A hot vet. A rebellious teenager. And meddling but well-meaning townsfolk. Vera gets more than she bargains for when she runs off to a new life in the country ... A fresh and funny rural romance, perfect for readers of Alissa Callen and Rachael Johns. Vera De Rossi no longer believes in love ... And thanks to her ex-boyfriend she's also broke, jobless,

and staring down the barrel of a court case that could land her in prison. Turning to her talent for baking, Vera opens a cafe in Hanrahan, a cosy tourist town in the foothills of the Snowy Mountains. Josh Cody, once Hanrahan's golden boy, escaped sixteen years ago with gossip hard on his heels and a pregnant girlfriend in tow. Now he's back: a qualified veterinarian - and a single dad with a lot to prove. A new start and a grumpy teenage daughter ... it's a lot to juggle, and there's no room in his life for further complications. But that's before he

walks into The Billy Button Cafe and meets its prickly owner ... Reeling from the past, Vera has no intention of being sidetracked by the hot vet with a killer smile. But fate has a way of tripping up our best intentions and between a stray cat and a busybody with a heart of gold, this is a town - a family - unlike any other. And, whether Vera wants it or not, is there anything a family won't do to help one of its own? PRAISE: 'The perfect feel-good blend of warmth, wit and small-town charm. This debut will leave you smiling.' Alissa Callen bestselling

A brilliant medieval action thriller perfect for fans of

Bernard Cornwell, Matthew Harffy and

Giles Kristian. It is 1347 and the French, after a crushing defeat at

Cr é cy, are licking their wounds while their king raises a new army. Locked into a fruitless siege, the English are camped in the marshes around Calais.

Among them is foot soldier and archer Martin Kemp, whose dreams of serving his king and reliving the chivalrous adventures of King Arthur ' s Knights of the

Round Table are tempered by the gory and brutal reality of siege warfare.

Having narrowly escaped death in a surprise attack from the French, Kemp sees a chance for a reprieve when a shaky truce is signed.

But can there really be peace for a man like Kemp? Kemp:

But the snow isn't letting up, and with a warm fire keeping them cozy, Gemma and Josh might let their guards down...if past grief doesn't overshadow their present—and future. For His Eyes Only Alfred Music Publishing
This book presents new technologies which are available now for the rehabilitation of visual acuity in patients suffering from keratoconus and

for arresting the progression of this frustrating disease. All these current treatment options in differing combinations aim to improve the quality of life of the patients and although successful, they are causing confusion for the ophthalmologists ; what procedure to do and when? How to perform? Which combination of treatments to choose? Controversies in the Management of Keratoconus provide the widely used treatment

options for keratoconus including collagen corneal cross – linking (CXL) covering all the available techniques, intrastromal corneal ring segments (ICRS) , phakic intra-ocular lenses (IOLs), photorefractive keratectomy (PRK) combined or not with CXL penetrating keratoplasty (PK) and deep anterior lamellar keratoplasty (DALK). Each treatment is addressed by more than one author with different points of view in order

to present the various approaches, the logic behind them and the most relevant clinical data available. A chapter by the editor tries to put some light on how to navigate among these controversies. This book will be of interest to trainees as well as the specialized ophthalmologists .

And hands I find myself wanting all over me, in a desperate way I thought was only real in the romances I read. And now, suddenly, I find myself wanting a wild mustang of a man, an untamable force of nature...and wondering if there ' s room in my safe, orderly, good girl world for him. But I can ' t have her. When she finds out about the bloody, violent truth of my past, she won ' t want anything to do with me. She ' ll run away as fast and as far as she can, because I ' m not meant for a sweet, innocent thing like her. Until then, though, I plan on getting her a little dirty.
