Wisdom Sits in Places Quotes. “ Knowledge of

places is closely linked to knowledge of the self, to grasping one's position in the larger scheme of things, including one's own community, and to securing a confident sense of who one is a person. ” Keith H. Basso , Wisdom Sits in Places: Landscape and Language Among the Western Apache.

Wisdom Sits in Places: Landscape and Language Among the ...

It's called Wisdom Sits in Places, and it was written by Keith Basso (1940-2013), an ethnographer-linguist. In 1959, he began spending time in the Apache village of Cibecue, in Arizona. He discovered a culture that had deep roots in the land, and a way of living that was far from insane. The Apache culture also had entrances to other realms.

Wisdom Sits In Places Landscape
Wisdom Sits in Places: Landscape and Language Among the ...

The idea for Wisdom Sits in Places stemmed from a study conducted between 1979 and 1984, in which Basso, with the

help of a grant from the National Science Foundation and the guidance of the Apaches, conducted a study of Apache places and place-names; how the Apache refer to their land, the stories behind the place-names, and how these place-names are used in daily conversation by Apache men and women.

But archives are archives, so I packed my
moisturizer and pieced together an outline from
the archives. Mining prospects drew settlers
from the Midwest and California who
experimented with fruit-growing along the
Front Range, but horticulture in a new
landscape perched a mile high between
mountains and plains was like a game of Tetris.
