Your guide on how to have fun and understand the crazy environment that is today's Las Vegas With insightful writing, up-to-date reviews of major attractions, and a lot of "local" knowledge, *The Unofficial Guide to Las Vegas 2018* has it all. Compiled and written by a team of experienced researchers whose work has been cited by such diverse sources as USA Today and Operations Research Forum, The

Unofficial Guide to Las Vegas digs deeper and offers more than any single author could. This is the only guide that explains how Las Vegas works and how to use that knowledge to make every minute and every dollar of your time there count. With advice that is direct, prescriptive, and detailed, it takes out the guesswork. Eclipsing the usual list of choices, it unambiguously rates and ranks everything from hotels, restaurants, and attractions to rental car companies. With *The Unofficial Guide to*

Las Vegas, you know what's available in every category, from the best to the worst. The reader will also find the sections about the history of the town and the chapters on gambling fascinating. In truth, *The Unofficial Guide to Las Vegas*, by Bob Sehlinger, emphasizes how to have fun and understand the crazy environment that is today's Vegas. It's a keeper. *The Unofficial Guide to Las Vegas 2018* Anchor Canada Award-winning writer Natalie MacLean sweeps readers behind

the scenes of the international wine world, visiting its most evocative places and meeting its most charismatic personalities. Red, White, and Drunk All Over showcases the engaging wit, investigative curiosity, and sharp eye for obsessive passion that has made her free e-newsletter Nat Decants one of the most popular in North America. Natalie tastes sensuous

pinot noir in the ancient cellars of Burgundy while discovering the mysterious tenets of biodynamic viticulture from such colourful characters as the tiny, ferocious Lalou Bize-Leroy, part-owner of France's acclaimed Domaine de la Romanée-Conti. She pulls on sturdy boots to help with the grape harvest at California's Bonny Doon Vineyards – and gets to the root of the anti-

establishment philosophy of owner Randall Grahm, notorious for his experimental wine techniques, love for unfashionable grapes, and fondness for naming his wines “Cardinal Zin,” “Heart Has its Rieslings,” and “Big House Red” (whose grapes are grown just down the road from one of California's state prisons). Natalie takes a job as undercover

sommelier at a five-star French restaurant, spends a day helping customers in a high-end New York wine shop, wades into a famous feud between Robert Parker and Jancis Robinson, two of the world's best-known critics and, back home, invites friends over for a casual wine tasting. Along the way she teaches us – painlessly and often hilariously – how to face a telephone directory-

sized wine list without fear, what questions to ask to get exactly the wine you are looking, what those scores out of 100 really mean, and how properly to expectorate (it's best to start out in the shower!) This wine-soaked blend of *Kitchen Confidential* and *Sideways* is a fascinating tour from the grape to the glass that will drive readers to drink. And think. And laugh.

GOODREADS CHOICE

AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 * * BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of

family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White & Royal Blue proves: true love isn't always diplomatic. "I took this with me

wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I ' m jealous of all the readers out there who still get to experience Red, White & Royal Blue for the first time!" - Christina Lauren, New York Times bestselling author of The Unhoneymooners "Red, White & Royal Blue is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six Rock Paper Scissors Ten Speed Press Jurassic, basalt, moraine, flint, alluvial, magma: what are these

words and what do they have to do with wine? The answers are here in this book. They are geological terms that reflect a bond between wine and the land. Understanding geology, however, is tricky. Geological concepts are obscure; processes can be imperceptibly slow, invisible, and unimaginably ancient. The terminology is formidable, such that even the names of common rocks carry an air of mystery. Geology is introduced plainly, starting with basic principles, all in the context of wine. The emphasis is on the kinds of processes that shape vineyards, and on the minerals,

rocks and soils that host the vines. Geological words now commonly seen in wine writings are systematically explained. You will learn the stories behind some of the names, the human face of geology. The book also explores how the geology-wine connection manifests in the finished product and evaluates its importance, particularly in the contexts of minerality, terroir, and wine taste. The fact is that geology is increasingly being promoted in the world of wine; the aim here is to help it be properly understood. The Food Lover's Guide to Paris Oxford University Press

** Reviewed and updated for the 2020-2021 financial year** This is the only money guide you'll ever need That's a bold claim, given there are already thousands of finance books on the shelves. John Platter's South African Wine Guide 2000 The Unofficial Guides From the world-renowned sommelier Aldo Sohm, a dynamic, essential wine guide for a new generation NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY FOOD52 Aldo Sohm is one of the most respected and widely lauded sommeliers in the world. He's worked with celebrated chef Eric Ripert as wine director of three-Michelin-starred Le Bernardin for over a decade, yet his philosophy and approach to wine is much more casual. Aldo's debut book, Wine Simple, is full of confidence-building infographics and illustrations, an unbeatable depth of knowledge, effusive encouragement, and, most

important, strong opinions on wine so you can learn to form your own. Imbued with Aldo's insatiable passion and eagerness to teach others, *Wine Simple* is accessible, deeply educational, and lively and fun, both in voice and visuals. This essential guide begins with the fundamentals of wine in easy-to-absorb hits of information and pragmatic, everyday tips—key varietals and winemaking regions, how to taste, when to save and when to splurge, and how to set up a wine tasting at home. Aldo then teaches you how to take your wine knowledge to the next level and evolve your palate, including techniques on building a “flavor library,” a cheat sheet to good (and great) vintages (and why you

shouldn't put everything on the line for them), tips on troubleshooting tricky wines (corked? mousy?), and, for the daring, even how to saber a bottle of champagne. This visual, user-friendly approach will inspire readers to have the confidence, curiosity, and enthusiasm to taste smarter, drink boldly, and dive headfirst fearlessly into the exciting world of wine.

Mommy Magic Flatiron Books

A startling, subversive novel about a teenage girl who has lost everything and will burn anything. Fourteen-year-old Lucia is a young narrator whose voice will long ring in

your ears. She is angry with almost everyone, especially people who tell her what to do. She follows the one rule that makes any sense to her: Don't Do Things You Aren't Proud Of. Orphaned and living with her elderly aunt in poverty in the converted garage of a large mansion, Lucia makes her way through the world with only a book, a Zippo lighter, and a pocket full of stolen licorice. Expelled from school, again, Lucia spends her days riding the bus to visit her mother in The Home. When Lucia discovers a secret Arson Club,

she will do anything to be a part of it. Her own arson manifesto is a marvellous anarchist pamphlet, written with biting wit and striking intelligence. The voice of teenaged Lucia is a tour de force: a brilliant, wrenching cry from the heart and mind of a super-smart, funny girl who can't help telling us the truth, a riveting chronicle of family, misguided friendship, and loss. How to Set a Fire and Why is Jesse Ball's most accessible novel yet; after Silence Once Begun and A Cure for Suicide, the

pyrotechnics on display here will dazzle. 'I was captivated from the first line..... Lucia belongs with all the great child truth tellers: David Copperfield, Huck Finn, Holden Caulfield..... I loved her and I loved the book, every page of it.' Peter Heller, author of The Dog Stars and The Painter iPadオーナーズブック HarperCollins For over thirty years James Halliday has been Australia's most respected wine critic, and his Halliday Wine Companion is recognised as the industry benchmark for Australian wine.
