Laundry

For Cheryl Mendelson, laundering is the best part of housekeeping. It's full of physical pleasures—the look of favorite clothes restored to freshness and beauty, the tactile satisfaction of crisp linens in beautifully folded stacks. Good laundering preserves things you love and protects your pocketbook. It doesn't take much time or effort.

What it takes is knowledge, and Laundry is the comprehensive, entertaining, and inspiring book on the art of laundering. Culled from the bestselling Home Comforts, with revised and updated information and a new introduction, Laundry is an indispensable guide to caring for all the cloth in one's home: from kitchen rags to bedding, hand-washables, and baby clothes to vintage linens.

Mendelson offers detailed guidance on when to disregard labels, removing stains, making environmentally informed choices, sewing, and storing clothing and fabrics. A much-needed antidote to the standard-issue how-to manual, Laundry celebrates the satisfactions of ironing, folding, and caring for clothes and linens. Both pragmatic and eloquent, Mendelson provides beginning and veteran homemakers with a seamless combination of reliable instruction, time-tested advice, and fascinating personal narrative. As a farm girl in Pennsylvania, Mendelson—who is a philosopher, lawyer, and professor, as well as a homemaker, wife, and mother—received a classic domestic education from her grandmothers, aunts, and mother. Laundry combines the best of the traditional lore they taught her with the latest in technical and scientific information. Writing with infectious love and respect for her subject, Mendelson is sure to instill in readers a newfound affection and appreciation for the art of laundering.

Do-it-yourself Repair Manual for Your Whirlpool Gas/electric Dryers

This is the definitive consumer reference book for diagnosing and solving the many problems that can crop up in your home, from a driveway that is flaking to a toilet that won't stop running. Why spend hundreds of dollars on outside help when all you really need is a little advice on home maintenance and repair? The solutions are simple and this handy, all-purpose manual guides you through them step by step. And when you've got a really difficult problem, The Home Ranger tells you which professionals to call to get the job done right. Industry experts Roger Peugeot and Tim Carter, with their characteristic wit and straight-to-the-point style, address more than 200 of the most commonly asked questions, from shingles and studs to garage doors and landscaping. In addition, they provide a comprehensive library of trouble-shooting guides for many household appliances and fixtures, plus a complete listing of telephone numbers and websites of major manufacturers.
