The Official Price Guide to Kiss Collectibles Temple University Press
JUNGLE COMICS #100 The main character associated with the title is Kaanga. He appeared in every issue of *Jungle Comics*. When Kaanga was a child his parents died in the jungle and he was raised by apes. The reader never gets to know his real name or his ancestry, but the jungle is where Kaanga feels most at home. In the first issue Kaanga meets his mate Ann, who is a Jane clone, after he rescues her from a white slave trader named Bill Blackton. Ann then joins Kaanga in his jungle existence. After nearly ten years Kaanga was given his own title in *Spring*, 1949. This ran for 20 issues until the Summer of 1954. One of the reasons for the series demise was the formation of The Comics Code Authority, a self-regulatory body that was formed because of moral concerns about the contents of many of the comics of the time. As much of Fiction House's material involved images of scantily clad women they withdrew from the market. You can enjoy again - or for the first time - JUNGLE COMICS #100 with this public domain reprint from GOLDEN AGE REPRINTS. Check out the full line - new titles every week! The classic comic reprints from GOLDEN AGE REPRINTS and UP History and Hobby are reproduced from actual comics, and sometimes reflect the imperfection of books that are decades old. Comic Book Price Guide Prima Games

This book is an updated history of the American comic book by an industry insider. You'll follow the development of comics from the first appearance of the comic book format in the Platinum Age of the 1930s to the creation of the superhero genre in the Golden Age, to the current period, where comics flourish as graphic novels and blockbuster movies. Along the way you will meet the hustlers, hucksters, hacks, and visionaries who made the American comic book what it is today. It's an exciting journey, filled with mutants, changelings, atomized scientists, gamma-ray accidents, and supernaturally empowered heroes and villains who challenge the imagination and spark the secret identities lurking within us. **Overstreet Comic Book Price Guide to Lost Universes Marvel** Written by the ultimate authority on comic book values, this expanded and updated guide lists over 80,000 prices for all mainstream comic books published in America--from 1901 to the present day. Includes photos, a listing of comic book shops, marketing tips and publication dates. Illustrated.

(Antiques/Collectibles)

The Comic Book Price Guide Wildstorm

This compilation of essential information on 100 superheroes from comic book issues, various print and online references, and scholarly analyses provides readers all of the relevant material on superheroes in one place. **The American Superhero: Encyclopedia of Caped Crusaders in History** covers the history of superheroes and superheroines in America from approximately 1938 – 2010 in an intentionally inclusive manner. The book features a chronology of important dates in superhero history, five thematic essays covering the overall history of superheroes, and 100 A – Z entries on various superheroes. Complementing the entries are sidebars of important figures or events and a glossary of terms in superhero research. Designed for anyone beginning to research superheroes and superheroines, **The American Superhero** contains a wide variety of facts, figures, and features about caped crusaders and shows their importance in American history. Further, it collects and verifies information that otherwise would require hours of looking through multiple books and websites to find.

Gen 13 (1994-) #1 Bloomsbury Publishing USA

Presents the adventures of **The Maxx**, a homeless superhero who lives in a cardboard box, and his social worker, Julie.

Comics Values Annual Image Comics

Humanity now faces mutants, a mysterious sub-species that is gifted with strange and frightening powers. Hidden among the population, they are feared and hated by their human cousins. As rumors and urban myths about their existence spread across the world, the US

government creates its own initiative to deal with this threat: the **Sentinel Project**. Meanwhile two men wage a secret war for the hearts and minds of young mutants everywhere. Charles Xavier has recruited a cadre of students including Cyclops, Jean Grey and Beast, that call themselves the X-Men. But there are others out there, living in fear, struggling to deal with what they are: Ororo Munroe, Bobby Drake and another, more dangerous mutant named Logan.

Simultaneously, the terrorist known only as Magneto has assembled **The Brotherhood**, a militant group dedicated to the overthrow of human authority. A war is on the horizon and these amazing young men and women will decide the future of all humanity! Collects **Ultimate X-Men (2000) #1-6**.

Oz Gemstone Publishing

The ultimate Aphrodite IX collection, featuring over 500-pages collecting all of the Aphrodite IX books to date. Aphrodite IX is both an anachronism and advanced technology in a world that she no longer recognizes. Collects Aphrodite IX Volume 1, Aphrodite IX: Rebirth Volumes 1 & 2, and Aphrodite IX/Cyber Force.

Twisted Toyfare Theatre Rutgers University Press

Various action figures, chiefly from the Marvel comics line, are put into various humorous situations from everyday life. The artists pose the figures, then take pictures of them, then add word balloons to the pictures.

Wizard Collects the Works of a Comic Art Master, Jim Lee Bloomsbury Publishing USA

A childhood comic book fan turned comic book retailer, the author soon discovered the prevalence of scams in the world of comics collecting. This book is his tutorial on how to collect wisely and reduce risks. Drawing on skills learned from twenty years with the San Diego Police Department and as a Comic-Con attendee since 1972, he covers in detail the history and culture of collecting comic books and describes the pitfalls, including common deceptions of grading and pricing, as well as theft, and mail and insurance fraud.

Wizard Comic Book Price Guide Annual, 1996 Peter Lang

A comprehensive introduction to the comic arts From the introduction by Paul Levitz "If ever there was a medium characterized by its unexamined self-expression, it's comics. For decades after the medium's birth, it was free of organized critical analysis, its creators generally disinclined to self-analysis or formal documentation. The average reader didn't know who created the comics, how or why . . . and except for a uniquely destructive period during America's witch-hunting of the 1950s, didn't seem to care. As the medium has matured, however, and the creativity of comics began to touch the mainstream of popular culture in many ways, curiosity followed, leading to journalism and eventually, scholarship, and so here we are." **The Power of Comics** is the first introductory textbook for comic art

studies courses. Lending a broader understanding of the medium and its communication potential, it provides students with a coherent and comprehensive explanation of comic books and graphic novels, including coverage of their history and their communication techniques, research into their meanings and effects and an overview of industry practices and fan culture. Co-authors Randy Duncan and Matthew J. Smith draw on their own years of experience teaching comics studies courses and the scholarly literature across several disciplines to create a text with the following features: Discussion questions for each chapter Activities to engage readers Recommended reading suggestions Over 150 illustrations Bibliography Glossary **The Power of Comics** deals exclusively with comic books and graphic novels. One reason for this focus is that no one text can hope to do justice to both strips and books; there is simply too much to cover. Preference is given to comic books because in their longer form, the graphic novel, they have the greatest potential for depth and complexity of expression. As comic strips shrink in size and become more inane in content, comic books are becoming a serious art form.

Ultimate X-Men Vol. 1 Peter Lang

Since 1970, only one comic book price guide has been dubbed "the Bible" for casual and die-hard collectors alike. Jungle Comics #100 House of Collectibles

What do the comic book figures Static, Hardware, and Icon all have in common? Black Superheroes, Milestone Comics, and Their Fans gives an answer that goes far beyond "tights and capes," an answer that lies within the mission Milestone Media, Inc., assumed in comic book culture. Milestone was the brainchild of four young black creators who wanted to part from the mainstream and do their stories their own way. This history of Milestone, a "creator-owned" publishing company, tells how success came to these mavericks in the 1990s and how comics culture was expanded and enriched as fans were captivated by this new genre. Milestone focused on the African American heroes in a town called Dakota. Quite soon these black action comics took a firm position in the controversies of race, gender, and corporate identity in contemporary America. Characters battled supervillains and sometimes even clashed with more widely known superheroes. Front covers of Milestone comics often bore confrontational slogans like "Hardware: A Cog in the Corporate Machine is About to Strip Some Gears." Milestone's creators aimed for exceptional stories that addressed racial issues without alienating readers. Some competitors, however, accused their comics of not being black enough or of merely marketing Superman in black face. Some felt that the stories were too black, but a large cluster of readers applauded these new superheroes for fostering African American pride and identity. Milestone came to represent an alternative model of black heroism and, for a host of admirers, the ideal of masculinity. Black Superheroes, Milestone Comics, and Their Fans gives details about the founding of Milestone and reports on the secure niche its work and its image achieved in the marketplace. Tracing the company's history and discussing its creators, their works, and the fans, this book gauges Milestone alongside other black comic book publishers, mainstream publishers, and the history of costumed characters.

The Way of Kings HarperCollins Publishers
