But I have made parallel successful flights with one of the others too. I will only refer to this aircraft - so in case you fly another - please use alternative adequate inputs. The PMDG B737 FMC is very similar to FMC's in the other aircraft. I live in Denmark so it was natural for me to pick two Danish airports.  
Universal Flight Management Computer (FMC) for FSX/P3D by ...  
The X-Plane 11 Flight Management System The Laminar Research / X-Plane 11 FMS resembles a system built by Collins and found in regional airliners, and is similar in operation to the one used in Boeing aircraft, including the 737 (illustrated in this manual). Rival systems are

built by Honeywell and Thales for use in Boeing and Airbus aircraft.
