He has to
remember what he saw. He has to get inside.
