Managerial Accounting John Wiley & Sons

Many corporate managers struggle to see the relevance of accounting in their everyday responsibilities. Weygandt shows them how managerial accounting information fits in the larger context of business so they are better able to understand the important concepts. The new Do It! feature reinforces the basics by providing quick-hitting examples of brief exercises. The chapters also incorporate the All About You (AAY) feature as well as the Accounting Across the Organization (AAO) boxes that highlight the impact of accounting concepts. With these features, readers will have numerous opportunities to think about what they have just read and then apply that knowledge to

sample problems.

STUDENT QUOTES WileyPLUS is an amazing tool, I just wish it was available for all my classes! - Filiz Muharrem, Ohio State University I loved the immediate response to homework problems and exams. I was able to find out what errors I had made, and go back to the chapters to research why I made the error. It made my learning much easier! - Theresa Klicker, University of Maryland, University College Everything I needed was just a click away...that's how fast and simple it was. If I needed immediate help and I didn't understand a concept, it told me where to look. - Caroline Cho, University of Texas-Austin I felt WileyPLUS was a useful tool in understanding the chapters/problems. The link-to-text tool was very resourceful when solving the homework problems. - Michael Geisheimer, Kean University I was quite impressed with WileyPLUS. It was nice to be able to see what I did wrong and have more than one chance to answer a problem. - Melinda Beach, Washburn University About this book Weygandt Managerial Accounting, 4th edition gives students the tools they need to succeed, whether as accountants or in other career paths. With a framework in decision-making, Weygandt 4/e covers all the necessary techniques and concepts for a one semester, undergraduate managerial accounting course. Many students in this course are not accounting majors and will need to understand the big picture of accounting. Therefore, Weygandt 4/e provides students with a pedagogy that helps them to build their decision-making skills and to understand how to use accounting information to make quality business decisions in whatever major or career they choose.
