The End of Reason Abingdon Press

The great evangelist, Ravi Zacharias, had been a pretender for decades. He had built an international reputation for himself as a polished scholar and an apostle to the Academy by claiming academic credentials that he did not have. His Christian business colleagues remained silent. But then Ravi Zacharias had an online affair with a married woman. On October 29, 2016, she informed him that she would confess the affair to her husband. The evangelist responded by threatening suicide. And he did so in writing. Word of the famous preacher's suicide threat began to leak out. Zacharias's cover was about to blow. And when it

did it would expose not just another corrupt clergyman but also cynicism and unbelief at the highest levels of God, Inc. Zacharias was desperate. On July 31, 2017, he filed a federal lawsuit against the woman. Four months later he settled that lawsuit on terms that required the parties to remain silent about what had happened between them. He had, it seemed, resecured his cover. This book blows that cover.

In Spirit and In Truth Multnomah

Who is Jesus Christ? You've never met Him in person, and you don't know anyone who has. But there is a way to know who he is. How? Jesus Christ - the divine Person revealed in the Bible - has a unique excellence and a spiritual beauty that speaks directly to our souls and says, "Yes, this is truth." It's like seeing the sun and knowing that it is light, or tasting honey and knowing that it is sweet. The depth and complexity of Jesus shatter our simple mental frameworks. He baffled proud scribes with his wisdom but was understood and loved by children. He calmed a raging storm with a word but would not get himself down from the cross.

Look at the Jesus of the Bible. Keep your eyes open, and fill them with the portrait of Jesus in God's Word. Jesus said, "If anyone's will is to do God's will, He will know whether the teaching is from God or whether I am speaking on my own authority." Ask God for the grace to do His will, and you will see the truth of His Son. John Piper has written this book in the hope that all will see Jesus for who he really is and will come to enjoy him above all else.

Beauty Will Save the World Moody Publishers

How well do you know Jesus? I think about this often, and I always come to the same realization. I don't know Jesus anywhere near as well as I would like to know him. The desire is there, but life gets in the way. There are times when I seem to be making great progress, and other times when I wonder if I know him at all. But I always arrive back at the same inspiring and haunting idea: If there is one person that we should each get to know in a deeply personal way, it is Jesus the carpenter from Nazareth, the itinerant preacher, the Son of God, the King of Kings and the Lord of Lords, the Lamb of God, the new Adam, the Messiah, the Alpha and the Omega, the Chosen

One, the Light of the World, the God-Man who wants good things for us more than we want them for ourselves, the healer of our souls. The best time to rediscover Jesus is right now. You are holding this book in your hand at this very moment for a reason. I don't know what God has in store for you, but I am excited for you.

Who Made God? Simon and Schuster

When Jesus left the most exclusive gated community in the universe to come live with the people he loved and gave his life for, he turned everything we know and believe about life on its head. Jesus said that he came to bring good news to the poor, but most Western Christians remain disconnected and isolated from the poor and their contexts of injustice. Even our churches echo society's pressure to isolate ourselves from the margins (e.g. by moving to a better suburb) and instead teach us how to be "nice people" who worship a "nice Jesus" and don't disrupt the status

quo. Convinced that Jesus places love for the poor and the pursuit of justice central, Craig Greenfield has sought to follow in Christ's footsteps by living among people at the edges of society for the last fourteen years. His quest to follow this Subversive Jesus has taken Craig and his young family from the slums of Asia to inner city Canada and back again. This is the story of how Jesus led them to the margins: initiating the Pirates of Justice flash mobs, sharing their home with detoxing crackheads, welcoming homeless panhandlers and prostitutes to the dinner table, and ultimately sparking a movement to reach the world's most vulnerable children. This book is a strong and potentially controversial critique of the status quo too often found in our churches, but it offers an inspirational and hopeful vision of another way. While readers may not relocate to a slum, they will certainly come to view their lives and ministry through a fresh lens—reconsidering how they are uniquely called by Jesus to subversively love the poor and break down

systems of injustice in their sphere of influence.

Can Man Live Without God FaithWords

The award-winning author of Grateful goes beyond the culture wars to offer a refreshing take on the comprehensive, multi-faceted nature of Jesus, keeping his teachings relevant and alive in our daily lives. How can you still be a Christian? This is the most common question Diana Butler Bass is asked today. It is a question that many believers ponder as they

wrestle with disappointment and disillusionment in their church and its leadership. But while many Christians have left their churches, they cannot leave their faith behind. In *Freeing Jesus*, Bass challenges the idea that Jesus can only be understood in static, one-dimensional ways and asks us to instead consider a life where Jesus grows with us and helps us through life's challenges in several capacities: as Friend, Teacher, Savior, Lord, Way, and Presence. *Freeing Jesus* is an invitation to leave the religious wars behind and rediscover Jesus in all his many manifestations, to experience Jesus beyond the narrow confines we have built around him. It renews our hope in faith and worship at a time when we need it most.

[The Broken Promise](#) Thomas Nelson

When you pray, are you talking to a God who exists? Or is God nothing more than your "imaginary friend," like a playmate contrived by a

lonely and imaginative child? When author Sam Harris attacked Christianity in *Letter to a Christian Nation*, reviewers called the book "marvelous" and a generation of readers--hundreds of thousands of them--were drawn to his message. Deeply troubled, Dr. Ravi Zacharias knew that he had to respond. In *The End of Reason*, Zacharias underscores the dependability of the Bible along with his belief in the power and goodness of God. He confidently refutes Harris's claims that God is nothing more than a figment of one's imagination and that Christians regularly practice intolerance and hatred around the globe. If you found Sam Harris's *Letter to a Christian Nation* compelling, the book you are holding is exactly what you need. Dr. Zacharias exposes "the utter bankruptcy of this worldview." And if you haven't read Harris's book, Ravi's response remains a powerful, passionate, irrefutably sound set of arguments for Christian thought. The clarity and hope in these pages reach out to readers who know and follow God as well as to those who

reject God.

Rediscovering Jesus Inter-Varsity Press

Many people consider themselves Christian, while everything in their life speaks of an un-Christlike existence, using the world's measurement of right and wrong rather than the black and white truths found in the Bible. Author A.J. Hawks' book, *Living in a Grey World: Rediscovering the Black and White Truth of the Word* is a call to arms against this kind of diluted, a la carte Christianity. Using Scripture as the basis for each argument, he goes head-to-head with the controversial issues prevalent in society today, proving that in order to be a Christian, you cannot just talk the talk, but must be willing to truly walk the walk. *Living in a Grey World: Rediscovering the Black and White Truth of the Word* addresses a variety of topics on the sin spectrum, from gossip and lying to sex, drugs, and homosexuality. Hawks speaks out to his fellow generation and asks: How do we manage to justify behavior that the Bible clearly outlines as

sinful? How do we continually fail in our pursuit of the 'What Would Jesus Do' lifestyle? *Living in a Grey World* invites readers to get real with themselves, taking an honest look at their lives in comparison to the lives they as Christians are called to lead.
