Acclaimed author Karen Hesse's Newbery Medal-winning novel-inverse explores the life of fourteen-year-old Billie Jo growing up in the dust bowls of Oklahoma. Out of the Dust joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content!"Dust piles up like snow across the prairie. . . ."A terrible accident has transformed Billie Jo's life, scarring her inside and out. Her mother is gone. Her father can't talk about it. And the one thing that might make her feel better -- playing the piano -- is impossible with her wounded hands. To make matters worse, dust storms are devastating the family farm and all the farms nearby. While others flee from the dust bowl, Billie Jo is left to find peace in the bleak landscape of Oklahoma -- and in the surprising landscape of her own heart.

One of the pioneers of gender studies in music, Ellen Koskoff edited the foundational text *Women and Music in Cross Cultural Perspective*, and her career evolved in tandem with the emergence and development of the field. In this intellectual memoir, Koskoff describes her journey through the maze of social history and scholarship related to her work examining the intersection of music and gender. Koskoff collects new, revised, and hard-to-find published material from mid-1970s through 2010 to trace the evolution of ethnomusicological thinking about women, gender, and music, offering a perspective of how questions emerged and changed in those years, as well as Koskoff's reassessment of the early years and development of the field. Her goal: a personal map of the different paths to understanding she took over the decades, and how each inspired, informed, and clarified her scholarship. For example, Koskoff shows how a preference for face-to-face interactions with living people served her best in

her research, and how her now-classic work within Brooklyn's Hasidic community inflamed her feminist consciousness while leading her into ethnomusicological studies. An uncommon merging of retrospective and rumination, *A Feminist Ethnomusicology: Writings on Music and Gender* offers a witty and disarmingly frank tour through the formative decades of the field and will be of interest to ethnomusicologists, anthropologists, scholars of the history and development of feminist thought, and those engaged in fieldwork. Includes a foreword by Suzanne Cusick framing Koskoff's career and an extensive bibliography provided by the author. *Artists' Magazines* John Wiley & Sons

As the official publication of the Division on Black American Literature and Culture of the Modern Language Association of America, *African American* review promotes an exchange among writers and scholars in the arts, humanities, and social sciences who hold diverse perspectives of African American literature and culture.

Tracing the development of the Moog synthesizer from its initial conception to its ascension to stardom in 'Switched-on Bach', this text conveys the consequences of a technology that would provide the soundtrack for a chapter in cultural history. Where I'm from University of Illinois Press
From the critically acclaimed author of *Eyes Like Stars* We are such stuff as dreams are made on. Act Two, Scene One
Growing up in the enchanted Th è â tre *Illuminata*, Beatrice Shakespeare Smith learned everything about every play ever written. She knew the Players and their parts, but she didn't know that she, too, had magic. Now, she is the Mistress of Revels, the Teller of Tales, and determined to follow her stars. She is ready for the outside world. Enter **BERTIE AND COMPANY** But the outside world soon proves more topsy-turvy than any stage production. Bertie can make things happen by writing them, but outside the protective walls of the Th è â tre, nothing goes as planned. And her magic cannot help her make a decision between— Nate: Her suave and

swashbuckling pirate, now in mortal peril. Ariel: A brooding, yet seductive, air spirit whose true motives remain unclear. When Nate is kidnapped and taken prisoner by the Sea Goddess, only Bertie can free him. She and her fairy sidekicks embark on a journey aboard the Th è â tre's caravan, using Bertie's word magic to guide them. Along the way, they collect a sneak-thief, who has in his possession something most valuable, and meet The Mysterious Stranger, Bertie's father—and the creator of the scrimshaw medallion. Bertie's dreams are haunted by Nate, whose love for Bertie is keeping him alive, but in the daytime, it's Ariel who is tantalizingly close, and the one she is falling for. Who does Bertie love the most? And will her magic be powerful enough to save her once she enters the Sea Goddess's lair? Once again, LISA MANTCHEV has spun a tale like no other—full of romance, magic, adventure, and fairies, too—that readers won't want to put down, even after the curtain has closed.

Called "a feminist classic" by Judith Shulevitz in the New York Times Book Review, this pathbreaking book of literary criticism is now reissued with a new introduction by Lisa Appignanesi that speaks to how The Madwoman in the Attic set the groundwork for subsequent generations of scholars writing about women writers, and why the book still feels fresh some four decades later. "Gilbert and Gubar have written a pivotal book, one of those after which we will never think the same again."--Carolyn G. Heilbrun, Washington Post Book World
Corcoran Gallery of Art HarperCollins
From Eusebio Kino to Daniel Berrigan, and from colonial New England to contemporary Seattle, Jesuits have built and disrupted institutions in ways that have fundamentally shaped the Catholic Church and American society. As Catherine O'Donnell demonstrates, Jesuits in French, Spanish, and British colonies were both evangelists and agents of empire. John Carroll envisioned an American church integrated with Protestant neighbors during the early years of the republic; nineteenth-century Jesuits, many of them immigrants, rejected Carroll's ethos and created a distinct Catholic infrastructure of schools, colleges,

and allegiances. The twentieth century involved Jesuits first in American war efforts and papal critiques of modernity, and then (in accord with the leadership of John Courtney Murray and Pedro Arrupe) in a rethinking of their relationship to modernity, to other faiths, and to earthly injustice. O'Donnell's narrative concludes with a brief discussion of Jesuits' declining numbers, as well as their response to their slaveholding past and involvement in clerical sexual abuse. ⁰⁰Also available in Open Access.

Crewel Creatures Univ of California Press
Kelley unearths freedom dreams in this exciting history of renegade intellectuals and artists of the African diaspora in the twentieth century. Focusing on the visions of activists from C. L. R. James to Aime Cesaire and Malcolm X, Kelley writes of the hope that Communism offered, the mindscapes of Surrealism, the transformative potential of radical feminism, and of the four-hundred-year-old dream of reparations for slavery and Jim Crow. From 'the preeminent historian of black popular culture' (Cornel West), an inspiring work on the power of imagination to transform society.

Well-Being and Higher Education explores the multiple connections of well-being to higher education and why those connections matter—for the individual lives of students and those who teach; for the institution; and for whether or not the unique promise of higher education to a democratic society can be advanced and realized. The publication's thirty-five original essays and provocations—by some of the most highly respected voices within and beyond the academy—address the theoretical underpinnings and practical expressions of these connections. Well-Being and Higher Education opens the discussion on learning's connection to well-being; responds to current challenges against the state of higher education today; and brings to the forefront a conversation considering the greater purposes of higher education and the need to preserve and revive the institution's role to look beyond itself to a greater good.

Shortlisted for the ARA Historical Novel Prize
' Cold Coast summons the raw beauty of Svalbard with achingly evocative prose. At once visceral and lyrical, I was totally absorbed in the story of Wanny Woldstad and her yearning for wilder freedoms. ' — Hannah Kent, author of Burial Rites In 1932, Wanny Woldstad, a young widow, travels to Svalbard, daring to enter the Norwegian trappers' fiercely guarded male domain. She must prove to Anders Sæterdal, her trapping partner who makes no secret of his disdain, that a woman is fit for the task. Over the course of a Svalbard winter, Wanny and Sæterdal will confront polar bears, traverse glaciers, withstand blizzards and the dangers of sea ice, and hike miles to trap Arctic fox, all in the frigid darkness of the four-month polar night. For Wanny, the darkness hides her own deceptions that, if exposed, speak to the untenable sacrifice of a 1930s woman longing to fulfil a dream. Alongside the raw, confronting nature of the trappers' work, is the story of a young blue Arctic fox, itself a hunter, who must eke out a living and navigate the trappers' world if it is to survive its first Arctic winter.

As a result of a 25 year obsession with hobo and railworker folklore, Bill Daniel presents a collection of art, photography, interviews and stories about hobo graffiti. This revised edition contains even more railroad boxcar graffiti and gives a fascinating insight into vagabond culture. Filled with railroad nostalgia, freight-riding stories, historical oddities and interviews with the graffiti artists themselves, this unique zine-turned-book seeks to acquaint the curious with the boxcar riders and taggers. The true meaning behind the art is explained.

Commonwealth MIT Press
A compassionate, shame-free guide for your darkest days " A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized. " —Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to " choose joy " and " pray more. " So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In I Love Jesus, But I Want to Die, Sarah J. Robinson offers a healthy, practical, and

shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, I Love Jesus, But I Want to Die offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

" I remember the movement of his hips pressing against the pinball machine. This one sentence had me in its grip until the end. Two young men find each other, always fearing that life itself might be the villain standing in their way. A stunning and heart-gripping tale. " —André Aciman, author of Call Me by Your Name A New York Times Book Review Editor's Choice The critically acclaimed, internationally beloved novel by Philippe Besson— " this year's Call Me by Your Name " (Vulture) with raves in The New York Times, The New Yorker, The Wall Street Journal, NPR, Vanity Fair, Vogue, O, The Oprah Magazine, and Out—about an affair between two teenage boys in 1984 France, translated with subtle beauty and haunting lyricism by the iconic and internationally acclaimed actress and writer Molly Ringwald. In this " sexy, pure, and radiant story " (Out), Philippe chances upon a young man outside a hotel in Bordeaux who bears a striking resemblance to his first love. What follows is a look back at the relationship he's never forgotten, a hidden affair with a boy named Thomas during their last year of high school. Thomas is the son of a farmer; Philippe the son of a school principal. At school, they don't acknowledge each other. But they steal time to meet in secret, carrying on a passionate, world-altering affair. Despite the intensity of their attraction, from the beginning Thomas knows how it will end: " Because you will leave and we will stay, " he says. Philippe becomes a writer and travels the world, though as this " tender, sensuous novel " (The New York Times Book Review) shows, he never lets go of the relationship that shaped him, and every story he's ever told. " Beautifully translated by Ringwald " (NPR), this is " Philippe Besson's book of a lifetime...an elegiac tale of first, hidden love " (The New Yorker).

Art Worlds John Wiley & Sons
They say there are no second acts in American lives, and third acts are almost unheard of. That's part of what makes Brian Wilson's story so astonishing. As a cofounding member of the

Beach Boys in the 1960s, Wilson created some of the most groundbreaking and timeless popular music ever recorded. With intricate harmonies, symphonic structures, and wide-eyed lyrics that explored life's most transcendent joys and deepest sorrows, songs like "In My Room," "God Only Knows," and "Good Vibrations" forever expanded the possibilities of pop songwriting. Derailed in the 1970s by mental illness, drug use, and the shifting fortunes of the band, Wilson came back again and again over the next few decades, surviving and—finally—thriving. Now, for the first time, he weighs in on the sources of his creative inspiration and on his struggles, the exhilarating highs and the debilitating lows. *I Am Brian Wilson* reveals as never before the man who fought his way back to stability and creative relevance, who became a mesmerizing live artist, who forced himself to reckon with his own complex legacy, and who finally completed *Smile*, the legendary unfinished Beach Boys record that had become synonymous with both his genius and its destabilization. Today Brian Wilson is older, calmer, and filled with perspective and forgiveness. Whether he's talking about his childhood, his bandmates, or his own inner demons, Wilson's story, told in his own voice and in his own way, unforgettably illuminates the man behind the music, working through the turbulence and discord to achieve, at last, a new harmony.
