"[Rendell is] undoubtedly one of the best writers of English mysteries and chiller-killer plots."—Los Angeles Times It was better than a hotel, this anonymous room on a secluded side street of a small country town. No register to sign, no questions asked, and for five bucks a man could have three hours of undisturbed, illicit lovemaking. Then one evening a man with a knife turned the love nest into a death chamber. The carpet was soaked with blood -- but where was the corpse? Meanwhile, a beautiful, promiscuous woman is missing—along with the bundle of cash she'd had in her pocket. The truth behind it all will keep even veteran mystery fans guessing through the very last page. Praise for *Wolf to the Slaughter* "The best mystery writer anywhere in the English-speaking world."—The Boston Globe "You cannot afford to miss Ruth Rendell."—The New York Times Book Review "For readers who have almost given up on mysteries . . . Rendell may be just the woman to get them started again."—Ellery Queen's Mystery Magazine

When an immigrant dies on a Venice street, it will take a determined detective to pursue the case to its shocking end: "[An] outstanding series." —Marilyn Stasio, The New York Times Book Review On a cold Venetian night shortly before Christmas, a street vendor is killed in a scuffle in Campo San Stefano. The closest witnesses to the event are the tourists who had been browsing the man's wares before his death—fake

handbags of every designer label. The dead man was one of the many African immigrants purveying goods outside normal shop hours and trading without a work permit. Once Commissario Guido Brunetti begins to investigate this unfamiliar Venetian underworld, he discovers that matters of great value are at stake within the secretive society. And his boss's warning to avoid getting involved only makes Brunetti more determined to unearth the truth behind this mysterious killing. "[A] stunning novel . . . an engrossing, complex plot." —Publishers Weekly, starred review "The appeal of Guido Brunetti, the hero of Donna Leon's long-running Venetian crime series, comes not from his shrewdness, though he is plenty shrewd, nor from his quick wit. It comes, instead, from his role as an Everyman . . . [his life is] not so different from our own days at the office or nights around the dinner table. Crime fiction for those willing to grapple with, rather than escape, the uncertainties of daily life." —Booklist

A New York Times bestseller: "Brunetti amply displays the keen intelligence and wry humor that has endeared this series to so many." —Publishers Weekly Commissario Brunetti's latest assignment is to look into a minor shop-keeping violation committed by the mayor's future daughter-in-law. Brunetti has no interest in helping his boss amass political favors, but has little choice but to comply. Then Brunetti's wife comes to him with a request of her own. The sweet, simple-minded man who worked at their dry cleaner has just died of a sleeping pill overdose, and Paola loathes the idea that he lived and died without anyone noticing him, or helping him. Brunetti begins to investigate and is surprised when he finds nothing on the man: no birth certificate, no passport, no driver's license, no credit cards. As far as the Italian government is concerned, he never existed. Stranger still, the dead man's mother refuses to speak to the police. And as secrets unravel, Brunetti begins to suspect that an

aristocratic family might be somehow connected to the mystery . . . “ Leon ’ s success . . . is testament to the heartening fact that character counts in crime fiction. ” —Booklist, starred review

An Italian police detective looks into the deaths of two fishermen in an isolated island community: “Leon’s Venetian mysteries never disappoint.” —The New York Times Book Review On a beautiful spring morning on the island of Pellestrina, south of the Lido on the Venetian lagoon, a small boat moored at the docks suddenly explodes, killing two local clam fishermen. When it becomes clear that the fire was deliberately set, Brunetti decides to investigate. But when he tries to dig up information about the murder, the island’s tight-knit, closemouthed community closes ranks—forcing Brunetti to

When Eugenie Davies is killed by a driver on a quiet London street, her death is clearly no accident. Someone struck her with a car and then deliberately ran over her body before driving off, leaving nothing behind but questions. What brought Eugenie Davies to London on a rainy autumn night? Why was she carrying the name of the man who found her body? Who among the many acquaintances in her complicated and tragic life could have wanted her dead? And could her murder have some connection to a twenty-eight-year-old musical wunderkind, a virtuoso violinist who several months earlier suddenly and inexplicably lost the ability to play a single note? For Detective Inspector Thomas Lynley, whose own domestic life is about to change radically, these questions are only the first in an investigation that leads him to walk a fine line between personal loyalty and professional honor. Assigned to the case by his superior, Superintendent Malcolm Webberly, Lynley learns that Webberly's first murder investigation as a DI over twenty years ago involved Eugenie Davies and a sensational criminal trial. Yet what is truly damaging is what Webberly already knows and no doubt wants Lynley to keep concealed. Now the pressure is on Lynley to find Eugenie Davies' killer. For not only is he putting his own career into jeopardy, but he is also attempting to safeguard the careers of his longtime partners Barbara Havers and Winston Nkata. Together, they must untangle the dark secrets and darker passions of a family whose history conceals the truth behind a horrific crime.

Two detectives go undercover in Venice, Italy, in the New York Times–bestselling series by “the undisputed crime fiction queen” (The Baltimore Sun). A priest recently returned from years of missionary work has made a personal request of Commissario Guido Brunetti—but the police detective suspects the man’s motives. A new, American-style Protestant sect has begun to meet in Venice, and it’s possible the priest is merely apprehensive of the competition.
