God and the Gay Christian Convergent

There's no way other women are struggling sexually like I am. Who could I even talk to about this? Isn't this a guy's issue? For too long, Christian women have assumed they're outliers in their sexual struggles. This assumption (along with shame) often keeps them silent, leaving them to face the battle all by themselves. But if any of this sounds familiar, you're not the only one. Whether your struggles take the form of masturbation, pornography, same sex attraction, or sexual fantasies, it's not just you. These temptations are common not only for men in the church, but many women, too. So how do we fight against sexual sin as women? What do we do when there's a disconnect between what the Bible says and how we live and feel? Or, if we lead a woman struggling in this way, how do we aid her in the battle? Written from the trenches of ministering to young women, young adult minister Ashley Chesnut explores why sexual sin is "sin" in the first place, what sex really is, and how Scripture speaks into topics like masturbation, oral sex, and sex robots—even when those words aren't found in the Bible. God has already won the war against sin, and as you examine His Word along with Ashley, you'll be equipped to battle against sexual sin and to aid other sisters in the fight. No, it's not just you. And yes, you can take steps toward victory. Right now.

Untrue Haymarket Books

Can purity survive real-world temptation? "True love waits"--but what exactly are you waiting for? After all, we're constantly bombarded with Hollywood's idea of romance--that sex is no big deal, that everyone is doing it, that it's the only path to a happy ending. Maybe you've even begun to wonder, What am I missing? Is the wait really worth it? Marian Jordan Ellis has been there. She knows the pitfalls of giving in to temptation--but also the blessings of God's best found in waiting after she committed herself to Christ and to sexual purity. Now, from one Christian woman to another, she hopes to spare you from the heartache of sexual sin and instead point you toward God's best. Marian offers lots of practical advice, backed by biblical truth, to equip you with the tools to overcome past mistakes and future temptations. You are cherished. Whether you are happily single, casually dating, or have found "the one," your purity is worth fighting for.

Why I Am Not a Feminist Univ of North Carolina Press

The #1 New York Times bestselling WORLDWIDE phenomenon Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | Independent (London) Ten Best Books of the Year "A feel-good book guaranteed to lift your spirits."—The Washington Post The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of How To Stop Time and The Comfort Book. Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better? In The Midnight Library, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

Why Not Women? The Pilgrim Press

“An authoritative guide to help women navigate the workplace and their everyday life with

greater success and impact” (Forbes). So, you've earned a seat at the table. What happens next? We all face hard decisions every day—and the choices we make, and how others perceive them, can be life changing. There are countless books on how to make those tough calls, but How Women Decide is the first to examine a much overlooked truth: Men and women reach verdicts differently, and often in surprising ways. Stress? It makes women more focused. Confidence? Caution can lead to stronger resolutions. And despite popular misconceptions, women are just as decisive as men—though they may pay for it. Pulling from the latest science on decision-making, as well as lively stories of real women and their experiences, cognitive scientist Therese Huston teaches us how we can better shape our habits, perceptions, and strategies, not just to make the most of our own opportunities, but to reform the culture and bring out the best results—regardless of who's behind them. Mean Girls at Work: How to Stay Professional When Things Get Personal HMM The role of women in the church is more hotly debated today than ever. Christians on all sides of the issue often turn to the apostle Paul ’ s words in 1 Timothy to justify their position, arguing over the meaning and application of this challenging passage. Now in its third edition, this classic exposition of 1 Timothy 2:9 – 15 includes contributions by Thomas Schreiner, Andreas K ö stenberger, Robert Yarbrough, Rosaria Butterfield, and others, walking readers through the biblical text with careful exegesis, sound reasoning, and a keen awareness of the implications for men and women in the church. Academically rigorous yet pastorally sensitive, this book offers Christians a helpful overview of Paul ’ s teaching related to how men and women are to relate to one another when it comes to authoritative teaching in the local church. Includes a new preface, a new conclusion, four updated chapters, and two all-new chapters.

It's Not You It's the Workplace McGraw Hill Professional

You can't make the world fair, but you can take back your power. As a woman in Silicon Valley who worked her way to the top of the corporate ladder--she's a former VP at Facebook and the current president and CEO of Ancestry--Deborah Liu knows firsthand the challenges and obstacles in the workplace that keep the deck stacked against women in the workplace . . . and the ways to overcome them. For every woman who grew up competing on the uneven playing field, who is told she is too aggressive, assertive, dramatic, or emotional, this book is the battle cry you need to learn to thrive within the system that exists today, even if it's not the one we wish it were. Take Back Your Power presents both hard data and Liu's personal experiences from twenty years as a woman leader in the male-dominated tech industry to help you: Find your voice, learn how to ask, and achieve what you want in a system that isn't fair and wasn't created for you Debunk the negative connotations of "power" and harness it for your own success Discover how to be heard, seen, and taken more seriously at work by getting out of your own way Overcome the lie that success is only achieved alone by finding the four types of allies you need to reach your goals Become a great leader without losing yourself in the process You have the power to change the future of work for yourself--and for women everywhere.

Women, the New York School, and Other True Abstractions Feiwei & Friends

An investigation into the societal impact of intelligent, high-achieving women who are honing traditional homemaking skills traces emerging trends in sophisticated crafting, cooking and farming that are reshaping the roles of women.

The Midnight Library University of Iowa Press

#1 NEW YORK TIMES BEST SELLER • In this urgent, authoritative book, Bill Gates sets out a wide-ranging, practical—and accessible—plan for how the world can get to zero greenhouse gas emissions in time to avoid a climate catastrophe. Bill Gates has spent a decade investigating the causes and effects of climate change. With the help of experts in the fields of physics, chemistry, biology, engineering, political science, and finance, he has focused on what must be done in order to stop the planet's slide to certain environmental disaster. In this book, he not only explains why we need to work toward net-zero emissions of greenhouse gases, but also details what we need to do to achieve this profoundly important goal. He gives us a clear-eyed description of the challenges we face. Drawing on his understanding of innovation and what it takes to get new ideas into the market, he describes the areas in which technology is already helping to reduce emissions, where and how the current technology can be made to function more effectively, where breakthrough technologies are needed, and who is working on these essential innovations. Finally, he lays out a concrete, practical plan for achieving the goal of zero emissions—suggesting not only policies that governments should adopt, but what we as individuals can do to keep our government, our employers, and ourselves accountable in this crucial enterprise. As Bill Gates makes clear, achieving zero emissions will not be simple or easy to do, but if we follow the plan he sets out here, it is a goal

firmly within our reach.

Ordaining Women Post Hill Press

Maggie Nelson provides the first extended consideration of the roles played by women in and around the New York School of poets, from the 1950s to the present, and offers unprecedented analyses of the work of Barbara Guest, Bernadette Mayer, Alice Notley, Eileen Myles, and abstract painter Joan Mitchell as well as a reconsideration of the work of many male New York School writers and artists from a feminist perspective.

The Crane Wife Baker Books

The narratives around women at midlife and older are more than just sexist and ageist; they ’ re damaging to women ’ s physical, emotional, financial, romantic, and sexual health. This book will help women break through those tired and hurtful stereotypes to better reflect who they are, how they live, and what they want as they age.

Not Counting Women and Children W. W. Norton & Company

The National Book Critics Circle Award – winning author delivers a collection of essays that serve as the perfect “ antidote to mansplaining ” (The Stranger). In her comic, scathing essay “ Men Explain Things to Me, ” Rebecca Solnit took on what often goes wrong in conversations between men and women. She wrote about men who wrongly assume they know things and wrongly assume women don ’ t, about why this arises, and how this aspect of the gender wars works, airing some of her own hilariously awful encounters. She ends on a serious note— because the ultimate problem is the silencing of women who have something to say, including those saying things like, “ He ’ s trying to kill me! ” This book features that now-classic essay with six perfect complements, including an examination of the great feminist writer Virginia Woolf ’ s embrace of mystery, of not knowing, of doubt and ambiguity, a highly original inquiry into marriage equality, and a terrifying survey of the scope of contemporary violence against women. “ In this series of personal but unsentimental essays, Solnit gives succinct shorthand to a familiar female experience that before had gone unarticulated, perhaps even unrecognized. ” —The New York Times “ Essential feminist reading. ” —The New Republic “ This slim book hums with power and wit. ” —Boston Globe “ Solnit tackles big themes of gender and power in these accessible essays. Honest and full of wit, this is an integral read that furthers the conversation on feminism and contemporary society. ” —San Francisco Chronicle “ Essential. ” —Marketplace “ Feminist, frequently funny, unflinchingly honest and often scathing in its conclusions. ” —Salon

Women are Not Small Men Penguin

Four young Black sisters come of age during the American Civil War in So Many Beginnings, a warm and powerful YA remix of the classic novel Little Women, by national bestselling author Bethany C. Morrow. North Carolina, 1863. As the American Civil War rages on, the Freedpeople's Colony of Roanoke Island is blossoming, a haven for the recently emancipated. Black people have begun building a community of their own, a refuge from the shadow of the "old life." It is where the March family has finally been able to safely put down roots with four young daughters: Meg, a teacher who longs to find love and start a family of her own. Jo, a writer whose words are too powerful to be contained. Beth, a talented seamstress searching for a higher purpose. Amy, a dancer eager to explore life outside her family's home. As the four March sisters come into their own as independent young women, they will face first love, health struggles, heartbreak, and new horizons. But they will face it all together. Praise for So Many Beginnings: A Little Women Remix "Morrow ’ s ability to take the lingering stain of slavery on American history and use it as a catalyst for unbreakable love and resilience is flawless. That she has remixed a canonical text to do so only further illuminates the need to critically question who holds the pen in telling our nation ’ s story." —Booklist, starred review "Bethany C. Morrow's prose is a sharpened blade in a practiced hand, cutting to the core of our nation's history. ... A devastatingly precise reimaging and a joyful celebration of sisterhood. A narrative about four young women who unreservedly deserve the world, and a balm for wounds to Black lives and liberty." —Tracy Deonn, New York Times-bestselling author of Legendborn "A tender and beautiful retelling that will make you fall in love with the foursome all over again." —Tiffany D. Jackson, New York Times-bestselling author of White Smoke and Grown

The Handmaid's Tale B&H Publishing Group

#1 NEW YORK TIMES BESTSELLER! The women of the Bible lived timeless stories—by examining them, we can understand what it means to be a woman of faith. People unfamiliar with Scripture often assume that women play a small, secondary role in the Bible. But in fact, they were central figures in numerous Biblical tales. It was Queen Esther ’ s bravery at a vital point in history which saved her entire people. The Bible contains warriors like Jael, judges like Deborah, and prophets like Miriam. The first person to witness Jesus ’ resurrection was Mary Magdalene, who promptly became the first Christian evangelist, eager to share the news which would change the world forever. In The Women of the Bible Speak, Fox News Channel's Shannon Bream opens up the lives of

sixteen of these Biblical women, arranging them into pairs and contrasting their journeys. In pairing their stories, Shannon helps us reflect not only on the meaning of each individual ’ s life, but on how they relate to each other and to us. From the shepherdesses of ancient Israel who helped raise the future leaders of the people of God, to the courageous early Christians, the narrative of the Bible offers us many vivid and fascinating female characters. In their lives we can see common struggles to resist bitterness, despair, and pride, and to instead find their true selves in faith, hope, and love. In studying these heroes of the faith, we can find wisdom and warnings for how to better navigate our own faith journeys. The Women of the Bible Speak outlines the lessons we can take from the valor of Esther, the hope of Hannah, the audacity of Rahab, and the faith of Mary. In broadening each woman ’ s individual story, Shannon offers us a deeper understanding of each, and wisdom and insights that can transform our own lives today.

Not Done Yet! Nicholas Brealey

B. T. Roberts saw the exclusion of women from ordination as analogous to racism. His ability to see the new community made possible by Christ offers Christians today a prophetic vision of the difference Christ makes. Roberts's 1891 Ordaining Women takes seriously the scriptural promise that Christ has unmasked the false distinctions and repaired the damaged social arrangements of this world. Like the abolition of slavery, the ordination of women becomes yet another obvious sign of the world made new in Christ. With careful attention to biblical interpretation, church tradition, and empirical evidence, Roberts exposes the biases that have long held captive the Christian imagination. In this new edition, Benjamin Wayman offers an updated and fully annotated version of Roberts's original work and demonstrates the breadth and depth of his analysis. Roberts's vision of the gospel challenges the traditional and still-dominant view of the global church, and invites Christians to reimagine the inclusion of women in ordained ministry. If Christians had for so long been wrong about race, might we today be wrong about gender? Men Explain Things to Me Createspace Independent Publishing Platform

#1 NEW YORK TIMES BESTSELLER • From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American— “ in losing her mother and cooking to bring her back to life, Zauner became herself ” (NPR). • **CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BESTSELLER LIST** In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother’s particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother’s tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother’s diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner’s voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, Crying in H Mart is a book to cherish, share, and reread.

The Curious Feminist Vintage

In this collection of lively essays, Cynthia Enloe makes better sense of globalization and international politics by taking a deep and personal look into the daily realities in a range of women's lives. She proposes a distinctively feminist curiosity that begins with taking women seriously, especially during this era of unprecedented American influence. This means listening carefully, digging deep, challenging assumptions, and welcoming surprises. Listening to women in Asian sneaker factories, Enloe reveals, enables us to bring down to earth the often abstract discussions of the global economy. Paying close attention to Iraqi women’s organizing efforts under military occupation exposes the false global promises made by officials. Enloe also turns the beam of her inquiry inward. In a series of four candid interviews and a new set of autobiographical pieces, she reflects on the gradual development of her own feminist curiosity. Describing her wartime suburban girlhood and her years at Berkeley, she maps the everyday obstacles placed on the path to feminist consciousness—and suggests how those obstacles can be identified and overcome. The Curious Feminist shows how taking women seriously also challenges the common assumption that masculinities are trivial factors in today’s international affairs. Enloe explores the workings of masculinity inside organizations as diverse as the American military, a Serbian militia, the UN, and Oxfam. A feminist curiosity finds all women worth thinking about, Enloe claims. She suggests that we pay thoughtful attention to women who appear complicit in violence or in the oppression of others, or too cozily wrapped up in their relative privilege to inspire praise or compassion. Enloe’s vitality, passion, and incisive wit illuminate each essay. The Curious Feminist is an original and timely invitation to look at global politics in an entirely different way.

Women in the Church (Third Edition) HarperCollins

One of the New York Post’s Top 10 Career Books of 2012 and a Booklist Top 10 Business Book **DO YOU WORK WITH A MEAN GIRL?** A woman ’ s field guide to the new frontier of professional development—working with other women Women-to-women relationships in the workplace are . . . complicated. When they ’ re good, they ’ re great. But when they ’ re bad, they can ruin your day, your week—even your year. Packed with proven advice from two of today ’ s leading experts in workplace

relationships, this one-of-a-kind guide gives women the tools they need to navigate difficult situations unique to women-to-women relationships—whether with a boss, a colleague, a client, or an employee. Have you dealt with a woman in the workplace who: “ Accidentally ” excludes you from important meetings? Seems intent on taking you down professionally? Gossips about you with other coworkers? Makes you look bad by missing deadlines? Forms a “ pack ” of mean girls to make your life miserable? Mean Girls at Work isn ’ t just about surviving difficult situations. It ’ s about transforming a toxic relationship into one that benefits and supports both of you. This book is also for women who engage in mean behavior . . . but don ’ t know it. After all, who hasn ’ t gossiped about a female coworker? Who hasn ’ t rolled her eyes in the presence of a woman she doesn ’ t like? Who hasn ’ t scanned another woman head to toe—which is just a nonverbal way of saying, “ You ’ ve just been judged ” ? The authors provide invaluable advice to the more subtle ways of being mean—even if they ’ re not intended. With a workforce composed of a higher percentage of women than ever, workplace dynamics have changed. Crowley and Elster cover every conceivable scenario, providing critical advice on how to rise above the fray and move forward professionally. Mean Girls at Work is your map to dodging the mines and moving forward in today ’ s transformed workplace. Praise for Mean Girls at Work “ An invaluable suit of armor for surviving nine to five! ” —Leil Lowndes, bestselling author of How to Talk to Anyone “ If you think the emotional cruelty of comedies like Mean Girls and Heathers doesn ’ t exist in the real world workplace, think again. In Mean Girls at Work, Katherine Crowley and Kathi Elster valuably chronicle female vs. female predators and offer solid defensive strategies. ” —Ann Kreamer, author of It ’ s Always Personal: Navigating Emotion in the New Workplace “ Whether you are in your twenties and just starting your professional career, your midcareer forties, when you are supposed to have figured it out already, or a woman in her fifties or sixties who ’ s seen it all—this book is a must-read. . . . The authors have finally given women the tools and the sound advice necessary to deal with . . . conflicts that keep us all from succeeding. . . . Carry this book with you to work every day! ” —Carolyn Cassin, President, Michigan Women ’ s Foundation “ A must-read for women of all ages in today ’ s workforce. This book offers what we all need to develop the capacities to endure this ever-changing workplace. We know it is all about relationships and you need the skills outlined in this book to survive and thrive when the Mean Girls attack. ” —Kim Harrington, Coordinator, Professional Development and Training, Office of Human Resources, California State University, Sacramento

How Women Decide Cornell University Press

Millions of believers are hungry for an uncompromising look at the roles of women in missions, ministry, and leadership. This book brings light, not just more heat, to the church's crucial debate through- historical and current global perspectives- a detailed study of women in Scripture- an examination of the fruit of women in public ministry- a powerful revelation of what's at stake for women, men, the body of Christ, God's kingdom, and the unreached

The Feminine Mystique Page Two

"In the year 2018, it seems as if women's anger has suddenly erupted into the public conversation. But long before Pantsuit Nation, before the Women’s March, and before the #MeToo movement, women's anger was not only politically catalytic--but politically problematic. The story of female fury and its cultural significance demonstrates the long history of bitter resentment that has enshrouded women's slow rise to political power in America, as well as the ways that anger is received when it comes from women as opposed to when it comes from men"--

How to Avoid a Climate Disaster HarperCollins

WINNER OF THE 2020 CONNECTICUT BOOK AWARD FOR NONFICTION AND NAMED ONE OF THE BEST BOOKS FOR BOOK CLUBS IN 2021 BY BOOKBROWSE "Perkins makes the story of these early and unwitting feminist pioneers come alive against the backdrop of the contemporaneous civil rights and anti-war movements of the 1970s, and offers observations that remain eerily relevant on U.S. campuses today."—Edward B. Fiske, bestselling author of Fiske Guide to Colleges "If Yale was going to keep its standing as one of the top two or three colleges in the nation, the availability of women was an amenity it could no longer do without." In the winter of 1969, from big cities to small towns, young women across the country sent in applications to Yale University for the first time. The Ivy League institution dedicated to graduating "one thousand male leaders" each year had finally decided to open its doors to the nation’s top female students. The landmark decision was a huge step forward for women's equality in education. Or was it? The experience the first undergraduate women found when they stepped onto Yale's imposing campus was not the same one their male peers enjoyed. Isolated from one another, singled out as oddities and sexual objects, and barred from many of the privileges an elite education was supposed to offer, many of the first girls found themselves immersed in an overwhelmingly male culture they were unprepared to face. Yale Needs Women is the story of how these young women fought against the backward-leaning traditions of a centuries-old institution and created the opportunities that would carry them into the future. Anne Gardiner Perkins's unflinching account of a group of young women striving for change is an inspiring story of strength, resilience, and courage that continues to resonate today.
