When Will There Be Good News?

Simon and Schuster Fans of *Girl, Interrupted*, *Thirteen Reasons Why*, and *All the Bright Places* will love this New York Times bestseller. "A haunting, beautiful, and necessary book that will stay with you long after you've read the last page."—Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* and *The Sun Is Also a Star* Charlotte Davis is in pieces. At seventeen she's already lost more than most people do in a lifetime. But she's learned how to forget. The broken glass washes away the sorrow until there is nothing but calm. You don't have to think about your father and the river. Your best friend, who is gone forever. Or your mother, who has nothing left to give you. Every new scar hardens Charlie's heart just a little more, yet it still hurts so much. It hurts enough to not care anymore, which is sometimes what has to happen before you can find your way back from the edge. A deeply moving portrait of a girl in a world that owes her

nothing, and has taken so much, and the journey she undergoes to put herself back together. Kathleen Glasgow's debut is heartbreakingly real and unflinchingly honest. It's a story you won't be able to look away from. "Girl, Interrupted meets *Speak*."—Refinery29 "A dark yet powerful read."—Paste Magazine "One of the most affecting novels we have read."—Goop "Breathtaking and beautifully written."—Bustle "Intimate and gritty."—The Irish Times And don't miss Kathleen Glasgow's newest novel *How to Make Friends with the Dark*, which Karen M. McManus, the New York Times bestselling author of *One of Us Is Lying*, calls "rare and powerful."

**The World Is Flat [Further Updated and Expanded; Release 3.0]** Fontana Press

Jessie lives with her family in the frontier village of Clifton, Indiana, in 1840...or so she believes. When diphtheria strikes the village and the children of Clifton

---

start dying, Jessie's mother reveals a shocking secret -- it's actually 1996, and they are living in a reconstructed village that serves as a tourist site. In the world outside, medicine exists that can cure the dread disease, and Jessie's mother is sending her on a dangerous mission to bring back help. But beyond the walls of Clifton, Jessie discovers a world even more alien and threatening than she could have imagined, and soon she finds her own life in jeopardy. Can she get help before the children of Clifton, and Jessie herself, run out of time?

*Arias for Soprano, Volume 2* Penguin (Vocal Collection).

The G. Schirmer Opera Anthology series revolutionized opera aria study after its release in 1991.

There are so many wonderful soprano arias that a second volume was warranted. The music is predominantly for lyric soprano. As in the original volumes, these are new, clean editions, with historical and plot information about each of the 32 arias included.

Girl in Pieces Simon and Schuster

A New York Times bestseller!  
A GMA3 Summer Reading Squad Selection!

“ Ingeniously plotted, and a grin-inducing delight. ”

—People “ Will keep young readers glued to the page...So when do I get the sequel? ”

—Beth McMullen, author of *Mrs. Smith ’ s Spy School for Girls* In this thrilling new series that Stuart Gibbs called “ a must-read, ” Edgar Award winner James Ponti

---

brings together five kids from all over the world and transforms them into real-life spies—perfect for fans of *Spy School* and *Mrs. Smith's Spy School for Girls*. Sara Martinez is a hacker. She recently broke into the New York City foster care system to expose her foster parents as cheats and lawbreakers. However, instead of being hailed as a hero, Sara finds herself facing years in a juvenile detention facility and banned from using computers for the same stretch of time. Enter *Mother*, a British spy who not only gets Sara released from jail but also offers her a chance to make a home for herself within a secret MI6 agency. Operating out of a base in Scotland, the *City Spies* are five kids from various parts of the world. When they're not attending the local boarding school, they're honing their unique skills, such as sleight of hand, breaking and entering, observation, and

explosives. All of these allow them to go places in the world of espionage where adults can't. Before she knows what she's doing, Sara is heading to Paris for an international youth summit, hacking into a rival school's computer to prevent them from winning a million euros, dangling thirty feet off the side of a building, and trying to stop a villain...all while navigating the complex dynamics of her new team. No one said saving the world was easy...

"Yes, God Really Is 'Up

There!'" provides answers for many of life's questions. It has been written by a man whose earliest childhood memory is of shivering in the winter cold

---

while trying to sleep on a bale of hay in a drafty barn somewhere in war-torn (WWII) Europe. His Mother was doing her best to comfort him, all the while listening to the bombers roaring overhead, and wondering what had happened to her husband, the boy's Father. It later came to light that he had been captured by Russian soldiers, and was bound for the labor camps of Siberia. How the Father escaped, found his wife and child, and once reunited, they came to the United States, is a story for another day. Suffice it to say that, bringing only their clothes and old pots and pans, upon arrival they began to live the American Dream. (For more, read "About The Author" at the end of the book.) The American Dream abounds with opportunities and obstacles for the native-

born and immigrant alike; the author has been no exception - he encountered both. Amidst the victories and defeats, he came to realize that God Almighty really was and is "up there," ever vigilant and always looking out for him. That very God can do the same for you. If you're not sure that God really is "up there," or you are going through "tough times," you need to read this book. Running Out of Time Hachette UK  
In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of All Your Perfects, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long

---

way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).

Heaven and Hell  
Simon & Schuster  
Here professor of Church history Dr. James Papandrea gathers in one place all that is known about the afterlife — drawn from the teachings of Jesus, the Apostles, the Church Fathers, and the Church's Magisterium — affording, for the first time ever, a complete, authoritative, detailed portrait of the state of souls after death and the realms we enter. The following are among the many questions he answers: --If, as St. Paul says, "flesh and blood cannot inherit the Kingdom of God," how can our bodies enter Heaven? --After death but before the final resurrection, are we simply unconscious? --What is our resurrection like? (And does it differ from Jesus' Resurrection?) --Are ghosts real? (You'll be surprised at what the Church Fathers have to say.) --What is the difference between Heaven and Paradise? --Which of our parts will accompany us to Heaven (and which must be left behind)? --In Heaven, do we still eat and drink? --If, as Jesus says, there's no

---

marrying in heaven, are we still male and female there? --After our resurrection, will we, like Jesus, be able to pass through matter? --And many more fascinating questions answered!

Revelation Canongate Books  
The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places

move, or go out of business and new business places are started giving added employment to members of our race.

The False Prince Little, Brown  
Presented here are two volumes of apocryphal writings reflecting the life and time of the Old and New Testaments. Stories told by contemporary fiction writers of historical Bible times in fascinating and beautiful style. Who Wrote ä ó ì The Night Before Christmas ä ó ? Penguin  
If you love the danger and sword-fighting of MERLIN, you'll like this! In a discontent kingdom, civil war is brewing. To unify the divided people, Conner, a nobleman of the court, devises a cunning plan to find an impersonator of the king's long-lost son and install him as a puppet prince. Four orphans are recruited to compete for the role, including a defiant boy named Sage. Sage knows that Conner's motives are more than questionable, yet his life balances on a sword's point - he must be chosen to play the prince or he will certainly be killed. As Sage's journey continues, layer

---

upon layer of treachery and deceit unfold, until finally a truth is revealed that proves more dangerous than all of the lies put together.

Fahrenheit 451 Scholastic Inc. #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with this highly anticipated companion: the iconic love story of Bella and Edward told from the vampire's point of view. When Edward Cullen and Bella Swan met in Twilight, an iconic love story was born. But until now, fans have heard only Bella's side of the story. At last, readers can experience Edward's version in the long-awaited companion novel, *Midnight Sun*. This unforgettable tale as told through Edward's eyes takes on a new and decidedly dark twist. Meeting Bella is both the most unnerving and intriguing event he has experienced in all his years as a vampire. As we learn more fascinating details about

Edward's past and the complexity of his inner thoughts, we understand why this is the defining struggle of his life. How can he justify following his heart if it means leading Bella into danger? In *Midnight Sun*, Stephenie Meyer transports us back to a world that has captivated millions of readers and brings us an epic novel about the profound pleasures and devastating consequences of immortal love. An instant #1 New York Times Bestseller An instant #1 USA Today Bestseller An instant #1 Wall Street Journal Bestseller An instant #1 IndieBound Bestseller Apple Audiobook August Must-Listens Pick "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- New York Times

Charlotte Bronte and *The Feminist Papers* by Mary Wollstonecraft.

*The Gospel According to Mark Aladdin*

#1 New York Times Bestseller

“Go Set a Watchman is such an important book, perhaps the most important novel on race to come out of the white South in decades.”

—New York Times A landmark novel by Harper Lee, set two

decades after her beloved Pulitzer Prize – winning masterpiece, *To Kill a Mockingbird*. Twenty-six-year-old Jean Louise

Finch—“Scout”—returns home to Maycomb, Alabama from New York City to visit her aging father, Atticus. Set against the backdrop of the civil rights tensions and political turmoil that were transforming the South, Jean Louise's homecoming turns bittersweet when she learns disturbing truths about her close-knit family, the town, and the people dearest to her. Memories from her childhood flood back, and her values and assumptions are thrown into doubt. Featuring many of the iconic characters from

---

To Kill a Mockingbird, Go Set a Watchman perfectly captures a young woman, and a world, in painful yet necessary transition out of the illusions of the past—a journey that can only be guided by one’s own conscience. Written in the mid-1950s, Go Set a Watchman imparts a fuller, richer understanding and appreciation of the late Harper Lee. Here is an unforgettable novel of wisdom, humanity, passion, humor, and effortless precision—a profoundly affecting work of art that is both wonderfully evocative of another era and relevant to our own times. It not only confirms the enduring brilliance of To Kill a Mockingbird, but also serves as its essential companion, adding depth, context, and new meaning to an American classic.

What Really Happens After We Die Scholastic UK  
Published anonymously in 1823, “The Night Before Christmas” has traditionally been attributed to Clement Clarke Moore (1779 – 1863), who included it in his Poems

(1844). But descendants of Henry Livingston (1748 – 1828) claim that he read it to his children as his own creation long before Moore is alleged to have composed it. This book evaluates the opposing arguments and for the first time uses the author-attribution techniques of modern computational stylistics to settle the long-standing dispute. Both writers left substantial bodies of verse, which have been computer analyzed for distinguishing characteristics. Employing a range of tests and introducing a new one—statistical analysis of phonemes—this study identifies the true author and makes a significant contribution to the growing field of attribution studies. When Will There Be Good News? Dog Ear Publishing  
A New York Times

---

bestselling historian of early Christianity takes on two of the most gripping questions of human existence: where did the ideas of heaven and hell come from and why do they endure? What happens when we die? A recent Pew Research poll showed that 72% of Americans believe in a literal heaven and 58% believe in a literal hell. Most people who hold these beliefs are Christian and assume they are the age-old teachings of the Bible. But eternal rewards and punishments are found nowhere in the Old Testament and are not what Jesus or his disciples taught. So where did these ideas come from? In this “eloquent understanding of how death is viewed through many spiritual traditions” (Publishers Weekly, starred review), Bart Ehrman recounts the long history of the afterlife, ranging from The Epic of Gilgamesh up to the writings of Augustine, focusing especially on the teachings of Jesus and his early followers. He discusses ancient guided tours of heaven and hell, in which a living person observes the sublime blessings of heaven for those who are saved and the horrifying torments of hell for those who are damned. Some of these accounts take the form of near death experiences, the oldest on record, with intriguing similarities to those reported today. One of Ehrman’s startling conclusions is that there never was a single Greek, Jewish, or Christian understanding of the afterlife, but numerous competing views. Moreover, these views did not come from nowhere; they were intimately connected with the social,

---

cultural, and historical worlds out of which they emerged. Only later, in the early Christian centuries, did they develop into notions of eternal bliss or damnation widely accepted today. In this “ elegant history ” (The New Yorker), Ehrman helps us reflect on where our ideas of the afterlife come from. With his “ richly layered-narrative ” (The Boston Globe) he assures us that even if there may be something to hope for when we die, there certainly is nothing to fear. City Spies Delacorte Press

A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of Beyond Belief. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts

known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns The Book of Revelation to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and

---

its Great Temple. Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds-Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, Revelations explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text. Area 51 Little, Brown Books for

### Young Readers

A collection of the author's greatest poetry--from the wistful to the unsettling, the wonders of nature to the foibles of human nature--is an ideal introduction for first-time readers. Original.

### There Will Come a Darkness Penguin
