!!!THE NEW POINT GUIDE

2023!!!

This is the most
comprehensive and only detailed guide you
will find. This guide to LEGO Marvel Super
Heroes contains complete walkthrough,
describing every single mission in the main
(and bonus) campaign, with specific solution
to all important fights and riddles. Text is
reader-friendly: players, who are not
common with the LEGO genre should look
to the Overall hints part, created especially
for them. Nevertheless, more hard-core
users can read chapters Finishing the game
in 100% and Deadpool bonus missions,
which are more advanced. Notice that
separate chapters of the text focuses on the
duels with the bosses and fighting tactics!
Furthermore, guide contains description of
all collectibles: minikits, comic books, gold
bricks, character tokens and Deadpool red
bricks. In this compendium you can also find
useful information about every Stan Lee in
Peril location - both in campaign missions
and in the New York city area. Every
playable character in the game was
described in detail - which applies not only
for superheroes, but for arch villains and
common people too. Separate parts of the
text focuses on the vehicles and different
ways to seize them. In this guide you will

also find a lot of interesting, useful and transparent maps, which are referring to every significant part of the game (eg. collectables, characters, locations). We hope you will enjoy them!
