Amity Carolrhoda Lab& 8482  
Here is a house of ruin and  
rage, of death and deliverance.  
Here is where I live, not  
living. Here is always mine.  
When Connor's family moves to  
Amity, a secluded house on the  
peaceful banks of New England's  
Concord River, his nights are  
plagued with gore-filled dreams  
of demons, destruction, and  
revenge. Dreams he kind of  
likes. Dreams he could make  
real, with Amity's help. Ten  
years later, Gwen's family  
moves to Amity for a fresh  
start. Instead, she's haunted  
by lurid visions, disturbing  
voices, and questions about her

own sanity. But who would ever  
believe her? And what could be  
done if they did? Because Amity  
isn't just a house. She is a  
living force, bent on  
manipulating her inhabitants to  
her twisted will. She will use  
Connor and Gwen to bring about a  
violent end as she's done  
before. Inspired by a true-crime  
story, Amity spans generations  
to weave an overlapping,  
interconnected tale of terror,  
insanity, danger, and death.  
**The Eleventh Plague Harper Collins**  
A sweeping, epic saga of romance and  
hardship, set against the dramatic  
backdrop of Ancient Mesopotamia—for  
fans of Cleopatra's Moon or the adult

bestseller *The Red Tent*. In the unforgiving Mesopotamian desert where Jayden's tribe lives, betrothal celebrations abound, and tonight it is Jayden's turn to be honored. But while this union with Horeb, the son of her tribe's leader, will bring a life of riches and restore her family's position within the tribe, it will come at the price of Jayden's heart. Then a shadowy boy from the southern lands appears. Handsome and mysterious, Kadesh fills Jayden's heart with a passion she never knew possible. But with Horeb's increasingly violent threats haunting Jayden's every move, she knows she must find a way to escape—or die trying. With a forbidden romance blossoming in her heart, and her

family's survival on the line, Jayden must finish the deadly journey to save the ones she loves—and find true love for herself.

Scarlett Undercover CarolRhoda Lab™

Sydney Taylor Award-winning novel *Berlin Boxing Club* is loosely inspired by the true story of boxer Max Schmeling's experiences following Kristallnacht. Publishers Weekly called it "a masterful historical novel" in a starred review. Karl Stern has never thought of himself as a Jew; after all, he's never even been in a synagogue. But the bullies at his school in Nazi-era Berlin don't care that Karl's family doesn't practice religion. Demoralized by their attacks against a heritage he doesn't accept as his own, Karl longs to prove his worth. Then Max Schmeling, champion boxer and German hero, makes a deal with Karl's father to give Karl boxing lessons. A skilled cartoonist, Karl has never had an interest in boxing, but now it seems like the perfect chance to reinvent himself. But when Nazi violence against Jews escalates, Karl must take on a new role: family

protector. And as Max's fame forces him to associate with Nazi elites, Karl begins to wonder where his hero's sympathies truly lie. Can Karl balance his boxing dreams with his obligation to keep his family out of harm's way? Includes an author's note and sources page detailing the factual inspirations behind the novel.

#### Wicked Girls Simon and Schuster

Meet Scarlett, a smart, sarcastic fifteen-year-old, ready to take on crime in her hometown. When Scarlett agrees to investigate a local boy's suicide, she figures she's in for an easy case and a quick buck. But it doesn't take long for suicide to start looking a lot like murder. As Scarlett finds herself deep in a world of cults, curses, and the seemingly supernatural, she discovers that her own family secrets may have more to do with the situation than she thinks...and that cracking the case could lead to solving her father's murder. Jennifer Latham delivers a compelling story

friendship against survival, and trust against love. Ever since Mac ' s best friend, Amy, was murdered, Hemlock has been a dangerous place. But now that Mac, her boyfriend, Kyle, and Amy ' s ex, Jason, instigated a mass breakout from Thornhill, a werewolf “ rehabilitation ” camp, the danger has only grown. Fear of the infection spreading is now at an all-time high and anyone with a scar is suspected of being a wolf. What makes Mac even more afraid, though, are the dark experiments that the warden of Thornhill was performing on wolves in a secret asylum called Willowgrove. Uncovering the truth about what happened may be the only way for Mac to save everyone she loves and end her nightmares for good.

The Never Paradox Stanford University Press

What if when you died, no one would ever know you were all that stood between man and the enemy? When Jonathan Tibbs awakes in a puddle of his own blood, there isn't a scratch on him to explain it. In the weeks to follow, he comes to find he's been drafted for a war with a violent otherworldly species. A war that only he can remember. Now, the man Jonathan imagined himself becoming is no longer the man who can endure his future. The first installment in this science fiction action adventure series, *The Never Hero* is a gritty and honest look at the psychological journey of a man forced to forge himself into a weapon. Abandoned with little guidance, and at the mercy of a bargain struck far outside his reach, Jonathan races to unlock the means to surmount the odds, and understand the mystery behind a conflict raging outside of time and memory. In the end, the real question is what Jonathan is willing to become to save a planet that will never see his sacrifice.
