(Patrick Radden Keefe) true crime narrative of an unsolved 1969 murder at Harvard and an "exhilarating and seductive" (Ariel Levy) narrative of obsession and love for a girl who dreamt of rising among men. You have to remember, he reminded me, that Harvard is older than the U.S. government. You have to remember because Harvard doesn't let you forget. 1969: the height of counterculture and the year universities would seek to curb the unruly spectacle of student protest; the winter that Harvard University would begin the tumultuous process of merging with Radcliffe, its all-female sister school; and the year that Jane Britton, an ambitious twenty-three-year-old graduate student in Harvard's Anthropology Department and daughter of Radcliffe Vice President J. Boyd Britton, would be found bludgeoned to death in her Cambridge, Massachusetts apartment. Forty years later, Becky Cooper a curious undergrad, will hear the first whispers of the story. In the first telling the body was nameless. The story was this: a Harvard student had had an affair with her professor, and the professor had murdered her in the Peabody Museum of Archaeology and Ethnology because she'd threatened to talk about the affair. Though the rumor proves false, the story that unfolds, one that Cooper will follow for ten years, is even more complex: a tale of gender inequality in academia, a 'cowboy culture' among empowered male elites, the silencing effect of institutions, and our compulsion to rewrite the

---

stories of female victims. We Keep the Dead Close is a memoir of mirrors, misogyny, and murder. It is at once a rumination on the violence and oppression that rules our revered institutions, a ghost story reflecting one young woman's past onto another's present, and a love story for a girl who was lost to history.

Open Road Media

NEW YORK TIMES

BESTSELLER Following

his explosive New York

Times bestseller Red Notice,

Bill Browder returns with another gripping thriller

chronicling how he became Vladimir Putin's number one enemy by exposing Putin's campaign to steal and launder hundreds of billions of dollars and kill anyone who stands in his way. When Bill Browder's young Russian lawyer, Sergei Magnitsky, was beaten to death in a Moscow jail, Browder made it his life's mission to go after his killers and make sure they faced justice. The first step of that mission was to uncover who was behind the \$230 million tax refund scheme that Magnitsky was

killed over. As Browder and his team tracked the money as it flowed out of Russia through the Baltics and Cyprus and on to Western Europe and the Americas, they were shocked to discover that Vladimir Putin himself was a beneficiary of the crime. As law enforcement agencies began freezing the money, Putin retaliated. He and his cronies set up honey traps, hired process servers to chase Browder through cities, murdered more of his Russian allies, and enlisted

---

some of the top lawyers and politicians in America to bring him down. Putin will stop at nothing to protect his money. As Freezing Order reveals, it was Browder's campaign to expose Putin's corruption that prompted Russia's intervention in the 2016 US presidential election. At once a financial caper, an international adventure, and a passionate plea for justice, Freezing Order is a stirring morality tale about how one man can take on one of the most ruthless villains in the

world—and win.

In Cold Blood Simon and Schuster

The explosive, first-ever insider's account of a case that continues to fascinate the public—the shocking wrongful conviction of Russell Faria for his wife's murder—a gripping read told by New York Times bestselling true crime expert Charles Bosworth Jr. and Joel J. Schwartz, the defense attorney who battled for justice, and ultimately prevailed. On December 27th, 2011, Russell Faria returned to his Troy, Missouri, home after his weekly game night with friends to an

unthinkable, grisly scene: His wife, Betsy, lay dead, a knife still lodged in her neck. She'd been stabbed fifty-five times. First responders concluded that Betsy was dead for hours when Russ discovered her. No blood was found implicating Russ, and surveillance video, receipts, and friends' testimony all supported his alibi. Yet incredibly, police and the prosecuting attorney ignored the evidence. In their minds, Russ was guilty. But prominent defense attorney Joel J. Schwartz quickly recognized the real killer. The motive was clear. Days before her murder, the terminally

---

ill Betsy replaced her husband with her friend, Pamela Hupp, as her life insurance beneficiary. Still, despite the prosecution's flimsy case and Hupp's transparent lies, Russ was convicted—leaving Hupp free to kill again. Bone Deep takes readers through the perfect storm of miscalculations and missteps that led to an innocent man's conviction—and recounts Schwartz's successful battle to have that conviction overturned. Written with Russ Faria's cooperation, and filled with chilling new revelations and previously undisclosed evidence, this is the story of what can

happen when police, prosecutor, judge, and jury all fail in their duty to protect the innocent—and let a killer get away with murder.

*As Good as Dead* Open Road Media

In the summer of 1998, Walter Kirn - then a young novelist struggling with fatherhood and a dissolving marriage - set out on a peculiar, fateful errand: to personally deliver a crippled hunting dog from an animal shelter in Montana to the New York apartment of one

Clark Rockefeller, a secretive young banker and art collector. Thus began a fifteen-year relationship that drew Kirn deep into the fun-house world of an outlandish, eccentric son of privilege who, one day, would be shockingly unmasked as a brazen serial impostor and brutal double-murderer. This is a one-of-a-kind story of an innocent man duped by a real-life Mr Ripley, taking us on a bizarre and haunting journey from the private club rooms

Who Killed Little  
Johnny Gill Grand  
Central Publishing  
A Heart-Wrenching  
British Murder  
Story covering the  
True Murder of  
Young John Gill in  
Yorkshire, 1888.  
Johnny Gill, a  
young seven-year-  
old from Bradford,  
comes from the poor  
end of town.  
Despite being poor,  
his family are  
tight-knit, loving

and well-respected  
within their  
community. One  
foggy morning, just  
a few days after  
Christmas, Johnny's  
mother sees her son  
off from the front  
door as he climbs  
into the milk wagon  
of William Barrett.  
As Mary Ann Gill  
waves goodbye to  
her eldest son that  
morning, she has no  
idea that this will  
be the last time  
she will see him.

---

Johnny doesn't come home for his lunch and his mother starts to worry about him. The family search frantically for him for three days and nights. They search Manningham, and wider Bradford until someone finds him early on the Saturday morning, just meters from their home. His little body has been hacked up,	drained of blood, thoroughly washed, his organs displaced and his intestines are draped around his neck eerily similar to the murders that have been happening in London done by Jack the Ripper. Several letters were sent by Jack stating that he would murder a little boy soon. After the murder another letter was	sent stating that he had been up to Bradford. However, was this murder committed by the infamous Jack the Ripper? There are other clues involving Masonic rituals found in a local house at the same time of Johnny's death that point to the possibility that it was. And yet, William Barrett was the last one to see
---	--	--

---

Johnny. The modus operandi could well be a copy-cat murder. In addition, William Barrett isn't saying much. "Who Killed Little Johnny Gill?" is a fictionalised account of the true murder of a young boy in Bradford, England that is still considered today to be one of the worst British murders in England, despite the fact that it occurred in 1888 of Victorian Times. After the author presents the facts of this fascination English crime fiction novel, will you think William Barrett is innocent? Well, you will have to read the book to find out for yourself. This well-written, true story will transport you back to Victorian Times where McMaster skilfully brings to life the people and the city of Bradford, England presenting a well-crafted, fictionalised account of the events based on documents and trial transcripts. This is one murder mystery you won't be able to put down until the last page is turned. " As a

Civil Rights Movement. The kidnapping and violent murder of fourteen-year-old Emmett Till in 1955 was and is a uniquely American tragedy. Till, a black teenager from Chicago, was visiting family in a small town in Mississippi, when he allegedly whistled at a white woman. Three days later, his brutally	beaten body was found floating in the Tallahatchie River. In clear, vivid detail Chris Crowe investigates the before-and-aftermath of Till's murder, as well as the dramatic trial and speedy acquittal of his white murderers, situating both in the context of the nascent Civil Rights Movement. Newly reissued with	a new chapter of additional material--including recently uncovered details about Till's accuser's testimony--this book grants eye-opening insight to the legacy of Emmett Till.

story of Susan Powell and her murdered boys, Charlie and Braden, is the only case that rivals the Jon Benet Ramsey saga in the annals of true crime. When the pretty, blonde Utah mother went missing in December of 2009 the media was swept up in the story - with lenses and microphones trained on Susan's husband, Josh. He	said he had no idea what happened to his young wife, and that he and the boys had been camping in the middle of a snowstorm. Over the next three years bombshell by bombshell, the story would reveal more shocking secrets. Josh's father, Steve, who was sexually obsessed with Susan, would	ultimately be convicted of unspeakable perversion. Josh's brother, Michael, would commit suicide. And in the most stunning event of them all, Josh Powell would murder his two little boys and kill himself with brutality beyond belief. <u>A Good Girl's Guide to Murder</u> Pinnacle Books An Amazon Charts, Wall Street Journal, and Washington Post

---

bestseller. #1 New York Times bestselling author Gregg Olsen's shocking and empowering true-crime story of three sisters determined to survive their mother's house of horrors. After more than a decade, when sisters Nikki, Sami, and Tori Knotek hear the word mom, it claws like an eagle's talons, triggering memories that have been their secret since childhood. Until now. For years, behind the closed doors of their farmhouse in Raymond, Washington, their sadistic mother, Shelly, subjected her girls to unimaginable abuse, degradation, torture, and psychic terrors. Through it all, Nikki, Sami, and Tori developed a defiant bond that made them far less vulnerable than Shelly imagined. Even as others were drawn into their mother's dark and perverse web, the sisters found the strength and courage to escape an escalating nightmare that culminated in multiple murders. Harrowing and heartrending, *If You Tell* is a survivor's story of absolute evil--and the freedom and justice that Nikki, Sami, and Tori risked their lives to fight for. Sisters forever, victims no more, they found a light in the darkness that made them the resilient women they are today--loving, loved, and moving on. *Murder Book Harlequin* From New York Times bestselling author Alex Tresniowski comes a "compelling" (The Guardian) and

---

"riveting" (The New York Times Book Review) true-crime thriller recounting the 1910 murder of ten-year-old Marie Smith, the dawn of modern criminal detection, and the launch of the NAACP. In the tranquil seaside town of Asbury Park, New Jersey, ten-year-old schoolgirl Marie Smith is brutally murdered. Small town officials, unable to find the culprit,

call upon the young manager of a New York detective agency for help. It is the detective's first murder case, and now, the specifics of the investigation and daring sting operation that caught the killer is captured in all its rich detail for the first time. Occurring exactly halfway between the end of the Civil War in 1865 and the formal beginning of the

Civil Rights Movement in 1954, the brutal murder and its highly-covered investigation sits at the historic intersection of sweeping national forces—religious extremism, class struggle, the infancy of criminal forensics, and America's Jim Crow racial violence. History and true crime collide in this "compelling and timely" (Vanity Fair) murder mystery

---

featuring characters as complex and colorful as those found in the best psychological thrillers—the unconventional truth- seeking detective Ray Schindler; the sinister pedophile Frank Heidemann; the ambitious Asbury Park Sheriff Clarence Hetrick; the mysterious "sting artist," Carl Neumeister; the indomitable crusader Ida Wells; and the	victim, Marie Smith, who represented all the innocent and vulnerable children living in turn-of-the- century America. "Brisk and cinematic" (The Wall Street Journal), The Rope is an important piece of history that gives a voice to the voiceless and resurrects a long- forgotten true crime story that speaks to the very divisions tearing at the nation's fabric	today. <u>The Third Rainbow Girl</u> Modern Library A riveting true story of money and murder and the trial of the Texas millionaire T. Cullen Davis—accused of attempting to kill his estranged wife and later plotting to hire a hit man to finish the job. This fascinating and bizarre true crime story of the murder trials of Texas oil tycoon T. Cullen Davis—the richest man ever indicted for murder—is "bloody

wonderfully good"  
(George Plimpton).  
The Will To Kill W.  
W. Norton & Company  
\*\*\* A NEW YORK  
TIMES "100 Notable  
Books of 2020" \*\*\*  
A stunning, complex  
narrative about the  
fractured legacy of  
a decades-old  
double murder in  
rural West  
Virginia—and the  
writer determined  
to put the pieces  
back together. In  
the early evening

of June 25, 1980 in  
Pocahontas County,  
West Virginia, two  
middle-class  
outsiders named  
Vicki Durian, 26,  
and Nancy  
Santomero, 19, were  
murdered in an  
isolated clearing.  
They were  
hitchhiking to a  
festival known as  
the Rainbow  
Gathering but never  
arrived. For  
thirteen years, no  
one was prosecuted

for the "Rainbow  
Murders" though  
deep suspicion was  
cast on a  
succession of local  
residents in the  
community, depicted  
as poor, dangerous,  
and backward. In  
1993, a local  
farmer was  
convicted, only to  
be released when a  
known serial killer  
and diagnosed  
schizophrenic named  
Joseph Paul  
Franklin claimed

---

responsibility. As time passed, the truth seemed to slip away, and the investigation itself inflicted its own traumas--turning neighbor against neighbor and confirming the fears of violence outsiders have done to this region for centuries. In *The Third Rainbow Girl*, Emma Copley Eisenberg uses the Rainbow Murders case as a starting point for a thought-provoking tale of an Appalachian community bound by the false stories that have been told about. Weaving in experiences from her own years spent living in Pocahontas County, she follows the threads of this crime through the complex history of Appalachia, revealing how this mysterious murder has loomed over all those affected for generations, shaping their fears, fates, and desires. Beautifully written and brutally honest, *The Third Rainbow Girl* presents a searing and wide-ranging portrait of America--divided by gender and class, and haunted by its

---

own violence.

*Closing Time* Review

this mystery series,  
you'll never think of  
good girls the same  
way again... Pip is  
about to head to  
college, but she is  
still haunted by the

way her last  
investigation ended.  
She's used to online  
death threats in the  
wake of her viral true-  
crime podcast, but she  
can't help noticing an  
anonymous person who  
keeps asking her: Who  
will look for you when  
you're the one who  
disappears? Soon the  
threats escalate and  
Pip realizes that  
someone is following  
her in real life. When  
she starts to find  
connections between her  
stalker and a local  
serial killer caught  
six years ago, she

wonders if maybe the  
wrong man is behind  
bars. Police refuse to  
act, so Pip has only  
one choice: find the  
suspect herself—or be  
the next victim. As the  
deadly game plays out,  
Pip discovers that  
everything in her small  
town is coming full  
circle . . .and if she  
doesn't find the  
answers, this time she  
will be the one who  
disappears. . .

**Helter Skelter: The  
True Story of the  
Manson Murders**  
Delacorte Press

---

The improbable but true story of a man accused of murdering his entire family and the journalist he impersonated while on the run. In 2001, Mike Finkel was on top of the world: young, talented, and recently promoted to a plum job at the New York Times Magazine. Then he made an irremediable slip: Under extraordinary pressure to keep producing blockbuster stories, he fabricated parts of an article. Caught and excommunicated from the Times, he retreated to his home in Montana, swearing off any contact with the media. When the phone rang, though, he couldn't resist. At the other end was a reporter from the San Francisco Chronicle, whom Finkel congratulated on being the first in what was sure to be a long and bloodthirsty line of media watchdogs. The reporter was puzzled. In Waldport, Oregon, Christian Longo had killed his young wife and three children and dumped their bodies into the bay. With a stolen credit card, he fled south, making his way to Cancun, where he lived for several weeks under an assumed identity: Michael Finkel, a journalist for the New York Times. True Story is the tale of

---

a bizarre and convoluted collision between fact and fiction, and a meditation on the slippery nature of truth. When Finkel contacts Longo in jail, the two men begin a close and complex relationship. Over the course of a year, they exchange long letters and weekly phone calls, playing out a cat-and-mouse game in which it's never quite clear if the pursuer is Finkel or Longo—or both. Finkel's dogged pursuit of the true story pays off only at the end, in the gripping trial scenes in which Longo, after a lifetime of deception, finally tells the whole truth. Or so he says.
