Charlie Liebert was converted to Christ at age thirty-five from hardcore Atheism. Because he understands how Atheists think, he effectively spreads the gospel through dialogue with

unbelievers. Seeing many fellow Christians paralyzed by fear of not being able to answer their questions, he developed here direct, simple, Bible-based answers to those hard questions. In his first book, Always Be Ready to Give an Answer! he proposed a strategy to get to the gospel before answering those hard questions. Now its time to answer them! The four most common questions are: 1) Where did Cain get his wife? 2) What happens to a native in the jungle who never heard the gospel? Does he go to hell? 3) Why do bad things happen to good people? and 4) Materialists statements like: I only believe in what I can see. Faith is for fools! Everything is relative, there are no absolutes! These four questions are each answered in depth to give you firm confidence in your personal evangelism. Over one hundred more questions are answered simply and directly. The conflict between the Bibles Creation account and the Evolution taught in our schools is analyzed to increase your confidence. Your faith will be bolstered by these answers and the analysis of origins. You will be empowered in your witnessing and gain great confidence in your faith. Yes, there are answers to those hard questions! Become a fearless evangelist with real answers for the hope that is in you!
