to provide guidance in the form of

recommendations which, although

not binding meet the Department's

obligation to provide technical

assistance on alternative

accessibility approaches which

will comply with the Act, but may

exceed its minimal requirements.

The latter information allows

housing providers to choose among

alternative and also provides

persons with disabilities with

information on accessible design
approaches. The Manual clarifies
what are requirements under the Act
and what are HUD's technical
assistance recommendations. The
portions describing the
requirements are clearly
differentiated from the technical
assistance recommendations.
