This parable of self-actualization offers valuable lessons, tools, and insights for living a richer, more fulfilling, and more satisfying life. As two White Tigers plan to have a family, they go in search of life wisdom to pass down to the next generation. Their magical journey leads readers down a path of discovery that will enrich their lives. Through this simple parable, "Dr. Joe" Di Ruzzo explores the values that are essential for a life lived to its potential. From Freud to Maslow to neurolinguistic programming, Di Ruzzo summarizes the ongoing search for healthier families and happier lives. As a continuation of humanity's effort to understand life's purpose, the story of The Gift of the White Tigers is as old as the history of mankind.

[Demonic Concealment Spell,

Unlimited Way] Rising and declining in troubled times is the destiny of the line of the west of Hunan. In the corner of the west of Hunan, the clan of Yuehan wishes for generations to be able to chase the corpses for a career. The legend of zombies in the world of guardians lasts for thousands of years. Fang Wei, a descendant of the Fang family, followed his grandfather out to drive away the corpses and fell into a thick layer of fog. Xiang Xi, a thousand years old, had been known among the common folk to drive away corpses and corpses, a cruel and indescribable ground filled with corpses and corpses, an old man of a hundred years old, a ghost girl holding a lantern made from human skin, a man who endured death by altering a tombstone by herself, had pulled open a bizarre world of ghosts that could not be seen under the sunlight. The snow was falling heavily, and the only thing that could be seen was Chenzhou Sand. Without asking about the

ephemeral, expression, have to technology? The Great North American Stage Directors series provides an authoritative account of the art of directing in North America by examining the work of twenty-four major practitioners from the late 19th century to the present. Each of the eight volumes examines three directors and offers an overview of their practices, theoretical ideas, and contributions to modern theatre. The studies chart the life and work of each director, placing his or her achievement in the context of other important theatre practitioners and broader social history. Written by a team of leading experts, the series presents the genealogy of directing in North America while simultaneously chronicling crucial trends and championing contemporary interpretation.

The Gift of the White Tigers Funstory

The Naxi is the most interesting ethnic group of China. They have a set of cultural characteristics completely different of those of surrounding peoples. Their pictographic writing, the encyclopedia or archaic wisdom contained in their Dongba classics, their unique religion stressing brotherhood with nature, a life cycle designed to nurture the sacred inside every person, and their special musical, literary and artistic works, all contribute to make the Naxi culture unique among the ethnic groups of our planet. No other ethnic group has preserved so rich and multifaceted ancient heritage, no other culture is so central to the research of the old traditions of Asia. The role of the Naxi as preservers of ancient cultural heritages can be attributed to the isolation of some communities and to the writing of a surprising amount of sacred books, maybe thousands of them treasured in the hands of their religious specialists known to the outside world as the Dongba Classics. The study of Naxi traditions has changed the cultural meaning of the Sino-Tibetan borderlands, with their main elements ranked as intangible cultural heritages, and Lijiang, their main city, recognized as a hub where the main civilizations of East Asia intersected and integrated, creating an original and diverse culture. This is the first book that explains the wonderful culture of the Naxi aimed at the general

reader. Its pages lead the reader to the mystery and wisdom of a disappearing world.

NATIONAL BESTSELLER • An exhilarating blend of autobiography and mythology, of world and self, of hot rage and cool analysis. First published in 1976, it has become a classic in its innovative portrayal of multiple and intersecting identities—immigrant, female, Chinese, American. • **NATIONAL BOOK CRITICS CIRCLE AWARD WINNER** “ A classic, for a reason. ” —Celeste Ng, bestselling author of *Little Fires Everywhere* and *Our Missing Hearts*, via Twitter As a girl, Kingston lives in two confounding worlds: the California to which her parents have immigrated and the China of her mother ’ s “ talk stories. ” The fierce and wily women warriors of her mother ’ s tales clash jarringly with the harsh reality of female oppression out of which they come. Kingston ’ s sense of self emerges in the mystifying gaps in these stories, which she learns to fill with stories of her own. A warrior of words, she forges fractured myths and memories into an incandescent whole, achieving a new understanding of her family ’ s past and her own present.

China Off Center takes as its fundamental assumption that contemporary China can only be understood as a complex, decentralized place, where the view from above (Beijing) and from tourist buses is a skewed one. Instead of generalizing about China, it demonstrates that this diverse national terrain is better conceived as it is experienced by Chinese, as a set of many Chinas. To that end, this anthology of interpretive essays and ethnographic reports focuses on the everyday, the particular, the local, and the puzzling. Among the many topics covered are ethnic minorities, linguistic diversity, competing regional loyalties, sexuality, gender and work, the floating populations, rock and roll, qigong (spiritual and martial arts), and popular religion. Together with contextualizing introductions, the readings provide students with a compelling look at some little-known but significant aspects of China from the past decade; for those already familiar with China, they furnish an assortment of uncommon viewpoints in a single,

convenient volume.

The trash that was abandoned by the cultivation clans had accidentally saved a wolf, and now he had an extra person. This man was sometimes wolf, sometimes cold and merciless; he was trash, sometimes pure, sometimes brave and decisive. Other people might not be able to understand the beauty of a cauldron, but there was an indescribable sadness to it.

Introducing Joe the Bouncer in “ a tour-de-force, ranging from underworld crime to a unique caper and a terrorist plot . . . an outstanding new voice ” (Robert Crais, #1 New York Times bestselling author). In David Gordon ’ s diabolically imaginative thriller, *The Bouncer*, nothing and no one is as expected—from a vial of yellow fragrance to a gangster who moonlights in women ’ s clothes. Joe Brody is just your average Dostoevsky-reading, Harvard-expelled strip club bouncer who has a highly classified military history and whose best friend from Catholic school happens to be head mafioso Gio Caprisi. FBI agent Donna Zamora, the best shot in her class at Quantico, is a single mother stuck at a desk manning the hotline. Their storylines intersect over a tip from a cokehead that leads to a crackdown on Gio ’ s strip joint in Queens and Joe ’ s arrest—just one piece of a city-wide sweep aimed at flushing out anyone who might have a lead on the various terrorists whose photos are hanging on the wall under Most Wanted. Outside the jailhouse, the Fed and the bouncer lock eyes, as Gordon launches them both headlong into a nonstop plot that goes from back-road gun show intervention to high-stakes perfume heist and manages to touch everyone from the CIA to the Flushing Triads. Beneath it all lurks a sinister criminal mastermind whose manipulations could cause chaos on a massively violent scale. “ A brilliantly goofy caper novel in the grand tradition of Donald E. Westlake. ” —The New York Times Book Review “ [An] impressive crime novel . . . Gordon ’ s sharply drawn supporting cast adds a

nice balance to all the action. ” —Publishers Weekly (starred review)

He was the best at what he did: a born fighter, a mutant whose uncanny speed and strength, augmented by the best technology money could buy, made him close to unstoppable. He had an indestructible skeleton, cast from the hardest metal on the planet. Razor-sharp claws that could cut through steel like butter. He was Wolverine. Member of the mutant Super Hero group X-Men. Then everything changed. Now, with the adamantium ripped out of his body -- with his healing factor reduced to a fraction of what it once was -- the man known only as Logan finds himself racing to defeat a deadly conspiracy that threatens all of mutantkind, a conspiracy that stretches across both time and space, from the ice-capped peaks of Tibet to the neon jungles of Las Vegas, from his days as an agent of the Canadian government to his years as a member of the most unusual Super Hero group of all time... Here now is Wolverine, bloodied but unbowed, facing long-forgotten foes from out of his past -- and unexpected challenges from his future...

Only Sword Immortal University of Hawaii Press Evola articulates the close relationship between the physical rigors of mountain climbing and the ascent of the initiate toward self-transcendence. Julius Evola, a leading exponent of esoteric thought, was also an ardent mountain climber who personally scaled the peaks of the Tyrols, Alps, and Dolomites. For Evola the physical conquest of a mountain, with all the courage, self-transcendence and mental lucidity that it entails, becomes an inseparable and complementary part of spiritual awakening. It is no coincidence that many ancient cultures chose mountains as the

abodes of their gods and considered the rigorous ascent of peaks as the task of heroes and initiates. In modern times, which tend to suffocate the heroic with naked self interest, the mountain still forms part of the profound dimension of spirit where the soul finds within itself more than what it thought itself to be. In *Meditations on the Peaks*, Evola combines recollections of his own experiences with reflections on other inspirational men and women who shared his view of the transcendent greatness of mountains.

A black fire lifted the mysterious veil of the Great Liang Mountain. An enormous, badly damaged sword that had cut through the ages of the Fiendgod continent. The young man who had lost his memory woke up in a daze. In that world where he could not see the light, he left countless breathtaking legends. Some people said that he was a demon, but he was only a swordsman, a lonely swordsman.

In this humorous, action-packed crime thriller, a strip club bouncer working for a coalition of mob bosses must steal \$4 million in diamonds—twice. Ex-black-ops-specialist-turned-strip-club-bouncer Joe Brody has a new qualification to add to his resume: an alliance of New York City’s mob bosses has deemed him its “sheriff.” In the straight world, when you “see something” you “say something” to the law. In the bent world, they call Joe. Still reeling from a particularly difficult operation—and having plummeted back into the drug and alcohol addiction that got him kicked out of the military as a result—Joe has just managed to detox at the clinic of a Chinese herbalist when the mob bosses phone. They need Joe to help them swindle a group of opioid dealers (of all things). But these are no typical drug-ferrying gangsters. Little Maria, the head of the Dominican mob, has discovered that her new heroin suppliers belong to an al Qaeda splinter group, and that they’re planning to use their drug funds to back their

terrorist agenda. With Joe in command, the mob coalition must pull off an intricate heist that will begin in Manhattan’s diamond district. At stake is not only their business, but the state of the world. For readers who like a liberal dose of humor mixed with gritty crime, *The Hard Stuff* is a brilliant, action-packed thriller from a fresh virtuoso of the crime caper genre. Praise for *The Hard Stuff* “With *The Bouncer* (2018), Gordon established himself as a major player in comic thrillerdom, right up there with Thomas Perry . . . Much of Gordon's genius comes from his ability to build character in a few subtle brush strokes, so his entire cast . . . get under our skins in an instant and stay put. There are some grisly doings this time, but the lightness of touch that distinguishes Gordon's prose, whether his characters are bantering or dismembering, is still what makes this series soar.” —Booklist (starred review)

“Highly entertaining. . . . Gordon has a knack for twisty story lines, nonstop action, and over-the-top sequences.” —Publishers Weekly

“Gordon is fashioning himself an impressive crime world niche somewhere between Donald Westlake and Elmore Leonard, with his raucous, rollicking stories of New York City crime. . . . Come for the intricate, surprising crime scenarios; stay for the banter.” —CrimeReads

Wolverine: The Nature of the Beast Funstory
An annotated translation of five key texts of the Everlasting (Yungdrung) Bön school selected by the late H. H. Menri Trizin Rinpoche that includes scriptural teachings, a root tantra based on revealed teachings of the unconditioned absolute, a canonical commentary on the root tantra, an exposition of the Yungdrung tantric system, and the oral instructions on Bön meditation practices associated with experiencing the nature of the mind, the Great Perfection systems. This authoritative annotated translation of five key texts of Everlasting (Yungdrung) Bön by Marc des Jardins opens up a relatively unknown tradition that, since the arrival of Buddhism in Tibet, has undergone great transformations in its philosophy, doctrinal

teachings, and meditative practices. Each text represents an important aspect of the tradition. The first text, by Drog ö n Azha Lodr ö Gyaltsen (1198 – 1263), presents the grounds and paths of the Greater Vehicle of the B ö n tradition and represents the philosophical ideology of its teachings based on the scriptures contained in the B ö n canon. The second text is a short root tantra attributed to revealed teachings from Kuntu Zangpo, the personification of the unconditioned absolute. The third text is a commentary on this root tantra attributed to Drenpa Namkha (fl. eighth century), a B ö npo sage contemporary with Padmasambhava. The fourth text, by Nyam é Sherap Gyaltsen (1356 – 1415), presents a general exposition of the tantric system according to Yungdrung B ö n. The final text, by Drut ö n Gyalwa Yungdrung (1242 – 90), pertains to the oral instructions on the meditation practices of B ö n, especially on the cycle of practices associated with experiencing the nature of the mind, the Great Perfection systems. All five texts have been selected by the late H. H. Menri Trizin Rinpoch é , Lungtok Tenpai Nyima (1927 – 2017), the thirty-third abbot of Menri Monastery, the central institution of the Yungdrung B ö n school.
