The Silent Selkie describes a character who is unable to communicate in words and whose only way of communicating is through the weather, which leads to disastrous consequences not only for the Selkie, but also for

everyone around her. But behind her golden scales, the Selkie hides a secret wound that even she is unaware of, and it is only when the Selkie's skin becomes uncovered by the force of the sea that she remembers the terrible story of what caused her hurt, long ago. Only then can the Selkie come to terms with her wound and begin a journey of healing that will bring her face-to-face with what she has needed all along. Beautifully illustrated and sensitively written, *The Silent Selkie* deals with the effects of

trauma on a young person – including hypersensitivity and emotional reactivity. The story uses the metaphor of trauma as a 'hidden wound', which in reality is an emotional or psychological pain that needs both acknowledgement and expression, within the context of a safe, supportive environment, in which to begin to heal. This colourful storybook: Helps adults provide a safe environment for children to use non-verbal expression to communicate experiences that may be

difficult to talk about. Uses creative metaphors and symbols to offer children a supportive way to communicate, whilst maintaining a safe distance from the source of their emotional pain. Inspires and empowers children to begin their journey of healing. *The Silent Selkie* encourages young people who may have adverse childhood experiences or trauma to develop greater understanding of how this can affect them and is ideal reading for those working with vulnerable children and young

people seeking to use the expressive arts to develop greater emotional literacy in children with a background of trauma. For effective use, this book should be purchased alongside the guidebook. Both books can be purchased together as a set, *Supporting Children and Young People Who Have Experienced Trauma*, 978-0-367-63944-0 Fantastic Beasts and where to Find Them Ballantine Books Superman tries to start a new life with his few surviving friends in a post-apocalyptic world, but earth then faces an even graver threat that may leave him alone again.

"One is a former acrobat, whose life was changed by the death of his acrobat parents. The other is a troubled woman who became a crossbow-wielding vigilante after the violent death of her mob-boss father. Though they have a grudging respect for each other, the two heroes --

Nightwing and Huntress -- have never had a close relationship...until now." --Cover.

Nightwing, Huntress Ballantine Books

After the status-shattering events of Wonder Woman: Rise of the Olympian, Diana finds herself fighting for her life against the man destined by the gods to take her place - Achilles, the Warkiller. Zeus has made Achilles ruler of the Amazons, and Diana finds herself in battle against the people she loves most! How will she fare when those same people brand her an outcast?

ONE OF THE most-requested Little Golden Books is back in print! Millions of baby boomers remember little Dan, who stops crying over a scratch as soon as Mother puts a bandage on it. Soon the dolls and teddy bears

bandages, too. This charming story from the 1950s was so popular that it 's now featured in the Smithsonian 's permanent collection.
The Silent Selkie
HarperCollins
UK
"Heroic. Iconic. Unstoppable. Armed with her Lasso of Truth and imbued with the power of the gods themselves, Princess Diana of Themyscira--known to the world as Wonder Woman--is one of the greatest superheroes in history. But who is she...really? Not even Wonder Woman herself knows for sure. Diana's links to both the Amazons and the Gods of Olympus have been severed. Her

memories are a tangle of contradictions that even her lie-detecting lasso cannot untangle. To solve the riddle of her origin, she must embark on her greatest quest of all: finding a way back to her vanished home. To get there, she must team up with her greatest enemy, the feral beast-woman, Cheetah. Will this unlikely alliance shine the light of truth on Diana's darkest secrets, or bury them--and her--forever?"--
