Seasons of Pleasure - Summer Pleasures: The Capture By Anya Bast Book 3 in the Season series
Lilane wants Sudhraian blood on her blade for what they did to her fianci and family in the early days of the Nordanese-Sudhraian war. She stalks and intends to kill Lord Rue d'Ange, the first Sudhraian she sees after the bloody attack on her village. Instead, Rue captures her before she can carry out her plan. Rue

recognizes the anger in Lilane and also the pain and vulnerability beneath it. He vows to turn her rage into sexual passion and knows just how to stoke her dark desires. As Rue seduces Lilane, he draws her into a dangerous bluff designed to win Nordan an edge in the war and gain protection for his hunted people, the Aviat. In the end Rue and Lilane might both lose their hearts. and perhaps their lives. Seasons of Pleasure - Autumn Pleasures: The Union By Anya Bast Book 4 in the Seasons series Lord Gregor of Nordan has never wanted a woman like he

does Lady Anaisse of Sudhra. After the defeat of her homeland in the Sudhraian-Nordanese war, he makes the "sacrifice" of doing something completely against his country's tradition-taking her to wife. However, convincing her to allow him within her body, let alone her heart, will be another war entirely. Anaisse agrees to the arrangement out of duty to her country, but Gregor frightens her deeply. He seduces her repressed sexual desires to wild and beautiful life, and makes every one of her fantasies come true. Never has she

met a man she could so easily lose herself to, body and soul-and losing herself to a man is her greatest fear. But another man lurks in the shadows with the sole purpose of destroying their union. He waits and watches with a mind grown twisted by the defeat of his people. His goal is to make Anaisse embrace death, instead of Gregor.

Build Your Best Practice in Alignment with the Elements

Begin your Witchcraft journey on the Pentacle Path, a wholly unique system of magickal practice that incorporates ritual magick,

journey work, and spellcraft to help you fully engage with the elements.

Featuring dozens of illustrations and more than fifty rituals, spells, and meditations, Elemental Witchcraft combines esoteric thought with practical activities, allowing you to create an empowering and authentic practice. Heron Michelle first teaches you

Witchcraft's foundations—including the heavy influence of Hermetic philosophy. Then she guides you in understanding the elements and how they correspond to both the Wheel of the Year and the five points of the pentacle that represent your mental, emotional, will, physical, and spiritual bodies. This comprehensive book also explores astrological timing,

auras and chakras, elemental tools, sacred space, the Witch's Jewel of Power, and more. Designed over a decade of coven practice and teaching, this book's system works as a roadmap to your own Great Work. Foreword by Timothy Roderick, author of *Wicca: A Year and a Day* **The Coven** Penguin A #1 New York Times bestseller! Sarah J. Maas's brand-new

CRESCENT CITY series begins with *House of Earth and Blood*: the story of half-Fae and half-human Bryce Quinlan as she seeks revenge in a contemporary fantasy world of magic, danger, and searing romance. Bryce Quinlan had the perfect life-working hard all day and partying all night-until a demon murdered her closest friends, leaving her bereft, wounded, and

alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths. Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose-to assassinate his

boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach. As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a

blazing passion-one that could set them both free, if they'd only let it. With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom-and the power of love. *Elemental Magic: The Complete Series* (the

"Brujas, Witches of Color are ancestral magical beings and the world we live in has tried to

silence our voices. . . . This book is such a beautiful tribute to the different stories and experiences we go through as brujas. . . . Amplify the voice of Witches of Color by reading their stories." -Juliet Diaz, author of Witchery and Plant Witchery There is a new kind of witch emerging in our cultural

consciousness: the bruja. Witchcraft has made a comeback in popular culture, especially among feminists. A growing subculture of BIPOC witches, led by Afro-Caribbean immigrants, Indigenous Americans, and other witches of color, is reclaiming their ancestral traditions and

contributing their voices to the feminist witchcraft of today. Brujas chronicles the magical lives of these practitioners as they develop their healing arts, express their progressive politics, and extend their personal rituals into community activism. They are destigmatizing the "witch" of their ancestries and bringing persecuted traditions to the open to challenge cultural appropriation and consumerism. Part memoir, part ritual guide, Brujas empowers readers to decolonize their spiritual practices and connect with their own ancestors. Brujas reminds us that witchcraft is more than a trend—it's a movement. Blood Witch Chicago Review Press Welcome to Keating Hollow, the enchanted village where love, cupcakes, and magic collide. There are only three things that were ever important to Noel Townsend—love, family, and magic. Two out of three aren't bad. She's blessed with a

large close-knit family and her magic has never been stronger. But love? That ended three years ago when her husband walked out on her and her daughter and never looked back. These days Noel only has room in her pieced-together heart for her six-year old daughter. But when Drew Baker shows up on the doorstep of

her inn with news of her husband, fate has other plans. And so does Drew. If he can get past her defenses, Drew is going to do everything in his power to heal the heart of a witch. Witch Blood Penguin Anna de Midia is a young law student who must adapt to college life whilst simultaneously settling into her new position as an Elemental Fire Witch-

Witch Hunter hybrid. Following a series of burning events, Anna must hunt down her fellow Elemental Witches of Air, Water and Earth in order to prevent the end of days being brought about by the Demon King, Balor, and the Deireadh Prophecy. What ensues is a final brutal battle with the Elemental Witches and the Guardians on one side, and Balor and his army of Irish demons on the other.

Everything You Need to
Know About Working
with the Magic of the
Elements For thousands
of years, our

ancestors believed that
the Elements - Earth,
Air, Fire, and Water -
were the building
blocks of the Universe,
and their inherent
properties and energies
could be directed to
manifest particular
outcomes. This belief
grew and evolved over
time as part of the
Western Mystery
Tradition, a body of
beliefs that has had
significant influence
on the dynamic nature-
based religion known as
Wicca. Through ritual
and magic, Wiccans
interact with the

primal forces of the
Elements in a variety
of ways, calling upon
them for assistance in
the transformation of
their realities just as
the earliest shamans
did in the ancient
world. You may already
be aware of some
aspects of how the
Elements figure into
Wiccan practice. For
example, you may know
that each is
represented by
different ritual tools-
the pentacle for Earth,
the wand for Air, the
cup for Water and the
athame for Fire. But

did you know that the psychic energies of each Element are found within each and every person on the planet? Or that by connecting spiritually with a particular Element you can help address an imbalance in your life? And let's not forget the all-important Fifth Element, known in many traditions as Akasha, or simply Spirit, which contains the other four and yet is an Element in its own right. But if all of the above is news to you, don't worry-it really doesn't matter how much you've learned so far about Wicca or the Elements. Elemental Magic was created for both beginners and more experienced Witches alike. In this guide, best-selling author Lisa Chamberlain covers it all: the basics of incorporating the Elements into your rituals, as well as less-often discussed topics like animism, Elemental personalities, and using these forces of nature to help you enhance your magical perception. Indeed, as you will see, an Element-centered practice is a rich and rewarding way to deepen your connection to the Goddess and God, to Nature, the Universe, or whatever terms your particular belief system ascribes to the power of All That Is. Foundations of Elemental Magic In order to truly grasp the underlying concepts behind working with the Elements, it's important to learn how these components-Earth, Air, Fire, Water and

Spirit-came to be defined in Western magical traditions. You'll also need a close look at each individual Element to understand its inherent properties and its potential to transform your magical practice. You'll find all of this in Elemental Magic and much more: Our earliest civilizations' understandings of the Elements and their relationship to magic. How recent scientific observations reflect these ancient concepts. The core magical properties of each Element: Earth, Air, Fire, Water and Spirit, and how we are personally influenced by these energies of attuning with individual Elements for enhanced living and magical practice. Elemental relationships with deities, "elemental beings," spirit animals. An overview of Wiccan ritual with a focus on the Elements, including altar layout, casting the circle, and calling the quarters. Techniques and magical practices for working with individual Elements. Spells, rituals and charms focused on each individual Element. In addition, you'll find tables of correspondence covering the magical properties of each Element, as well as associated colors, spell ingredients, ritual tools and more at the end of the guide. For fans of Jenny Han and Christine Riccio comes a romantic dramedy about a teen

girl who stumbles upon a mysterious website that tells her everything she doesn't want to know about her future. There's something about Truman Alexander that Skyler Finch finds incredibly annoying. Actually, several things: his voice (grating), his arrogance (total know-it-all), his debate-team obsession (eyeroll), and his preppy vibe (does he iron his shorts?). She does her best to avoid him and focus on the important stuff:

friends, school, and her boyfriend, Eli. His promposal was perfect--just like he is--and the future is looking bright. Or is it? For some unexplainable reason, Skylar's phone is sending her notifications from the future . . . a future in which, to her horror, she appears to be with Truman. As in, romantically. As in, Skyler cannot let that happen. But trying to change the future means messing up the present, and what Skyler sees

keeps shifting.

Classmates disappear
and reappear, swap
partners and futures.

Turns out there are no
actions without
reactions, and life
doesn't come with a
road map. But sometimes
the wandering leads you
exactly where you need
to be, and people--like
glitchy phones--are
full of surprises.
