managers see the relevance of accounting in their everyday lives. Challenging accounting concepts are introduced with examples that are familiar to them, which helps build motivation to learn the material. Accounting issues are also placed within the context of marketing, management, IT, and finance. The new Do It! feature reinforces the basics by providing quick-hitting examples of brief exercises. The chapters also incorporate the All About You (AAY) feature as well as the Accounting Across the Organization (AAO) boxes that highlight the impact of accounting concepts. With these features, corporate managers will learn the concepts and understand how to effectively apply them.

**Financial Accounting** John Wiley & Sons Now in its Third Edition, "Financial Accounting" by Kimmel, Weygandt, and Kieso has been tested and approved in the classroom. This best-selling text has helped students hit the road with a practical set of tools, and the confidence they need to use those tools effectively in making business decisions. "Financial Accounting" provides students with an understanding of those concepts that are fundamental to the use of accounting. Starting with a "macro" view of accounting information, the authors present real financial statements and establish how a financial statement communicates the financing, investing, and operating activities of a business to users of accounting information. They motivate students by grounding the discussion in the real world, showing them the relevance of

the topics covered to their future career. **Student Workbook:** This valuable study guide, written to use side-by-side with the Financial Accounting textbook provides the guidance and assurance you need to exceed in the course. Included a re study objectives, demonstration problems, true/false and multiple-choice questions, solutions, to exercises, chapter outlines, and blank working papers.

Financial Accounting, Loose-Leaf Print

Companion John Wiley & Sons

Financial Accounting John Wiley & Sons

**Financial Accounting -** The best source for understanding why and when financially sound decisions are made in business today.

Improvements made to the second Canadian edition have been focused on satisfying the differing needs and abilities of students. This edition has been enhanced with new pedagogical features designed to help students approach the material from different perspectives. This new edition also boasts enhanced coverage of the International Financial Reporting Standards (IFRS) and the Accounting Standards for Private Enterprise (ASPE), clearly distinguishing between these two approaches throughout the text.
