The *White Horse* is what a virus is nicknamed and the reason the book is apocalyptic. If the virus doesn't kill, it mutates its victims. The main character is not too bright and rather shallow, but a good person. I finished the book so I gave it 3 stars. 'nuf said. Originally posted on *White Horse: A Novel*.

White Horse is a futuristic story that in

today's climate could come true. It's about

survival in a dying world. A virus is killing off millions of people worldwide, a few people who survive become mutants and a smaller group still are immune and have to survive any way they can.
