Marinedieselengine

The Italian company Nanni

diesel was created in 1952 in Milan for the production of marine engines based on land diesel engines. Initially, the company adapted only Farymann models for the water area, but later, increasing its production capacity and engineering staff, Nanni diesel significantly expanded the range of its partners.

Caterpillar 3116 Engine Diagram - Wiring Diagrams

Engine Panel With Ammeter = Dangerous. If your Universal engine panel looks like this, and has an ammeter, you are due for some critically important wiring upgrades.. The factory wiring, with an ammeter in the panel, is flat out dangerous and this wiring mess really needs to be addressed. It amazes me how many boats are out there still using this amazingly unsafe set up.
