Wii Sports offers five distinct sports experiences, each using the Wii Remote to provide a natural, intuitive and realistic feel.

Players can use their own Mii caricatures in the game and play them against their friends' Miis for a more personalized

experience.

Wii Sports Resort. Complete with Game and Manual | eBay

With this one small controller, Wii makes games both easier and more

intense than anything previously experienced. For example, in the Wii

Sports tennis game, players swing the Wii Remote like a racket to hit the

ball, as in real life. They can add topspin or slice the ball just by angling their hands and wrist like they would in a real match.
