Blood of an Angel Elloras Cave Pub Incorporated

When a witch is born, a doppelganger is created. For the witch to master her powers, the twin must be killed. Or so it was believed for centuries . . . Once Mirei discovered that merging with a doppelganger gave a witch more power than killing them, the witches at Starfall have been in an uproar (Doppelganger; 4/06). Her heresy goes against centuries of teaching and the accepted practice of murdering their doubles. On a quest to collect the surviving doppelgangers, Mirei is unsurprised to discover that there are still witches at Starfall who side against her and her unorthodox ways. But worse, her fellow hunter and closest friend, Eclipse, has been captured by these same witches and has no choice but to swear a blood oath to kill Mirei. If he fails his blood oath, he will die. With the witches divided, and Starfall itself in the middle of a civil war, Mirei will have to choose between saving her friend and figuring out away to unite Starfall before it's too late.

Dark Enchantment White Lion Publishing

A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (Vanity Fair). When Mae Holland is hired to work for the Circle, the world's most powerful internet company, she feels she's been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users' personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company's modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can't believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman's ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

Mastering Witchcraft Farrar, Straus and Giroux

Witchcraft and magic are topics of enduring interest for many reasons. The main one lies in their extraordinary interdisciplinarity: anthropologists, folklorists, historians, and more have contributed to build a body of work of extreme variety and consistence. Of course, this also means that the subjects themselves are not easy to assess. In a very general way, we can define witchcraft as a supernatural means to cause harm, death, or misfortune, while magic also belongs to the field of supernatural, or at least esoteric knowledge, but can be used to less dangerous effects (e.g., divination and astrology). In Western civilization, however, the witch hunt has set a very peculiar perspective in which diabolical witchcraft, the invention of the Sabbat, the persecution of many thousands of (mostly) female and (sometimes) male presumed witches gave way to a phenomenon that is fundamentally different from traditional witchcraft. This Special Issue of Religions dedicated to Witchcraft, Demonology, and Magic features nine articles that deal with four different regions of Europe (England, Germany, Hungary, and Italy) between Late Medieval and Modern times in different contexts and social milieus. Far from pretending to offer a complete picture, they focus on some topics that are central to the research in those fields and fit well in the current “cumulative concept of Western witchcraft” that rules out all mono-causality theories, investigating a plurality of causes.

House of Earth and Blood Raven's Quest

In the hundreds of confessions relating to witchcraft and sorcery trials from early modern Britain we frequently find detailed descriptions of intimate working relationships between popular magical practitioners and familiar spirits of either human or animal form. Until recently historians often dismissed these descriptions as elaborate fictions created by judicial interrogators eager to find evidence of stereotypical pacts with the Devil. Although this paradigm is now routinely questioned, and most historians acknowledge that there was a folkloric component to familiar lore in the period, these beliefs and the experiences reportedly associated with them, remain substantially unexamined. Cunning-Folk and Familiar Spirits examines the folkloric roots of familiar lore from historical, anthropological and comparative religious perspectives. It argues that beliefs about witches' familiars were rooted in beliefs surrounding the use of fairy familiars by beneficent magical practitioners or 'cunning folk', and corroborates this through a comparative analysis of familiar beliefs found in traditional native American and Siberian shamanism. The author

explores the experiential dimension of familiar lore by drawing parallels between early modern familiar encounters and visionary mysticism as it appears in both tribal shamanism and medieval European contemplative traditions. These perspectives challenge the reductionist view of popular magic in early modern British often presented by historians.

Sophie's World Penguin

Book 3 in the Torrid Love series. Emily Rothmeier loves a good mystery. One involving a sexy man is even better. But when sex crimes against older women start terrorizing the college campus, turning private investigator might be biting off more than she can chew. After an evening class, Emily witnesses something she doesn't understand. A cry in the dark. A mysterious figure racing from the scene. The front page of the paper announcing a murder. Things don't add up. Distracted by the watchful gaze of a man who seems to be wherever she is, she isn't sure whom to trust. Private investigator Rafe Healy, is hot on the trail. Leads are falling into place. He's going to get his man. But when Emily, who fits the killer's target group in more ways than one, tries playing mystery solver, he knows she's thrown herself into the line of fire. Not to mention, her gutsy and determined attitude is getting to him as badly as her tempting body is. Keeping Emily safe and in line, fighting to stay one step ahead of a serial killer and keep his wits about him, will prove to be the biggest challenge of Rafe's life.

Demon Angel Fair Winds Press (MA)

My name is Elizabeth Anne Hawksmith, and my age is three hundred and eighty-four years. Each new settlement asks for a new journal, and so this Book of Shadows begins... In the spring of 1628, the Witchfinder of Wessex finds himself a true Witch. As Bess Hawksmith watches her mother swing from the Hanging Tree she knows that only one man can save her from the same fate at the hands of the panicked mob: the Warlock Gideon Masters, and his Book of Shadows. Secluded at his cottage in the woods, Gideon instructs Bess in the Craft, awakening formidable powers she didn't know she had and making her immortal. She couldn't have foreseen that even now, centuries later, he would be hunting her across time, determined to claim payment for saving her life. In present-day England, Elizabeth has built a quiet life for herself, tending her garden and selling herbs and oils at the local farmers' market. But her solitude abruptly ends when a teenage girl called Tegan starts hanging around. Against her better judgment, Elizabeth begins teaching Tegan the ways of the Hedge Witch, in the process awakening memories--and demons--long thought forgotten. Part historical romance, part modern fantasy, Paula Brackston's New York Times bestseller, The Witch's Daughter, is a fresh, compelling take on the magical, yet dangerous world of Witches. Readers will long remember the fiercely independent heroine who survives plagues, wars, and the heartbreak that comes with immortality to remain true to herself, and protect the protégé she comes to love.

Cruel Enchantment Sourcebooks, Inc.

At the crossroads of #MeToo, #HexthePatriarchy, and the increasingly vocal feminist and LGBTQ+ movements comes a highly readable and moving collection of writings. The difference between the witch and the layperson is that a witch already knows they are powerful. The layperson may only suspect. *Becoming Dangerous* is a collection of deeply personal essays by marginalized people operating at the intersection of feminism, witchcraft, and resistance about summoning power and becoming fearsome in a world that would prefer them to be afraid. Written by women artists, authors, columnists, comic book writers, fashionistas, performers, and video game designers, these essays are personal explorations about how and why rituals of resistance work for them. Their goal is to help readers summon their own power to resist, survive, and thrive.

A Change of Season Dreamscape Publishing

OVER A MILLION COPIES OF THE IRON DRUID BOOKS SOLD 'American Gods meets Jim Butcher's Harry Dresden' SFF World Atticus O'Sullivan, last of the Druids, doesn't care much for witches. Still, he's about to make nice with the local coven by signing a mutually beneficial nonaggression treaty - when suddenly the witch population in modern-day Tempe, Arizona, quadruples overnight. And the new girls are not just bad, they're bad-asses with a dark history on the German side of World War II. With a fallen angel feasting on local high school students, a horde of Bacchantes blowing in from Vegas with their special brand of deadly decadence and a dangerously sexy Celtic goddess of fire vying for his attention, Atticus is having trouble scheduling the witch hunt. But aided by his magical sword, his neighbor's rocket-propelled grenade launcher, and his vampire attorney, Atticus is ready to sweep the town and show the witchy women they picked the wrong Druid to hex. Praise for the Iron Druid Chronicles: 'Atticus and his crew are a breath of fresh air! . . . I love, love, love this series' My Bookish Ways 'Entertaining, steeped in a ton of mythology, populated by awesome characters' Civilian Reader 'This is one series no fantasy fan should miss. Mystery, suspense, magic and mayhem' SciFiChick The Iron Druid Chronicles Hounded Hexed Hammered Tricked Trapped Hunted Shattered Staked Scourged Besieged (short stories) HAVE YOU TRIED . . . Hexed Myth & Magic

Aleister Crowley's The Book of Lies is an important and complex work of occultism. Deciphering its many layers of hidden meaning requires a little patience and more than a beginner's knowledge of Thelema. For those interested in passing beyond the initiate stage, the reward offered by a deeper understanding of this challenging text is well worth the effort. This new 2018 edition of The Book of Lies from Kismet Publishing restores all of Crowley's original text, including the important keys, sigils and diagrams often omitted from reprints.
