China's Cultural Revolution (1966-1976) produced propaganda music that still stirs unease and, at times, evokes nostalgia. Lei X. Ouyang uses selections from revolutionary songbooks to untangle the complex interactions between memory, trauma, and generational imprinting among those who survived the period of extremes. Interviews combine with ethnographic fieldwork and surveys to explore both the Cultural Revolution's effect on those who lived through it as children and contemporary remembrance of the music created to serve the Maoist regime. As Ouyang shows, the weaponization of music served an ideological revolution but also revolutionized the senses. She examines essential questions raised by this phenomenon, including: What did the revolutionization look, sound, and feel like? What does it take for individuals and groups to engage with such music? And what is the impact of such an experience over time? Perceptive and provocative, *Music as Mao's Weapon* is an insightful look at the exploitation and manipulation of the arts under authoritarianism.

The Citadel It stands unconquered, the last great summit of the Alps. Only one man has ever dared to approach the top, and that man died in his pursuit. He was Josef Matt, Rudi Matt's father. At sixteen, Rudi is determined to pay tribute to the man he never knew, and complete the quest that claimed his father's life. And so, taking his father's red shirt as a flag, he heads off to face the earth's most challenging peak. But before Rudi can reach the top, he must pass through the forbidden Fortress, the gaping chasm in the high reaches of the Citadel where his father met his end. Rudi has followed Josef's footsteps as far as they will take him. Now he must search deep within himself to find the strength for the final ascent to the summit -- to plant his banner in the sky. His father died while trying to climb Switzerland's greatest mountain -- the Citadel -- and young Rudi knows he must make the assault himself.

Saving the Ghost of the Mountain Funstory

In this humorous, action-packed crime thriller, a strip club bouncer working

for a coalition of mob bosses must steal \$4 million in diamonds—twice. Ex-black-ops-specialist-turned-strip-club-bouncer Joe Brody has a new qualification to add to his resume: an alliance of New York City’s mob bosses has deemed him its “sheriff.” In the straight world, when you “see something” you “say something” to the law. In the bent world, they call Joe. Still reeling from a particularly difficult operation—and having plummeted back into the drug and alcohol addiction that got him kicked out of the military as a result—Joe has just managed to detox at the clinic of a Chinese herbalist when the mob bosses phone. They need Joe to help them swindle a group of opioid dealers (of all things). But these are no typical drug-ferrying gangsters. Little Maria, the head of the Dominican mob, has discovered that her new heroin suppliers belong to an al Qaeda splinter group, and that they’re planning to use their drug funds to back their terrorist agenda. With Joe in command, the mob coalition must pull off an intricate heist that will begin in Manhattan’s diamond district. At stake is not only their business, but the state of the world. For readers who like a liberal dose of humor mixed with gritty crime, *The Hard Stuff* is a brilliant, action-packed thriller from a fresh virtuoso of the crime caper genre. Praise for *The Hard Stuff* “With *The Bouncer* (2018), Gordon established himself as a major player in comic thrillerdom, right up there with Thomas Perry . . . Much of Gordon’s genius comes from his ability to build character in a few subtle brush strokes, so his entire cast . . . get under our skins in an instant and stay put. There are some grisly doings this time, but the lightness of touch that distinguishes Gordon’s prose, whether his characters are bantering or dismembering, is still what makes this series soar.” —Booklist (starred review) “Highly entertaining. . . . Gordon has a knack for twisty story lines, nonstop action, and over-the-top sequences.” —Publishers Weekly “Gordon is fashioning himself an impressive crime world niche somewhere between Donald Westlake and Elmore Leonard, with his raucous, rollicking stories of New York City crime. . . . Come for the intricate, surprising crime scenarios; stay for the banter.” —CrimeReads

Wolverine: The Nature of the Beast Simon and Schuster

When Sam Kornberg’s wife, Lala, walks out on him, he’s an unemployed used-book store clerk and failed experimental novelist with a broken heart. Desperate to win her back, he takes a job as assistant detective to the enigmatic Solar Lonsky, a private eye who might be an eccentric and morbid genius or just a morbidly obese madman. It’s a simple tail job, following a beautiful and mysterious lady around L.A., but Sam soon finds himself helplessly falling for his quarry and hopelessly entangled in a murder case involving Satanists, succubi, underground filmmakers, Hollywood bigshots, Mexican shootouts, video-store geekery, and sexy doppelgangers from beyond the grave. A case that highlights the risks of hardcore reading and mourns the death of the novel—or perhaps just the decline of Western civilization. *Mystery Girl* is a thriller about the dangers of marriage and a detective story about the unsolvable mysteries of love, art, and other people.

The White Tiger Dorrance Publishing

It’s December 1997 and a man-eating tiger is on the prowl outside a remote village in Russia’s Far East. The tiger isn’t just killing people, it’s annihilating them, and a team of men and their dogs must hunt it on foot through the forest in the brutal cold. To their horrified astonishment it emerges that the attacks are not random: the tiger is engaged in a vendetta. Injured and starving, it must be found before it strikes again, and the story becomes a battle for survival between the two main characters: Yuri Trush, the lead tracker, and the tiger itself. As John Vaillant vividly recreates the extraordinary events of that winter, he also gives us an unforgettable portrait of a spectacularly beautiful region where plants and animals exist that are found nowhere else on earth, and where the once great Siberian Tiger - the largest of its species, which can weigh over 600 lbs at more than 10 feet long - ranges daily over vast territories of forest and mountain, its numbers diminished to a fraction of what they once were. We meet the native tribes who for centuries have worshipped and lived alongside tigers - even sharing their kills with them - in a natural balance. We witness the first arrival of settlers, soldiers and hunters in the tiger’s territory in the 19th century and 20th century, many fleeing Stalinism. And we come to know the Russians of today - such as the poacher Vladimir Markov - who, crushed by poverty, have turned to poaching for the corrupt, high-paying Chinese markets. Throughout we encounter surprising theories of how humans and tigers may have evolved to coexist, how we may have developed as scavengers rather than hunters and how early Homo sapiens may have once fit seamlessly into the tiger’s ecosystem. Above all, we come to understand the endangered Siberian tiger, a highly intelligent super-predator, and the grave threat it faces as logging and poaching reduce its habitat and numbers - and force it to turn at bay. Beautifully written and deeply informative, *The Tiger* is a gripping tale of man and nature in collision, that leads inexorably to a final showdown in a clearing deep in the Siberian forest.
