To Live in the Present, Let Go of the Past! Stop Being a Victim! Take Control of Your Life! Carol finds herself drawn to controlling, selfish men. She marries her college sweetheart, and her world spirals downward from there. Carol McKibben paints a picture of a women who has always allowed herself to be a victim, blaming others for her circumstances until one near-fatal night gives her the strength to take control of her own life... Every Night at Five Christian Faith Publishing, Inc.

Do you know that without faith, your existence has no place in God? Doubt's desire is to void your destiny with God. Until your faith is the same under all circumstances, there will still be room for doubt and anxiety in your life. How are you with His Word? Are you still wrestling with doubt, fear, anxiety, or unbelief? You need to urgently break the backbone of doubt and unbelief in your walk of faith. Doubt is a thief of your blessings and an enemy of your

destiny. Doubt and worry are offensive to God and spiritually oppressive to His children. The only way to change a person is to change the way he thinks and eats. Think on the Word and learn to eat His Word. About the Author Dr. Jacobs Obamedo is a graduate from the University of Nigeria-Nsukka with a bachelor of science degree in economics/sociology. He attended Hampstead Bible School-London and was pastor of Hither Green Gospel Assembly Lewisham in London, England. He holds a master's degree in theology from Lighthouse Christian College in Beebe, Arkansas, and a doctoral degree in theology from Christian Outreach Bible Institute College Seminary in Fayetteville, North Carolina. He is married to Felicia with four adult sprit-filled children.

This book is full of fun and verified facts, presented in an accessible manner that I hope will provide you with hours of entertainment. My objective has been to provide you with a lifetime supply of icebreakers and points of discussion. Amaze your friends and family by telling them that pistachios can combust spontaneously or that the holes in pen caps are there to save people from choking to death! Following the success of my site RaiseYourBrain, I decided to collect the best trivia gems and present you with a fact compendium suitable for a wide

audience. This is the product of years of sifting through history and references books on a myriad of subjects as well as searching the Internet and paying attention to the news. In 2016, I published "1123 Hard to Believe Facts," which was read by tens of thousands and accumulated hundreds of 5-star reviews on Amazon and GoodReads. As it has remained in the Top 10 of its category for almost two years now, I decided that another instalment was merited, this time with more illustrations and detailed explanations. This book is suitable for most audiences across the age spectrum. The "spiciest" entries are neatly separated in the chapter "Facts about human and animal sexuality." They remain factual and abstain from profanity. To my greatest delight, an avid reader of my website explained that he was preparing daily fact sheets for his son's lunch box. He prints out three facts every day to create some lunchtime fun for his child in the hope of sparking intellectual curiosity. I honestly wish my parents had done the same for me when I was a lad! **The Men From Undaunted** has five chapters. The first four chapters are about Abraham, Moses, Jesus, and Martin Luther. The fifth book tracks the influence of the English translation of the Bible on the emergence of parliamentary democracy. Thus the book's sub-title: - Patriarch, Prince, Prophet, Protester, Parliament. The book takes an original and historically accurate perspective on these well-known figures. It looks for alignment between the biblical record and extra-biblical sources. The book's methodology finds a via media between the extremes of "blind faith" and "disbelief". Out of these biographies are drawn life lessons, which are then blended and collated in an accessible way in the epilogue. From the past, this book distils a lot of practical lessons on how to deal with the present and future. These are called "ancient pathways to a sustainable future".

My wife and I love our sons unconditionally and equally. Talking with one of them about his atheism has brought me to a new dimension in my relationship with him, to a review of my own christian beliefs, to a more critical examination of the church, and to a different understanding of ministry in today's world. As personal as I make this all sound, my family represents a thousand families, a hundred thousand and more, who have sat in painful silence because religious differences have taken away their voice. They tire of confrontation, angry discussions, verse hurling and jabbing one another with theories over every conceivable divisive issue. It is a powerful idea that those who do not share our faith should know that we do, not so much in our argument as in our love. It is time to listen.

**Why I Believe the Bible** Nayden Kostov

This book is a multichapter introduction to spiritual formation within the Christian tradition. Corneliu C. Simu discusses spiritual formation from the views of several Christian thinkers, with a chapter devoted to each thinker. The concluding chapter notes common themes shared by each thinker. The author presents some key Patristic, Medieval, Early Modern, Modern, and Contemporary theologians in a way that is characterized by brevity, concision, and clarity. Thus, this small book is a useful introduction to spiritual formation from a Christian perspective. It would be helpful for a college student or young adult who seeks to be educated on the subject. The conciseness of the book is a benefit. Yet the book raises interesting questions for further pursuit. A very succinct – but comprehensive – historical presentation of sanctification through the lens of spiritual formation, a concept which has been revived in the past two decades, especially in Evangelical circles, this text is useful for a college course in spiritual formation or religion.

'Atheists for Jesus' is a short book that will;1. Outline the central historical facts about Jesus of Nazareth. 2. Explain how Jesus became the Christ of Christianity3. Offer some thoughts on how Christians can view the Christ of the gospels in a realistic and fruitful way in the 21st century. The purpose of the book is to assist atheists, and non-

Christians, to discuss 'Jesus the man' without becoming bogged down in pointless digressions into 'faith'.

Hi, my name is Cassie Louis, and the purpose of me writing my book is, I was diagnosed with the HIV virus five years ago. I must say, God has put on my heart, and he has also changed my heart so that I can help, change, and heal souls that are struggling with this same illness. Now I personally want to also help, change, and heal souls that are struggling with this illness. I know without a fact and without a doubt that many souls are suffering with the struggles of this illness. I know because I have come in contact with many, and they all state the same struggles as I have once had in my past. To your thought, my book is all about freeing the souls that is currently struggling and suffering today with the HIV virus and AIDS. And also I want to save the world with my healing and with my blessings. My book is stating to the victims that they can live again simply because they have stopped due to the fact of the stereotyping and the opinions of others in this world. My book will talk to their souls and their hearts. My book will put smiles on their faces. They will never frown again when relating to this illness, which is the HIV virus and AIDS. When they've read my book, they will laugh instead of always cry. When the victims read my book, they will then know and feel the security of God. They will say I am just fine only and just because God is in control and because he is going to allow me to live. As they read, the victims will recover from their pain and they will gain back the lives that they had lost. They will see the sunshine from the sun, and they will see the light from life again. But this time, it will be a different light. It will be the light of grace coming to rescue, save, and welcome them back into the life that they never thought they had, which is the spiritual life. The life where your experience pure happiness, joy, blessings, happy and cherished moments, peace, and much more. So when my book is and has changed and saved lives, then I will say to myself and to God that I have made a difference to the world. My heart will be contented, and also it will be at peace, knowing that I have indeed changed, saved and also healed the world. The Xlibris Publishing Company is my reason and also my synopsis of what my book is all about. And I want to thank you from my heart and my life for helping me accomplish this mission. Because overall, its about others and saving souls.

The pursuit of greatness is a mind stimulating piece that examines the path to achieve greatness. It sees greatness as a possibility that every person can achieve but there are principles to follow. In this book you will discover how Nature prepares a man for greatness and how it uses the dumb language to teach. There are many vehicles to use to attain greatness and some of the vehicles mentioned in this book are; Ideas, desire, belief, and action. The pursuit of greatness examines belief as a fundamental tool for greatness, because its only takes your belief to catapult you to any distance or height you so desire. The pursuit of greatness explains the stages of life impact. There are many people with about sixty years of age but there are still at stage Zero of life impact. Read the pursuit greatness and find out where you belong. The pursuit of greatness examines the laws of the universe and state exactly how you can use these laws to your advantage. Most people understand the common law of attraction and the law of cause and effect, but there many others including the law of use, the law plenty, the law of compensation and the "Divine" laws. The pursuit of greatness ends up with the Divine Law, acknowledging the God of the Universe as the ultimate power and the only source of power and belief for mankind. Dr. Bernard Etta will always say "you can't get further until you got a father". Above all you need a source of power for your belief; it's only he that possesses a source of power that can be resourceful. The pursuit of greatness is a source of power for the weak. It is fuel for a moving car. It is that enthusiasm you need, to push you to achieve your purpose on earth. To become a great achiever, you have to believe you can do it. Belief is the tool many used in the past and accomplished great works in life. There is nothing you will achieve without belief at work. It took belief for Christopher Columbus to discover America. The right brothers flew the first plane because they believed a metal object could fly. Many survived great difficulties of life and left their footprint in the sand of time because of their beliefs. This is a manual for the school of experience and reality. This book will empower you to dare the untraceable and believe the unbelievable. It will take you from where you are and place where you want to be. It will catapult you to that land you never dreamed possible. To be able to get result from this book, you need to believe and go for the impossible. Why Should I Believe You? Martino Fine Books In a world where everyone claims their own

personal philosophy about life and truth, what's yours? Do you really have one? Do you know whether it stands up to the scrutiny of reason? Proceed with caution. This book could change your view of life and your perception of the world around you.

Lord I Believe is an inspiring in-depth reflection of one man's search to live by faith alone in God. Through a fascinating blend of Scripture and personal experiences, Brian Byrne takes readers on a spiritual journey to not only learn what faith is but to learn what it means to live by faith every day. As a young man, Brian struggled to find true joy in his relationship with God. He attended church, led out in worship, and even served as a missionary in India, but the real joy that comes from loving God fully continued to elude him. Brian continued to struggle with his search to find joy until one night, while kneeling in prayer with his wife and a friend, God sent him the four words that would shape the rest of his life, "It is by faith." Those four small words sent Brian on an intense spiritual search to learn how to live every aspect of his life by faith in God. His search took him from examining what it meant for Jesus' twelve disciples to live by faith, to what it means to live by faith now, in the twenty-first century. Through intense biblical and real-life application, Lord I Believe proves to be an inspirational guide to those trying to live by faith in today's world.
