Journey of the White Tiger Grove Press Introducing Joe the Bouncer in "a tour-de-force, ranging from underworld crime to a unique caper and a terrorist plot . . . an outstanding new voice" (Robert

Crais, #1 New York Times bestselling author). In David Gordon's diabolically imaginative thriller, *The Bouncer*, nothing and no one is as expected—from a vial of yellow fragrance to a gangster who moonlights in women's clothes. Joe Brody is just your average Do stoevsky-reading, Harvard-expelled strip club bouncer who has a highly classified military history and whose best friend from Catholic school happens to be head mafioso Gio Caprisi. FBI agent Donna Zamora, the best shot in her class at Quantico, is a single mother stuck at a desk manning the hotline. Their astorylines intersect over a tip from a cokehead that leads to a crackdown on Gio's strip joint in Queens and Joe's arrest—just one piece of a city-wide sweep aimed at flushing out anyone who might have a lead on the various terrorists whose photos are hanging on the wall under Most Wanted. Outside the jailhouse, the Fed and the bouncer lock eyes, as Gordon launches them both headlong into a nonstop plot that goes from back-road gun show intervention to high-stakes perfume heist and manages to touch everyone from the CIA to the Flushing striads. Beneath it all lurks a sinister criminal mastermind whose manipulations could cause chaos on a massively violent scale. "A brilliantly goofy caper novel in

the grand tradition of Donald E. Westlake. " — The New York Times Book Review " [An] impressive crime novel . . . Gordon ' s sharply drawn supporting cast adds a nice balance to all the action. " — Publishers Weekly (starred review) The Handbook of Tibetan Buddhist Symbols White Tiger on Snow Mountain When Yu Haoran woke up again, he had gone back to more than one hundred years ago, to the year he turned sixteen and his fate was ushered

Funstory

When Sam Kornberg's wife, Lala, walks out on him, he's an unemployed used-book store clerk and failed experimental novelist with a broken heart.

Desperate to win her back, he takes a job as assistant detective to the enigmatic Solar Lonsky,

a private eye who might be an eccentric and morbid genius or just a morbidly obese madman.

It's a simple tail job, following a beautiful and mysterious lady around L.A., but Sam soon finds himself helplessly falling for his quarry and hopelessly entangled in a murder case involving Satanists, succubi, underground filmmakers, Hollywood bigshots, Mexican shootouts, video-store geekery, and sexy doppelgangers from beyond the grave. A case that highlights the risks of hardcore reading and mourns the death of the novel--or perhaps just the decline of Western civilization.

Mystery Girl is a thriller about the dangers of marriage and a detective story about the unsolvable

mysteries of
love, art,
and other

thriller, a strip club bouncer working for a coalition of mob bosses must steal \$4 million in diamonds—twice. Ex-black-ops-specialist-turned-strip-club-bouncer Joe Brody has a new qualification to add to his resume: an alliance of New York City’s mob bosses has deemed him its “sheriff.” In the straight world, when you “see something” you “say something” to the law. In the bent world, they call Joe. Still reeling from a particularly difficult operation—and having plummeted back into the drug and alcohol addiction that got him kicked out of the military as a result—Joe has just managed to detox at the clinic of a Chinese herbalist when the mob bosses phone. They need Joe to help them swindle a group of opioid dealers (of all things). But these are no typical drug-ferrying gangsters. Little Maria, the head of the Dominican mob, has discovered that her new heroin suppliers belong to an al Qaeda splinter group, and that they’re planning to use their drug funds to back their terrorist agenda. With Joe in

command, the mob coalition must pull off an intricate heist that will begin in Manhattan's diamond district. At stake is not only their business, but the state of the world. For readers who like a liberal dose of humor mixed with gritty crime, *The Hard Stuff* is a brilliant, action-packed thriller from a fresh virtuoso of the crime caper genre. Praise for

The Hard Stuff "With *The Bouncer* (2018), Gordon established himself as a major player in comic thrillerdom, right up there with Thomas Perry . . . Much of Gordon's genius comes from his ability to build character in a few subtle brush strokes, so his entire cast . . . get under our skins in an instant and stay put. There are

some grisly doings this time, but the lightness of touch that distinguishes Gordon's prose, whether his characters are bantering or dismembering, is still what makes this series soar." —Booklist (starred review) "Highly entertaining. . . .
