## Contemporary Economics

Cengage Learning

Created through a student-tested, faculty-approved review process with numerous students and faculty, *ECON: MACRO, 3E* is an engaging, accessible solution designed to accommodate the diverse lifestyles of today's learners without sacrificing content. *ECON: MACRO, 3E* truly leads by example as award-winning teacher and author Will McEachern uses familiar examples and illustrations drawn from actual daily life to vividly demonstrate how readers have been intuitively making economic choices and dealing with economic institutions and events their entire lives. With a user-friendly approach, McEachern connects these life experiences to key macroeconomic concepts and today's latest economic

developments and events.

**Aise Macroeconomics 8e** South-Western Pub

McEachern “teaches by example.” It is the text that uses examples and illustrations that students will recognize when they show up for class the first day because they already have at least 17 years of personal experience with economic choices, institutions, and events. Taking a “just-in-time” approach by introducing material just as it is needed to develop an argument, *ECONOMIC PRINCIPLES: A CONTEMPORARY INTRODUCTION, 9e*,

*International Edition* truly leads by example. In a decidedly user-friendly tone, McEachern assumes that students are already intuitively familiar with many economic concepts through their own life experiences. These life experiences are then explained to students as economic concepts with clear and interesting exposition, relevant case studies, and a clean, focused design. The

text’s major applications take the form of Case Studies that are meant to be read and therefore are integrated into the flow of each chapter. With this ninth edition, the book’s well-crafted approach is enhanced with resources--such as Aplia and CourseMate--that will help your students improve their understanding and help you streamline tasks and save valuable time.

**Economics South-Western Pub**

Review chapter material with this supplemental Workbook. Using the objective questions and activities, you can prepare for your class or review for quizzes and chapter tests.

Contemporary Economics South-Western Pub

This very successful textbook is distinguished by a superior writing style that draws upon common student experiences to

---

introduce economic concepts, making economic theory more accessible and interesting. Case Studies and numerous examples take advantage of students' intuitive knowledge of economics, building upon real-life situations. A streamlined design places pedagogy and illustrations directly within the flow of the text, making them less distracting and more useful for students. A fully integrated program of technology enhancements sets this text apart by pairing the book with numerous online multimedia learning tools that have been developed to help the text better serve a wide range of learning styles. The text uniquely integrates classroom use of *The Wall Street Journal* by including in-text pedagogy to help readers learn to analyze the latest economic events as reported in the *Journal*.

**Microeconomics** South Western Educational Publishing  
Created through a "student-tested,

faculty-approved" review process with over 150 students and faculty, *ECON FOR MACROECONOMICS, 2E* is an engaging and accessible solution to accommodate the diverse lifestyles of today's learners. *ECON FOR MACROECONOMICS, 2E*, a unique book for your principles of macroeconomics course, began with YOU. We asked you, the students, through conversations, focus groups, surveys, and interviews, how you learn best. Based on your answers and on input from faculty, we took your suggestions--online graphing practice, quizzing and review cards--and built them into the most innovative approach to teaching and learning principles of macroeconomics today. This student-tested, faculty-approved streamlined text and suite of multimedia learning aids are designed to accommodate the busy and diverse lifestyles of today's learners. With *ECON FOR MACROECONOMICS, 2E*, you'll find everything you need to prepare efficiently and succeed in your principles of macroeconomics course. *Macroeconomics* South

Western Educational Publishing  
Bring economics to life with rich, practical examples that make concepts clear and intriguing. *CONTEMPORARY ECONOMICS* blends economic expertise and educational insights with comprehensive content, sound instructional design, and extensive print and media teaching tools. The book covers CEE's (Council for Economic Education) Standards completely and repeatedly. This text includes two chapters covering personal finance, including information on managing money and being a responsible consumer. A wealth of print, video, electronic, and online resources make it simple to address varied learning styles, use formal and informal assessment, and integrate technology where it makes sense to you.
