What are Wine Scores?

How Wine Ratings Came to

Be. Wine Ratings were first

popularized in the 1980 's by

one writer who went against

the grain to rate wines for

consumers. His name was

Robert Parker. Today, Parker

is the most recognized wine

critic and his 100-point system

is generally considered the

standard scale by which the

critics rate wine. Wine Ratings

A wine rating is a score assigned by

one or more wine critics to a wine tasted as a summary of that critic's evaluation of that wine. A wine rating is therefore a subjective quality score, typically of a numerical nature, given to a specific bottle of wine. In most cases, wine ratings are set by a single wine critic, but in some cases a rating is derived by input from several critics tasting ...
