Chang was a Red Guard briefly at the age of fourteen, then worked as a peasant, a "barefoot doctor," a steelworker, and an electrician. As the story of each generation unfolds, Chang captures in gripping, moving—and ultimately uplifting—detail the cycles of violent drama visited on her own family and millions of others caught in the whirlwind of history.

De pie frente al público, Victor Villaseñor miró al grupo de maestros sentados frente a él, y su mente se llenó de recuerdos de infancia llenos de humillación y abuso por parte de sus profesores. Se sintió enfurecer. Con el corazón en la mano, comenzó a hablar de esos abusos. Y cuando terminó, para su gran sorpresa, encontró a todos los profesores de pie aplaudiéndolo enfáticamente. Muchas de las personas en el público no lograban contener sus lágrimas. Así comienzan las conmovedoras y apasionadas memorias de Victor Villaseñor. A pesar de ser muy talentoso e imaginativo desde muy niño, tuvo que vivir con una dificultad de aprendizaje (no fue sino hasta los 44 años de edad que fue diagnosticado con un caso grave de dislexia), y la frustración de ser latino en una escuela americana en la que sólo se hablaba inglés. A pesar de los profesores que lo maltrataban porque no podía hablar inglés, Villaseñor se aferró a su sueño de un día convertirse en escritor. Hoy en día, es considerado uno de los autores más importantes de nuestra era.

After Tamerlane Simon and Schuster

A brave, intimate, beautifully crafted memoir by a survivor of the tsunami that struck the Sri Lankan coast in 2004 and took her entire family. On December 26, Boxing Day, Sonali Deraniyagala, her English husband, her parents, her two young sons, and a close friend were ending Christmas vacation at the seaside resort of Yala on the south coast of Sri Lanka when a wave suddenly overtook them. She was only to learn later that this was a tsunami that devastated coastlines through Southeast Asia. When the water began to encroach closer to their hotel, they began to run, but in an instant, water engulfed them, Sonali was separated from her family, and all was lost. Sonali Deraniyagala has written an extraordinarily honest, utterly engrossing account of the surreal tragedy of a devastating event that all at once ended her life as she knew it and her journey since in search of understanding and redemption. It is also a remarkable portrait of a young family's life and what came before, with all the small moments and larger dreams that suddenly and irrevocably ended.

A Magnificent Work Simon and Schuster

A Chinese woman chronicles the struggle of her grandmother, her mother, and herself to survive in a China torn apart by wars, invasions, revolution, and continuing upheaval, from 1907 to the present.

Art of Drawing the Human Body HarperCollins

The national-bestselling memoir of a woman's resistance and struggles in Communist China—"an absorbing story of resourcefulness and courage" (The New York Times). A NEW YORK TIMES BEST BOOK OF THE YEAR In August 1966, a group of Red Guards ransacked the home of Nien Cheng. Her background made her an obvious target for the

fanatics of the Cultural Revolution: educated in London, the widow of an official of Chiang Kai-shek's regime, and an employee of Shell Oil. When she refused to confess that any of this made her an enemy of the state, she was placed in solitary confinement, where she would remain for more than six years. *Life and Death in Shanghai* recounts the story of Nien Cheng's imprisonment—a time of extreme deprivation which she met with heroic resistance—as well as her quest for justice when she was released. It is also the story of a country torn apart by Mao Tse-tung's vicious campaign to topple party moderates. An incisive, personal account of a terrifying chapter in twentieth-century history, *Life and Death in Shanghai* is also an astounding portrait of one woman's courage.

A Magnificent Work is an autobiographical exploration of the interconnectedness of toxic masculinity, White supremacy, and settler colonialism within the context of Canadian-occupied territories. It is a work of “documentary fiction” (to use the term of W. G. Sebald) or “autotheory” (as proposed by Maggie Nelson). Oudshoorn moves from relating his personal experiences as both a son and a father to exploring the ways in which similar events have played out on a much larger scale within the Canadian occupation. Special attention is given to the history of the Mohawk Institute, Canada's oldest and longest-running “Indian Residential School.” Thus, although an Anglican bishop once described the Mohawk Institute as “a magnificent work,” Oudshoorn argues that the truly magnificent work that awaits people like him—notably, cis-male settlers of Christian and European descent—is the process of embodying a gentle masculinity, recovering a sense of one's

proper place of connectedness within a network of relationships with varying degrees of responsibility and accountability, and striving towards decolonization.

First it was a media sensation. Then it became the #1 international bestseller *A Long Way Home*. Now it's *Lion*, the major motion picture starring Dev Patel, Nicole Kidman, and Rooney Mara—nominated for six Academy Awards! This is the miraculous and triumphant story of Saroo Brierley, a young man who used Google Earth to rediscover his childhood life and home in an incredible journey from India to Australia and back again... At only five years old, Saroo Brierley got lost on a train in India. Unable to read or write or recall the name of his hometown or even his own last name, he survived alone for weeks on the rough streets of Calcutta before ultimately being transferred to an agency and adopted by a couple in Australia. Despite his gratitude, Brierley always wondered about his origins. Eventually, with the advent of Google Earth, he had the opportunity to look for the needle in a haystack he once called home, and pore over satellite images for landmarks he might recognize or mathematical equations that might further narrow down the labyrinthine map of India. One day, after years of searching, he miraculously found what he was looking for and set off to find his family. *Lion* is a moving, poignant, and inspirational true story of survival and triumph against incredible odds. It celebrates the

importance of never letting go of what drives the human spirit: hope. Previously published as *A Long Way Home Lion* (Movie Tie-In) Routledge

Mao and his policies have long been demonized in the West, with the Cultural Revolution considered a fundamental violation of human rights. As China embraces capitalism, the Mao era is being denigrated by the Chinese political and intellectual elite. This book tackles the extremely negative depiction of China under Mao in recent publications and argues that most people in China, including the rural poor and the urban working class, actually benefited from Mao's policies. Under Mao there was a comprehensive welfare system for the urban poor and basic health and education provision in rural areas. These policies are being reversed in the current rush towards capitalism. Offering a critical analysis of mainstream accounts of the Mao era and the Cultural Revolution, this book sets the record straight, making a convincing argument for the positive effects of Mao's policies on the well-being of the Chinese people.

Tamerlane, the Ottomans, the Mughals, the Manchus, the British, the Japanese, the Nazis, and the Soviets: All built empires meant to last forever; all were to fail. But, as John Darwin shows in this magisterial book, their empire-building created the world we know today. From the death of Tamerlane in 1405, to America's rise to world "hyperpower," to the resurgence of China and India as global

economic powers, After Tamerlane is a grand historical narrative that offers a new perspective on the past, present, and future of empires.
