Your Tempting Love Layla Hagen
It's hard to be Nate Becker in a Bennett world. But we've always considered ourselves family. I travel the world as a TV producer, never able to spend much time with them. Which might be a good thing. Because my best friend's little sister has never felt like that to me. That sexy little spitfire has always caught my attention. If I don't stick around too long,

Sebastian will never notice the way I look at her. But Alice Bennett has other plans. Her new restaurant would be a perfect feature on one of my network's shows. It's almost too easy to set up meetings with her. Invent excuses to need more information. To boss her around the way she seems to like. It's harmless, I tell myself. I'm moving to London in three weeks, I tell myself. I'm not going to upset

Sebastian, I tell myself. Famous last words. I can't cross the line with her. We can't jeopardize the family relationships. But between stolen kisses and wicked-hot nights, it's spinning out of our control. When the chance of a lifetime comes knocking at my door, it's time to decide what has more allure—my career, or a chance with her? Withering Hope Withering Hope As a divorced single father, I live by three rules: 1. Make sure

every day my daughter, Paisley, knows she's number one in my life. No. Matter. What. 2. Keep contact with my cheating ex-wife to a minimum. 3. Turn Maxwell Wineries into a legacy that keeps Paisley set for life. When I hire Lexi to look after my daughter, I realize I need another rule: don't pursue Paisley's nanny. But even if I had that rule it wouldn't matter. Because I'm breaking it already. Your One True Love Forever Withering HopeLayla HagenWithering HopeCreatespace Independent

No matter how many times he tells reporters he was just doing his job, they're determined to make him into NYC's newest hero. Coming from a long line of NYPD's finest, Luc knows that being a cop has nothing to do with headlines and viral videos,

and he's more than ready to get back to life away from the cameras-until he meets the gorgeous but jaded journalist assigned to film a TV special on him . . . Ava Sims may be the only woman in NYC who isn't in love with Officer Moretti. That's why she's going after the real story-to find out about the man behind the badge. Ava's determined to keep things strictly professional, but the more time she spends around Luc, even she has to

admit there's something about a man in uniform . . . and she can't wait to get him out of his. Your Irresistible Love Layla Hagen Love don ' t cost a thing... except everything. When billionaire mogul James Preston hires an escort as a date for his brother ' s wedding, he knows he ' s taking a risk. One thing he won ' t be taking? The escort ' s

clothes off. He just wants a date—not a girlfriend. Not a relationship. No strings. No ties. No games. No sex. He has his reasons. He lost someone he loved, and isn ' t interested in trying again. Too many opportunities for mistakes or worse, heartbreak. Audrey Reynolds became a high-end escort to keep her brother in his expensive group home. James Preston is the client of

her dreams—he's offering to pay her more money for two weeks than she's ever made before. But James is... difficult. He's gorgeous, troubled and all too human for Audrey's business-like tastes. Determined to complete her assignment and collect the money, Audrey tries to play by James's rules. But before she knows what's happening, he's rewriting the contract. When

Audrey ends up in James's bed, he realizes that she's everything he's wanted... and everything he's been running from. Always With You Layla Hagen Everyone knows my priorities. Logan Bennett, loyal to my family and my company. And that's all. No time for love. No desire for it. Not since my failed engagement. I'm done with romance. Then Nadine Hawthorne waltzes into my life as though she has no idea she's turning everything upside down. She's all,

“oh, I'm focusing on my clothing company,” and “I can't afford distractions,” as though she isn't distracting me from focusing on anything but her. She's sexy, she's captivating. She doesn't believe in love either. Clearly, the best way to get each other out of our systems would be to have a brief fling. We're on the same page about love, after all. Being together is addicting... even if I am suspicious that my family is scheming about us. Our attraction is fiery, and our connection is undeniable. I'm winning her over, and vice versa.

What started as a flirtation is soon spiraling into much more than either of us are prepared for. So when a mistake threatens to tear us apart, will we have the strength to hold on?

Keeland, comes a steamy new romance novel. The rules: No

dating. No sex outside of the game. No disclosing the terms of the contract. Rules were made to be broken, right? Eight weeks ago I signed a contract. One that seemed like a good idea at the time. A handsome bachelor, luxury accommodations, and a chance to win a prize my family desperately needed. There were some rules though. Lots of them actually. Follow the script, no

dating, sex, or disclosing the terms of the deal. After my self-imposed moratorium on men the last year, it wouldn't be hard to live up to my end of the bargain...so I thought. Until I realized the deal I'd made was with the devil...and I was in love with his dirty-talking brother. Author's note – Throb is a full-length standalone novel. Hagen brings you a sizzling new romance I swear I didn't mean to flirt with the world-famous Brayden Clarke—especially not right in the middle of an interview for a job. It was a slip-or perhaps a gut reaction to his smoldering eyes and deep, sexy voice. To my total disbelief, they give me the assignment. My task is simple: advise Brayden and his band on how to communicate

with their fans. Easy-peasy. Or so I thought...I can handle the job, but the sexy lead singer who's intent on getting under my skin might be too hot to resist. But our lives are too different. His life is under constant scrutiny. I thrive on freedom and spontaneity. I like exploring the streets of New York and meeting up with my siblings without needing security detail.

But when we're together, all our differences fade, and I can't get enough of this man. And he won't quit until he makes me his.
