### Reviving Ophelia Hodder Children's Books

For more than a decade, girl power has been a cultural barometer, reflecting girlhood's ever-changing meanings. How did girl power evolve from a subcultural rallying cry to a mainstream catchphrase, and what meaning did young girls find in its pop culture forms? From the riot grrrls to the Spice Girls to <The Powerpuff Girls, and influenced by books like <Reviving Ophelia and movements like Take Our Daughters to Work Day, <Growing Up With Girl Power charts this history. It considers how real girls who grew up with girl power interpreted its messages about empowerment, girlhood, strength, femininity, race, and more, and suggests that for young girls, commercialized girl power had real strengths and limitations - sometimes in fascinating, unexpected ways. Encompassing issues of pre-adolescent body image, gender identity, sexism, and racism, <Growing Up With Girl Power underscores the importance of talking with young girls, and is a compelling addition to the literature on girls, media, and culture. Supplemental resources are available online at GrowingUpWithGirlPower.com.

Three Girls from Bronzeville Berghahn Books

"The resulting material challenges previous findings in those feminist and youth anthropological studies based on too narrow a concept of class, ethnicity or populist approaches to culture. Rejecting the still prevalent notion of resistance, this study reveals instead that the girls' activities are more about accommodation to the constraining givens of social life, stretching these to discover their possibilities while simultaneously working hard to remain within their parameters of safety and reassurance. In this conceptual framework popular music and other global cultural texts emerge to gain a new significance within their local settings."--BOOK JACKET.

What's Happening to My Body? Book for Girls Page Publishing Inc

Girls learn about "femininity" from childhood onwards, first through their relationships in the family, and later from their teachers and peers. Using sources which vary from diaries to Inspector ' s reports, this book studies the socialization of middle- and working-class girls in late Victorian and early-Edwardian England. It traces the ways in which schooling at all social levels at this time tended to reinforce lessons in the sexual division of labour and patterns of authority between men and women, which girls had already learned at home. Considering the social anxieties that helped to shape the curriculum offered to working-class girls through the period 1870-1920, the book goes on to focus on the emergence of a social psychology of adolescent girlhood in the early-twentieth century and finally, examines the relationship between feminism and girls ' education.

The Body Image Book for Girls Zonderkidz

A growing body of evidence demonstrates that improvements in the status of women and girls - however worthy and important in their own right - also drive the prosperity, stability, and security of families, communities, and nations. Yet despite many indicators of progress, women and girls everywhere - including countries of the developed world - continue to confront barriers to their full and equal participation in social, economic, and political life. Capturing voices and experiences from around the world, this work documents the modern history of the global women's movement - its many accomplishments and setbacks. Drawing together prominent pioneers and contemporary policymakers, activists, and scholars, the volume interrogates where and why progress has met resistance and been slowed, and examine the still unfinished agenda for change in national and international policy arenas. This history and roadmap are especially critical for younger generations who need a better understanding of this rich feminist legacy and the intense opposition that women's movements have generated. This book creates a clear and forceful narrative about women's agency and the central relevance of women's rights movements to global and national policy-making.. It is essential reading for activists and policymakers, students and scholars alike.

Growing Day by Day for Girls Bloomsbury Publishing

The Care & Keeping of You Wren & Rook

A New York Times and Washington Post Notable Book A Best Book of 2021 by BuzzFeed and Real Simple A " beautiful, tragic, and inspiring " (Publishers Weekly, starred review) memoir about three Black girls from the storied Bronzeville section of Chicago that offers a penetrating exploration of race, opportunity, friendship, sisterhood, and the powerful forces at work that allow some to flourish...and others to falter. They were three Black girls. Dawn, tall and studious; her sister, Kim, younger by three years and headstrong as they come; and her best friend, Debra, already prom-queen pretty by third grade. They bonded—fervently and intensely in that unique way of little girls—as they roamed the concrete landscape of Bronzeville, a historic neighborhood on Chicago ' s South Side, the destination of hundreds of thousands of Black folks who fled the ravages of the Jim Crow South. These third-generation daughters of the Great Migration come of age in the 1970s, in the warm glow of the recent civil rights movement. It has offered them a promise, albeit nascent and fragile, that they will have more opportunities, rights, and freedoms than any generation of Black Americans in history. Their working-class, striving parents are eager for them to realize this hard-fought potential. But the girls have much more immediate concerns: hiding under the dining room table and eavesdropping on grown folks ' business; collecting secret treasures; and daydreaming about their futures—Dawn and Debra, doctors, Kim a teacher. For a brief, wondrous moment the girls are all giggles and dreams and promises of " friends forever. " And then fate intervenes, first slowly and then dramatically, sending them careening in wildly different directions. There ' s heartbreak, loss, displacement, and even murder. Dawn struggles to make sense of the shocking turns that consume her sister and her best friend, all the while asking herself a simple but profound question: Why? In the vein of The Other Wes Moore and The Short and Tragic Life of Robert Peace, Three Girls from Bronzeville is a piercing memoir that chronicles Dawn ' s attempt to find answers. It ' s at once a celebration of sisterhood and friendship, a testimony to the unique struggles of Black women, and a tour-de-force about the complex interplay of race, class, and opportunity, and how those forces shape our lives and our capacity for resilience and redemption.

A Girl's Guide to Life Jessica Kingsley Publishers

## South Side Girls Simon and Schuster

It is worrying to think that most girls feel dissatisfied with their bodies, and that this can lead to serious problems including depression and eating disorders. Can some of those body image worries be eased? Body image expert and psychology professor Dr Charlotte Markey helps girls aged 9-15 to understand, accept, and appreciate their bodies. She provides all the facts on puberty, mental health, self-care, why diets are bad news, dealing with social media, and everything in-between. Girls will find answers to questions they always wanted to ask, the truth behind many body image myths, and real-life stories from girls who share their own experiences. Through this easy-to-read and beautifully illustrated guide, Dr Markey teaches girls how to nurture both mental and physical health to improve their own body image, shows the positive impact they can have on others, and enables them to go out into the world feeling fearless!

The Girls' Guide to Growing Up Routledge

Almost every woman has experienced bullying. Whether her role was that of victim, aggressor, or bystander, the pain of relational aggression (female bullying) lasts long after the incident has passed. In *Mean Girls Grown Up*, Cheryl Dellasega explores why women are often their own worst enemies, offering practical advice for a variety of situations. Drawing upon extensive research and interviews, she shares real-life stories from women as well as the knowledge of experts who have helped women overcome the negative effects of aggression. Readers will hear how adult women can be just as vicious as their younger counterparts, learn strategies for dealing with adult bullies, how to avoid being involved in relational aggression, and more. Dellasega outlines how women can change their behavior successfully by shifting away from aggression and embracing a spirit of cooperation in interactions with others.

The Period Book Jessica Kingsley Publishers

"Powerful. . . . We love this book." —GLAMOUR "With delicacy and great empathy, Stone . . . prod[s] young readers to think of what better sort of girlhood is possible." —THE WASHINGTON POST A gorgeous, full-color oversized book about educating girls across the world, inspired by the documentary that Entertainment Weekly says "every mother, sister, and daughter should see, as well as the men who love and support them."

Worldwide, more than 130 million girls are not in school. Why is that, and what can you do about it? *Girl Rising* started as a film, profiling nine unforgettable girls coming of age in the developing world and confronting the barriers to their education. Powered by these stories of resilience and determination, the film exploded into a global campaign for girls' education. This book—which can stand alone—is an expansion of that film. Author Tanya Lee Stone deftly integrates raw interview footage from the filmmakers with her own research to illuminate the facts and stories behind the girls in the film and more than twenty-five others around the world—girls who are conquering obstacles, becoming empowered, creating their own possibilities. This updated edition features a foreword by David Oyelowo, the noted actor, producer, and activist for girls' education. With stunning full-color photos from the global film shoots, recent statistics and information about the girls in the film, infographics, and a compelling narrative, *Girl Rising* is a call to action. It will inspire you to join an exhilarating and growing movement to change the world. This is the right book for the present moment and perfect for anyone who believes that one girl with courage is a revolution. A KIRKUS REVIEWS BEST TEEN BOOK OF THE YEAR A BANK STREET COLLEGE OF EDUCATION BEST CHILDREN'S BOOK OF THE YEAR AN ALA AMELIA BLOOMER TOP TEN SELECTION A JUNIOR LIBRARY GUILD SELECTION Additional Praise for the Film: "Delivers . . . tangible hope that the world can be healed in a better future." —MERYL STREEP "Girl Rising stands as a testament to the power of information." —LOS ANGELES TIMES
