Of Mice and Men Hachette UK

Hard To Swallow has become a much used play in schools across the globe. This play, an adaptation of Maureen Dunbar's award winning book and film "Catherine", charts her daughter's uneven battle with anorexia and the family's difficulties in coping with it all. "This play reaches moments of almost unbearable intensity... naturalistic scenes flow seamlessly into sequences of highly stylised theatre... such potent theatre!" Vera Lustig, *The Independent*
"HARD TO SWALLOW uses simple narrative and a

series of stylised visual tableaux to build a powerful and sometimes harrowing chronicle of Catherine's long and ultimately unsuccessful fight against anorexia nervosa... uncompromising and sensitive... its ability to raise our awareness of a condition about which we remain woefully ignorant defines it as an important piece of work... it should be compulsory viewing for anyone connected with the education of teenagers." Mick Martin: *Times Educational Supplement*

WJEC GCSE Physics Workbook Ten Alps Communicate

GCSE Geography Edexcel B Hachette UK

A drama that explores our use of social media. The internet provides us with an opportunity to make the best of ourselves - pretty selfies, smart remarks and thousands of friends. But what is the relationship between web and real life? Is everyone telling lies on the web, and what happens when those lies turn to dangerous deceptions?

Hard to Swallow Hodder Education

A delightful literary foray for adults and children alike, from the inexhaustible imagination of the Booker Prize winner and bestselling author of *Atonement*. "As far-fetched and funny as anything by Roald Dahl."

—Vogue In these seven exquisitely interlinked episodes, the grown-up protagonist Peter Fortune reveals the secret journeys, metamorphoses, and adventures of his childhood. Living somewhere between dream and reality, Peter experiences fantastical transformations: he swaps bodies with the wise old family cat; exchanges existences with a cranky infant; encounters a very bad doll who has come to life and is out for revenge; and rummages through a kitchen drawer filled with useless objects to discover some not-so-useless cream that actually makes people vanish. Finally, he wakes up as an eleven-year-old inside a grown-up body and embarks on the truly fantastic adventure of falling in love. Moving, dreamlike, and extraordinary, *The Daydreamer* marks yet another imaginative departure for Ian McEwan. Don't miss Ian McEwan's new novel, *Lessons*.
