Patrick Lencioni restoring its  
laid out a groundbreaking  
groundbreaking approach for  
tackling the perilous group  
behaviors that destroy  
teamwork. Here he turns  
his focus to the individual,  
revealing the three  
indispensable virtues of an  
ideal team player. In *The  
Ideal Team Player*,  
Lencioni tells the story of  
Jeff Shanley, a leader  
desperate to save his  
uncle's company by

cultural commitment to  
teamwork. Jeff must crack the  
code on the virtues that  
real team players  
possess, and then build a  
culture of hiring and  
development around those  
virtues. Beyond the fable,  
Lencioni presents a  
practical framework and  
actionable tools for identifying,  
hiring, and developing  
ideal team players. Whether

you're a leader  
trying to create a culture  
around teamwork, a  
staffing professional  
looking to hire real team  
players, or a team player  
wanting to improve  
yourself, this book will prove  
to be as useful as it is  
compelling. *Getting the
