Two types of wild flowers can be seen in the area, *Zenia* and yellow cosmos. Marigold of Indian wild variety are also there but they are being cultivated. I was recently in South Africa

and was impressed by the colours and shapes of wide range of flowers. I wish I could have them in our proposed VALLEY OF FLOWERS. Wild Flowers Of South Africa

The Nedersetting is situated in
the little 'dorp' of
Nieuwoudtville, known as the bulb
capital of South Africa and one of
the main areas for wild spring
flower viewing. This remote
country area is swathed in flowers
during this time but even during
other months, there is something
quintessentially South Africa
about this area.
