On the eve of an interstellar war, a team of soldier-scientists sets out to investigate a newly discovered civilization that, if advanced enough, could be strategically important. While investigating the newly discovered planet, one man's suspicions are aroused. Unlike his home planet, which seems geologically dormant, this one is alive with earthquakes and volcanoes. Also unlike his home planet, there is evidence of humanoid evolution yet the civilization seems less advanced despite the fact that humanoid history on the new planet is much longer. An encounter with a more advanced race of beings that intervene in a destructive war that the visitors inadvertently start confirms his suspicions. He is also informed that his entire society as well as that of their sworn enemies is part of an elaborate experiment. This discovery shakes the very foundations of that society. After the Kimians subdue their long-time enemies, the Haldeans, they turn their military might toward the supposedly less advanced civilization only to find them a far more difficult adversary than they expected.

Charlie Liebert was converted to Christ at age thirty-five from hardcore Atheism. Because he understands how Atheists think, he effectively spreads the gospel through dialogue with unbelievers. Seeing many fellow Christians paralyzed by fear of not being able to answer their questions, he developed here direct, simple, Bible-based answers to those hard questions. In his first book, *Always Be Ready to Give an Answer!* he proposed a strategy to get to the gospel before answering those hard questions. Now its time to answer them! The four most common questions are: 1) Where did Cain get his wife? 2) What happens to a native in the jungle who never heard the gospel? Does he go to hell? 3) Why do bad things happen to good people? and 4) Materialists statements like: I only believe in what I can see. Faith is for fools! Everything is relative, there are no absolutes! These four questions are each answered in depth to give you firm confidence in your personal evangelism. Over one hundred more questions are answered simply and directly. The conflict between the Bibles Creation account and the Evolution taught in our schools is analyzed to increase your confidence. Your faith will be bolstered by these answers and the analysis of origins. You will be empowered in your witnessing and gain great confidence in your faith. Yes, there are answers to those hard questions! Become a fearless evangelist with real answers for the hope that is in you!
