Princess Penelope
Pineapple, who knows
how to get the job
done while staying
true to herself.
Princess Penelope
lives in a beautiful
palace with a closet full
of beautiful dresses.
But being a princess is
much, much more

than beauty. In fact, every morning Princess Penelope runs right past her frilly dresses to choose from her beloved collection of pants! What she wears each day depends on which job she has to do. Will she command the royal air force sporting her sequined flight suit? Will she find her zen in her yoga pants and favorite tee? Or, will she work in the kingdom's vegetable garden with pocketed overalls for all of her tools? Unfortunately for Princess Penelope, not everyone in the Pineapple Kingdom thinks pants are always appropriate princess attire. When the grand Lady Busyboots demands that Princess Penelope must wear a gown to the annual Pineapple Ball, the young royal finds a clever way to express

herself. Penelope's courage (and style choices) result in her saving the day! In their debut children's picture book, Savannah Guthrie and Allison Oppenheim team up for a savvy and imaginative story that celebrates fashion and girl power. Perfect for fans of Nickelodeon's Nella the Princess Knight, Princesses Wear Pants challenges gender stereotypes in the name of individuality, showing girls it's not how they look but what they do that matters.
