A combination of book 1 with new poems. A stunning and soul searching book of poetry in the form of parables. You will find answers to what and who YOU are. You will find an awareness that you are loved. Many characters inhabit this book. Some loving some cruel. The word images will make you laugh or cry or ponder your destiny. Symbolism in words about greed, envy, lust passion and pain envelope you. The poems lead you on a spiritual journey from the beginnings of awareness to fulfillment in God Almighty and Jesus Christ This book is not slushy or sentimental. But powerfull and modern. Biblical yet very human. Wonderful for christian or non. Someone of any faith or none. Easy language but with powerfull concepts. Superb for helping in counselling and healing emotions. Superb for self awareness and self development. NOT AN ORDINARY BOOK. Study guide incorporated also original illustrations. ENJOYCONTACT author susanhillx@blueyonder.co.uk for special prices

Monthly magazine devoted to topics of general scientific interest.

Herald of Gospel Liberty Broadview Press Reading Dostoevsky in Afghanistan becomes "crime without punishment" Rassoul remembers reading Crime and Punishment as a student of Russian literature in Leningrad, so when, with axe in hand, he kills the wealthy old lady who prostitutes his beloved Sophia, he thinks twice before taking her money or killing the woman whose voice he hears from another room. He wishes only to expiate his crime and be rightfully punished. Out of principle, he gives himself up to the police. But his country, after years of civil war, has fallen into chaos. In Kabul there is only violence, absurdity, and deafness, and Rassoul's desperate attempt to be heard turns into a farce. This is a novel that not only flirts with literature but also ponders the roles of sin, guilt, and redemption in the Muslim world. At once a nostalgic ode to the magic of Persian tales and a satire on the dire reality of now, A Curse on Dostoevsky also portrays the resilience and wit of Afghani women, an aspect of his culture that Rahimi never forgets.

On Christmas Day, 6-year-old Randolph runs into the family room and cries, "Daddy!" Two men - William and Cyrus - answer his call. In his quest to unravel the mystery of two fathers, which leads to a reunion with his birth mother and the exposure of grim secrets William tried to bury half a century ago, Randolph rediscovers himself. Thirty-three years after that ominous Christmas Day, as William tries to atone from his deathbed for a lifetime of deceit, Randolph realizes that he has solved a far greater question: Does God exist? The practical implications of his answer will astonish you. Where We Find Ourselves is a true story, told by one of those rare individuals in whom the old world and the new coalesce. In this tale of betrayal and liberation, R. Thomas Risk enlists the analytical skills of a lawyer, the savvy of an investigator and the eloquence of an award-winning poet to forever change your perception of society's sacred institutions - the three most insidious of which are Religion, Celebrity and National Politics ... a positively unholy trinity.

Would you know important contact information for members of your family if they needed someone to step in during an emergency? Do you know what would happen to the day to day functioning of your household in the case of an emergency? Are you able to locate important telephone numbers, addresses and policy numbers at a moment's notice? The June 2008 issue of Money recommended the creation of a "single guide" to store important information. This "should cover: monthly bills...bank accounts... retirement accounts...brokerage and fund accounts...insurance policies...wills and medical directives..." Created by the Organizing 4 U team of Muffy Kaesberg and JoEllen Salkin, Where Can I Find It?(c) provides plenty of room to complete all the above information and more!

An indispensable resource for any dental hygienist seeking employment abroad, this resource contains inside information on everything from the employment search to translated tables and phrases of common dental terminology in three of the most commonly spoken languages of Switzerland. Words That Rock Your Soul . the Spiritual Journey Continues!

This book is a cultural-historical (rather than purely linguistic) introduction to American English. The first part consists of a general account of variation in American English. It offers concise but comprehensive coverage of such topics as the history of American English; regional, social and ethnic variation; variation in style (including slang); and British and American differences. The second part of the book puts forward an account of how American English has developed into a dominant variety of the English language. It focuses on the ways in which intellectual traditions such as puritanism and republicanism, in shaping the American world view, have also contributed to the distinctiveness of American English.
