HarperChristian + ORM

An inspiring collection of the personal philosophies of a group of remarkable men and women Based on the National Public Radio series of the same name, This I Believe features eighty essayists—from the famous to the unknown—completing the thought that begins the book's title. Each piece compels readers to rethink not only how they have arrived at their own personal beliefs but also the extent to which they share them with others. Featuring a well-known list of contributors—including Isabel Allende, Colin Powell, Gloria Steinem, William F. Buckley Jr., Penn Jillette, Bill Gates, and John Updike—the collection also contains essays by a Brooklyn lawyer; a part-time hospital clerk from Rehoboth, Massachusetts; a woman who sells Yellow Pages advertising in Fort Worth, Texas; and a man who serves on the state of Rhode Island's parole board. The result is a stirring and provocative trip inside the minds and hearts of a diverse group of people whose beliefs—and the incredibly varied ways in which they choose to express them—reveal

the American spirit at its best.

Why Should Anyone Believe Anything at All? St. Martin's Griffin "In the blink of an eye, Mom ran up behind me and pushed me into the fence. Instinctively, I reached out my arms to stop my fall and ended up grabbing the live fence. My hands clamped around the thin wires, and my body collapsed to the ground as the electricity coursed through it. I opened my eyes and saw my mother standing over me with the strangest smile on her face. "Oh, my God, I'm going to die!" I thought in panic. Imagine never being able to close your eyes and remember the feel of your mother's arms wrapped around you. Now imagine closing your eyes and remembering your mother's tears splashing down on your face as she is on top of you, crying as she is trying to choke you to death. My mother left me these memories and many more during my traumatic childhood. After many years of struggling with trying to understand "Why Me?" I took back control of my life and started saying, "It was me, now what am I going to do?" The answer is my book, "Why Me?." It is my childhood journey through the terrors of physical and mental abuse from first grade until the day I moved out. It is my way of letting the world know what was really going on behind closed doors' -- Cover p. [4].

The New Answers Book 1 Baker Books

In My Home We Believe addresses important issues that children are learning about every day: What does Black Lives Matter mean? Why are women treated differently? Why do so many kids and their families have to leave their homes? How does science help? Why is water so important? What is love? How can I be kind to others? This book raises awareness and promotes respect, compassion, and empathy in a world of differing beliefs. With heartfelt illustrations and a beautiful

message, this book invites children to feel empowered in making the world a better place through greater knowledge, acceptance and kindness. Part of the proceeds from this book will be donated to various charities that support equality, climate change, education and to end poverty and hunger.

**Why People Don't Believe** Penguin

Truth is no longer based on reason. What we feel is now the truest reality. Yet despite our obsession with the emotive and the experiential, we still face anxiety, despair, and purposelessness. Tracing trends in twentieth century thought, Francis A. Schaeffer shows that Christianity offers meaning where there is purposelessness and hope where there is despair.

What Christians Believe Crossway

Reinvention strategist Marshawn Evans

Daniels delivers a practical and inspirational guide for women ready to reclaim their lives and discover a higher purpose, demonstrating that through disruption, life can become sweeter than you ever imagined—Believe Bigger is “ your most inspiring girlfriend in book form ” (Booklist). Marshawn Evans Daniels thought she was on the right path. She was an accomplished business woman and high-powered sports attorney ready to marry the man of her dreams—until she learned just days before a fairytale wedding that he was cheating on her. After this betrayal flipped her seemingly perfect world upside down, she found herself craving significance, not just success. Believe Bigger is about resilience, reclaiming your life, and discovering how God uses rejection, hardship, and unexpected circumstances to awaken something greater within...if you ' re willing to embrace disruption. You ' ll see her go from heartbroken and hitting rock bottom financially, to building a multi-million-dollar faith-centered enterprise and finding something super sweet along the way: a calling. Through Marshawn ' s own “ very compelling personal story of betrayal, heartbreak, and—in the end—healing ” (Faith Jenkins, TV personality and host of Judge Faith) will show you how you too can turn pain into purpose. Believe Bigger is “ a great guide to making seemingly impossible dreams a reality ” (Michelle McKinney Hammond, bestselling author). Whether you are drowning in self-doubt and regret, feeling stuck, or sensing a shift but unable to discern what ' s

next, Marshawn ' s Purpose Map outlining the 5 Stages of Divine Reinvention will give you insight into your true gifts and calling—and the courage to pursue them. You ' ll see that difficulties are not designed to devastate you, but to ignite the bigger dreams, life, love, and abundance you were destined for all along. Chemist and Christian Apologist Neil Shenvi Explores the Evidence for Christianity For centuries, skeptics have disputed the claims of Christianity—such as belief in an eternal God and the resurrection of Jesus Christ—arguing that they simply cannot be accepted by reasonable individuals. Furthermore, efforts to demonstrate the evidence and rational basis for Christianity through apologetics are often deemed too simplistic to be taken seriously in intellectual circles. Apologist and theoretical chemist Neil Shenvi engages some of the best contemporary arguments against Christianity, presenting compelling evidence for the identity of Jesus as portrayed in the Gospels, his death and resurrection, the existence of God, and the unique message of the gospel. Why Believe? calls readers from all backgrounds not only to accept Christianity as true, but also to entrust their lives to Christ and worship him alone. Accessible without Being Simplistic: Ideal for intellectuals and academics, as well as high school and college students Well-Researched: Interacts with skeptical arguments against Christianity and God's existence Biblical: Grounded in Scripture and centered on the claims of the gospel

The Hour I First Believed Thomas Nelson Newly revised! I Still Believe shares Jeremy Camp ' s journey of finding hope and healing through life ' s toughest moments and the songs that came from his journey that have inspired a generation. When Jeremy Camp lost his beloved wife Melissa just three months after their wedding, the last thing he wanted to do was sing praise to God. But even as he struggled through unimaginable grief and fought to hold on to his faith, God had other plans: Pick up your guitar. I have something for you to write. Jeremy obeyed, pouring out his heart, writing about the hope that God was still there, even in his deepest grief. The song he wrote that day, “ I Still Believe, ” has gone on to inspire millions around the world. This is the story behind that song and the movie that was inspired by it. It is an inside look at Jeremy ' s life—from his difficult childhood and teenage years to the tragic passing of Melissa at age 21 and the spiritual journey that followed. Searching for hope and healing inspired some of Jeremy ' s best-loved songs and led him, eventually, to find love again. This revised edition of I Still Believe includes: 3 new

chapters with updates on Jeremy ' s family and the film release 8-page color insert with photos from Jeremy ' s life Foreword by Bart Millard, singer/songwriter for MercyMe I Still Believe is a powerful, heart-wrenching memoir about the strength of undying love and the power of faith—a must-read for Jeremy Camp fans and an inspiring, encouraging read for anyone who has experienced loss.

The Idea of You Simon and Schuster

For anyone who feels caught in the tension between the beauty of God's story and the ugliness of human hypocrisy, Why I Still Believe offers a stirring story of hope. Why would anyone be a Christian when there is so much hypocrisy in the church? Mary Jo Sharp shares her journey as a skeptical believer who still holds to a beautiful faith despite wounding experiences in the Christian community. At a time when de-conversion stories have become all too common, this is an earnest response - the compelling conversion of an unlikely believer whose questions ultimately led her to irresistible hope. Sharp addresses her own struggle with the reality that God's people repeatedly give God's story a bad name and takes a careful look at how the current church often inadvertently produces atheists despite its life-giving message. For those who feel the ever-present tension between the beauty of salvation and the dark side of human nature, Why I Still Believe is a candid and approachable case for believing in God when you really want to walk away. With fresh and thoughtful insights, this spiritual narrative presents relevant answers to haunting questions like: Isn't there too much pain and suffering to believe? Is it okay to have doubt? What if Jesus' story is a copy of another story? Is there any evidence for Jesus' resurrection? Does atheism explain the human experience better than Christianity can? How can the truth of Christianity matter when the behaviors of Christians are reprehensible? At once logical and loving, Sharp reframes the gospel as it truly is: the good news of redemption. With firmly grounded truths, Why I Still Believe is an affirming reminder that the hypocrisy of Christians can never negate the transforming grace and truth of Christ.

Why I Believe Tor Science Fiction

Sean Murphy invites you back to the year 1971 to his early childhood in the south Boston suburbs, where he is exposed to the chilling secrets of the dark side of an unsuspecting Catholic priest. Sean and his sister Janie become perfect witnesses to untold stories of black magic and murder. Scare tactics, manipulation techniques and threats of their entire family being murdered keep the children from exposing the truth. Will the children survive this chaos? Based on a true story.

After You Believe Lake Union Publishing Part auto-biography and part expos é of Ken Daniels' experience and long time belief in Christianity and the questions and answers he's had to ask about with regard to the validity of Christian theories.

A Dream to Believe In Penguin

First published in 2007 with the title: I thought it was just me: women reclaiming power and courage in a culture of shame. Believe It to Receive It Zondervan More than a year after leaving her unfaithful husband, Renee Mattison is ready to move on, but how can she move on from someone who refuses to let go? Lorenzo Higgs is handsome and magnetic with a past that would send most women running, not to mention a little emotional baggage. Renee knows she should be afraid of Lorenzo, but the only thing that frightens her is the possibility of another broken heart. The two share an electric attraction and a smoldering chemistry, but will they learn to truly believe in each other enough to build a lasting love?

The Essentials Explained Master storyteller and essayist C. S. Lewis here tackles the central questions of the Christian faith: Who was Jesus? What did he accomplish? What does it mean for me? In these classic essays, which began as talks on the BBC during World War II, Lewis creatively and simply explains the basic tenets of Christianity. Taken from the core section of Mere Christianity, the selection in this gift edition provides an accessible way for more people to discover these timeless truths. For those looking to remind themselves of the things they hold true, or those looking for a snapshot of Christianity, this book is a wonderful introduction to the faith.

Everything Happens for a Reason Tommy Nelson Now with a new introduction for the Tor Essentials line, A Fire Upon the Deep is sure to bring a new generation of SF fans to Vinge's award-winning works. A Hugo Award-winning Novel! “ Vinge is one of the best visionary writers of SF today. ” -David Brin Thousands of years in the future, humanity is no longer alone in a universe where a mind's potential is determined by its location in space, from superintelligent entities in the Transcend, to the limited minds of the Unthinking Depths, where only simple creatures, and technology, can function. Nobody knows what strange force partitioned space into these "regions of thought," but when the warring Straumli realm use an ancient Transcendent artifact as a weapon, they unwittingly unleash an awesome power that destroys thousands of worlds and enslaves all natural and artificial intelligence. Fleeing this galactic threat, Ravna crash lands on a strange world with a ship-hold full of cryogenically frozen children, the only survivors from a destroyed space-lab. They are taken captive by the Tines, an alien race with a harsh medieval culture, and used as pawns in a ruthless power struggle. From the #1 New York Times bestselling creators of I Am Enough comes an empowering follow-up that celebrates every child's limitless potential. I Believe I Can is an affirmation for boys and girls of every background to love and believe in themselves. Actress and activist Grace Byers and artist Keturah A. Bobo return with another gorgeously illustrated new classic that's the perfect gift for baby showers, birthdays, or just for reading at home again and again. My presence matters in this world. I know I can do anything, if only I believe I can.

Believe It to Achieve It InterVarsity Press  
God. Whether one loves him, hates him, denies or defies him, it is hard to deny the worldwide fascination with God. This book explores why and suggests a personal response to the God Attachment in all of us. Why has the human race, the world over, been so fascinated with . . . some might say obsessed with . . . God? This built-in attachment to God crosses religious, political, ethnic, cultural, and generational barriers. Drs. Clinton and Straub reveal fascinating research about this worldwide phenomenon. From avoidant, anxious, and fearful to secure and personal, the range of responses to our internal attachment to God has a profound influence on the way we do relationships, intimacy, and life choices. With helpful self-assessments, intriguing questions, and surprising revelations, this book moves from worldwide statistics to personal challenge, offering the means to become securely attached to God in a way that can have positive effects on our attitudes, approach to life, and overall life satisfaction.

I Believe I Can New Leaf Publishing Group

From the author of The Art of Inheriting Secrets comes an emotional new tale of two sisters, an ocean of lies, and a search for the truth. Her sister has been dead for fifteen years when she sees her on the TV news... Josie Bianci was killed years ago on a train during a terrorist attack. Gone forever. It's what her sister, Kit, an ER doctor in Santa Cruz, has always believed. Yet all it takes is a few heart-wrenching seconds to upend Kit's world. Live coverage of a club fire in Auckland has captured the image of a woman stumbling through the smoke and debris. Her resemblance to Josie is unbelievable. And unmistakable. With it comes a flood of emotions--grief, loss, and anger--that Kit finally has a chance to put to rest: by finding the sister who's been living a lie. After arriving in New Zealand, Kit begins her journey with the memories of the past: of days spent on the beach with Josie. Of a lost teenage boy who'd become part of their family. And of a trauma that has haunted Kit and

Josie their entire lives. Now, if two sisters are to reunite, it can only be by unearthing long-buried secrets and facing a devastating truth that has kept them apart far too long. To regain their relationship, they may have to lose everything. A Fire Upon The Deep Harper Collins  
NEW YORK TIMES BESTSELLER • "A meditation on sense-making when there's no sense to be made, on letting go when we can't hold on, and on being unafraid even when we're terrified." —Lucy Kalanithi "Belongs on the shelf alongside other terrific books about this difficult subject, like Paul Kalanithi's When Breath Becomes Air and Atul Gawande's Being Mortal." —Bill Gates NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE  
Kate Bowler is a professor at Duke Divinity School with a modest Christian upbringing, but she specializes in the study of the prosperity gospel, a creed that sees fortune as a blessing from God and misfortune as a mark of God's disapproval. At thirty-five, everything in her life seems to point toward "blessing." She is thriving in her job, married to her high school sweetheart, and loves life with her newborn son. Then she is diagnosed with stage IV colon cancer. The prospect of her own mortality forces Kate to realize that she has been tacitly subscribing to the prosperity gospel, living with the conviction that she can control the shape of her life with "a surge of determination." Even as this type of Christianity celebrates the American can-do spirit, it implies that if you "can't do" and succumb to illness or misfortune, you are a failure. Kate is very sick, and no amount of positive thinking will shrink her tumors. What does it mean to die, she wonders, in a society that insists everything happens for a reason? Kate is stripped of this certainty only to discover that without it, life is hard but beautiful in a way it never has been before. Frank and funny, dark and wise, Kate Bowler pulls the reader deeply into her life in an account she populates affectionately with a colorful, often hilarious retinue of friends, mega-church preachers, relatives, and doctors. Everything Happens for a Reason tells her story, offering up her irreverent, hard-won observations on dying and the ways it has taught her to live. Praise for Everything Happens for a Reason "I fell hard and fast for Kate Bowler. Her writing is naked, elegant, and gripping—she's like a Christian Joan Didion. I left Kate's story feeling more present, more grateful, and a hell of a lot less alone. And what else is art for?" —Glennon Doyle, #1 New York Times bestselling author of Love Warrior and president of Together Rising  
Why Me? Random House  
Christians are increasingly challenged with evolutionary theories as the only models for the origins and history of the universe. But is there any valid scientifically testable alternative? Now available in trade paper, More Than a Theory offers a comprehensive, testable creation model. This fascinating book responds to the recent, well-publicized challenges from aggressive atheists who deny the existence of a Creator. It also reminds the scientific community of what constitutes good science and supplies Christians with the scientific information they need to defend their conviction that the Creator is the God of the Bible. Complete with appendices that put competing models for creation and/or evolution to the same kinds of

tests, More Than a Theory is a bold and brave work of apologetics that will stir profitable discussion in both the scientific and the religious realms. Hidden Treasures in the Book of Job (Reasons to Believe) Howard Books  
From the author of the acclaimed Simply Christian and Surprised by Hope comes a book that addresses the question that has plagued humans for centuries—what is our purpose? As Christians, what are we to do with that ambiguous time between baptism and the funeral? It's easy to become preoccupied with who gets into heaven; the real challenge is how we are going to live in the here and now. Wright dispels the common misconception that Christian living is nothing more than a checklist of dos and don'ts. Nor is it a prescription to "follow your heart" wherever it may lead. Instead, After You Believe reveals the Bible's call for a revolution—a transformation of character that takes us beyond our earthly pursuit of money, sex, and power into a virtuous state of living that allows us to reflect God and live more worshipful, fulfilling lives. We are all spiritual seekers, intuitively knowing there is more to life than we suspect. This is a book for anyone who is hoping there is something more while we're here on Earth. There is. We are being called to join the revolution, and Wright insightfully encourages readers to find new purpose and clarity by taking us on an eye-opening journey through key biblical passages that promise to radically alter the work of the church and the direction of our lives.
