moral lives of animals. [Marc Bekoff; Jessica Pierce] -- "Scientists have long counseled against interpreting animal behavior in terms of human emotions, warning that such anthropomorphizing limits our ability to understand animals as they really are. Wild justice : the moral lives of animals (Book, 2010 ... In Wild Justice, we argue that animals feel empathy for each other, treat one another fairly, cooperate towards common goals, and help each other out of trouble. We argue, in short, that animals have

morality. Both popular and scientific media constantly remind us of the surprising and amazing things animals can do, know, and feel.

In our forthcoming book, Wild Justice: The Moral Lives of Animals, philosopher Jessica Pierce and I argue that the answer to both of these questions is a resounding "yes." "Ought" and "should" ... Wild Justice : The Moral Lives of Animals - Walmart.com  
In their new book Wild Justice: The Moral Lives of Animals, the authors argue that anthropomorphism is alive and well, as it

should be. Here they describe some activities of animals, particularly animals at play, as clear signs that they have recognizable emotions and moral intelligence. Based on years of behavioral and cognitive research,
