NEW YORK TIMES
BESTSELLER For the
first time, Curtis "50

Cent" Jackson opens up about his amazing comeback—from tragic personal loss to thriving businessman and cable's highest-paid executive—in this unique self-help guide, his first since his blockbuster New York Times bestseller *The 50th Law*. In his early twenties Curtis Jackson, known as 50

Cent rose to the heights of fame and power in the cutthroat music business. A decade ago the multi-platinum selling rap artist decided to pivot. His ability to adapt to change was demonstrated when he became the executive producer and star of *Power*, a high-octane, gripping crime drama centered around a drug kingpin's family. The series quickly became "appointment" television, leading to Jackson inking a four-year, \$150 million contract with the Starz network—the most lucrative deal in premium cable history. Now, in his most personal book, Jackson shakes up the self-help category with his unique, cutting-edge lessons and hard-earned advice on embracing change.

Where *The 50th Law* tells readers "fear nothing and you shall succeed," *Hustle Harder, Hustle Smarter* builds on this message, combining it with Jackson's street smarts and hard-learned corporate savvy to help readers successfully achieve their own comeback—and to learn to flow with the changes that disrupt their own lives.

The author that brought black literature to the streets is back. Weaving stories of deceit, sex, humor and race Iceberg Slim, best-selling author of *Pimp*, brings us the story of a hustler who doesn't just play the con game, he transforms it.

This is the gritty truth, the

life of a hustler in south side Chicago where the only characters are those who con and those who get conned. Trick Baby tells the story of “White Folks,” a blue-eyed, light-haired, con-artist whose pale skin allows him to pass in the streets as a white man. Folks is tormented early in life, rejected by other children and branded a “Trick Baby,” the child conceived between a hooker and her trick. Refusing to abandon his life in the ghetto and a chance at revenge, Folks is taken under the wing of an older mentor, Blue. What happens next is not to be believed. Only Slim could bring us the story of a hustler, forced to learn the game and rise to the top. It’s Slim’s story and

he tells it in the only way he knows how, in the language of the streets. Street Players Constable 'Fabulously smart and entertaining . . .
