One of the earliest great stories of English literature after *Beowulf*, *Sir Gawain* is the strange tale of a green knight on a green horse, who rudely interrupts King Arthur's Round Table festivities one Yuletide, challenging the knights to a wager. Simon Armitage, one of Britain's leading poets, has produced an inventive and groundbreaking translation that "helps] liberate *Gawain* from academia" (*Sunday Telegraph*).

From her world-famous dude ranch in Washington state's Yakima County, Kay Kershaw exerted tremendous influence on conservation efforts in the Pacific Northwest and, tangentially, on LGBTQ+ rights in the United States. After gaining local renown in sports and aviation, she established the ranch at Goose Prairie with her first partner, Pat Kane--a fraught undertaking in a region closely associated with the John Birch Society. Operating under the guise of two "spinsters," Kershaw and her later life-partner Isabelle Lynn guarded their privacy closely, but local encroachment by the U.S. Forest Service and the timber industry forced them into the public arena as environmentalists. In partnership with Supreme Court Justice William O. Douglas, Kershaw and Lynn spearheaded a decades-long campaign to save the ancient forests and ecosystem of Washington's Cascade Range. In the process, Kay and Isabelle's devoted relationship proved a marked contrast to Justice Douglas' own turbulent love life, perhaps affecting his perception of the law and his precedent-setting judicial opinion in *Griswold v. Connecticut* (1965), which provided the basis for major LGBTQ+ Supreme Court decisions in the twenty-first century as well as *Roe v. Wade* in 1973.

Twenty-five years after her passing, Audrey Hepburn remains the most beloved of all Hollywood stars, known as much for her role as UNICEF ambassador as for films like *Roman Holiday* and *Breakfast at Tiffany's*. Several biographies have chronicled her stardom, but none has covered her intense experiences through five years of Nazi occupation in the Netherlands. According to her son, Luca Dotti, "The war made my mother who she was." Audrey Hepburn's war included participation in the Dutch Resistance, working as a doctor's assistant during the "Bridge Too Far" battle of Arnhem, the brutal execution of her uncle, and the ordeal of the Hunger Winter of 1944. She also had to contend with the fact that her father was a Nazi agent and her mother was pro-Nazi for the first two years of the occupation. But the war years also brought triumphs as Audrey became Arnhem's most famous young ballerina. Audrey's own reminiscences, new interviews with people who knew her in the war, wartime diaries, and research in classified Dutch archives shed light on the riveting, untold story of Audrey Hepburn under fire in World War II. Also included is a section of color and black-and-white photos. Many of these images are from Audrey's personal collection and are published here for the first time.

With this first masterly volume in an epic reimagining of the Trojan War, David Gemmell has written an ageless drama of brave deeds and fierce battles, of honor and treachery, of love won and lost. He is a man of many names. Some call him the Golden One; others, the Lord of the Silver Bow. To the Dardanians, he is Prince Aeneas. But to his friends, he is Helikaon. Strong, fast, quick of mind, he is a bold warrior, hated by his enemies, feared even by his Trojan allies. For there is a darkness at the heart of the Golden One, a savagery that, once awakened, can be appeased only with blood. Argurios the Mykene is a peerless fighter, a man of unbending principles and unbreakable will. Like all of the Mykene warriors, he lives to conquer and to kill. Dispatched by King Agamemnon to scout the defenses of the golden city of Troy, he is Helikaon's sworn enemy.

Andromache is a priestess of Thera betrothed against her will to Hektor, prince of Troy. Scornful of tradition, skilled in the arts of war, and passionate in the ways of her order, Andromache vows to love whom she pleases and to live as she desires. Now fate is about to thrust these three together--and, from the sparks of passionate love and hate, ignite a fire that will engulf the world.

Given the degree of popular fascination with Gnostic religions, it is surprising how few pay attention to the one such religion that has survived from antiquity until the present day: Mandaism. Mandaeans, who esteem John the Baptist as the most famous adherent to their religion, have in our time found themselves driven from their historic homelands by war and oppression. Today, they are a community in crisis, but they provide us with unparalleled access to a library of ancient Gnostic

scriptures, as part of the living tradition that has sustained them across the centuries. Gnostic texts such as these have caught popular interest in recent times, as traditional assumptions about the original forms and cultural contexts of related religious traditions, such as Judaism, Christianity, and Islam, have been called into question. However, we can learn only so much from texts in isolation from their own contexts. Mandaean literature uniquely allows us not only to increase our knowledge about Gnosticism, and by extension all these other religions, but also to observe the relationship between Gnostic texts, rituals, beliefs, and living practices, both historically and in the present day.
