That mouth of hers had better uses, and he was just the man to teach her. It started as one of the worst nights in 27-year-old Stavros Manolis' life. A powerful and lethally good-looking Greek billionaire, he could have had any woman – but the one he wanted, he had lost, and so here he was now, attending her

farewell party, forced to bear the sight of her in her husband's arms. But that was just the start. When Willow Somerset, a curvy 24-year-old junior editor, joined his table, taunting and embarrassing him with her mocking laughter and sly words, he burned with a mixture of offended pride, anger...and desire. She was everything he disliked in a woman, but his body felt differently. Someone clearly needed to teach her some manners, needed to let her know there were better uses for her mouth than letting it run away from her. Luckily for Willow, that person was him.

peace in heaven and imprisoned her in Hell, the land nymph ruler vowed vengeance, despite how his exquisite touch awakened her flesh and set her heart on fire. ? "I am Satan. No force on earth can kill me. However, my enraged captive is giving it her best shot." ??Jagorach Darath, the original fallen angel, refuses to regret his decision to steal Kleora's soul. But time is running out to discover a way to restore her life before the land nymphs declare war on the immortal world, and while he enjoys teaching his little peach the consequences of defying the Devil, if he loses her for good, the world will suffer his eternal wrath. You're beautiful and kind and very smart. But best of all, you're mine. Do you remember the stories your Grandma used to tell you every night about cursed beasts, village beauties, girls in red capes and wolves in disguises? Well, maybe, just maybe... they actually do happen. Maybe, beasts do exist. They do. I would know. I am bound to one. Whom, you may ask? Well, I am mated to the Alpha King. How? You will see. You will live through it with me. I am Theia Anderson. I am just like any one of you, human, alive, and breathing. But unlike any one of you, I've stumbled upon a world that until yesterday... I couldn't even fathom into existence. This is my story.

My Werewolf Professor: Belonging to Alessandro Moretti Jaded Speck Publishing LLC

What I knew about Alessandro Moretti: he 's the sexiest man I 've ever seen, he 's the most mysterious, sought-after professor in my university, and he 's not the type to fall in love with me, his plainest-looking student.

What I didn 't know about Alessandro Moretti: he 's a werewolf...and he may just want me, too. 18-year-old Kassia has decided to confess her love for Professor Alessandro

Moretti. She knows she 's likely to be dumped, but instead the professor offers her...a bet? Alessandro Moretti has always found Kassia, his extremely shy student, oddly attractive. When she confesses her feelings, he 's unable to help himself. For him, it 's all a game. After all, Alessandro knows from experience that nothing good can ever happen between a werewolf and a human, especially when one of them is as cynical about love as him. This is a short werewolf romance with a happy-for-now ending.

#### How Not to Be Seduced by Billionaires McFarland

Calys Adelardi, the princess also known as "the human monster", may only be alpha if she can find a strong, kind warrior to champion her cause. She 's determined to marry for the good of her pack, but meeting a playboy werewolf prince makes Calys think twice about her noble priorities. His name is Alejandro Moretti. He 's the strongest shifter she 's ever met, but he seems prouder of his skills in bed than in battle. When he tells her

he 'd be her Cavaliere, Calys is overjoyed...until she finds out his offer comes with a price. For every instance he does his duty, Alejandro expects Calys to pay it in his bed, whenever and wherever he wants.

Mated to the Alpha King Troll River Publications Domenico Moretti used to have it all. He was prince to one of the most powerful and wealthiest Lyccan packs in the world, a warrior who made his opponents tremble in fear, a gorgeous billionaire every woman desired. Only when his wife disappeared did Domenico realize that none of it mattered if he did not have Misty's love and trust. Misty Wall used to be a wimp, a starry-eyed fool who thought she was about to live happily ever after with the werewolf she loved. She used to think Domenico Moretti loved her back...until his lies publicly shamed her with the revelation that she was never his mate and was only ever his pawn for revenge. When the threat of war looms closer, the

In a moonlit graveyard somewhere in southern Italy, a soldier removes his clothes in readiness to transform himself into a wolf. He depends upon the clothes to recover his human shape, and so he magically turns them to stone, but his secret is revealed when, back in human form, he is seen to carry a wound identical to that recently dealt to a marauding wolf. In Arcadia a man named Damarchus accidentally tastes the flesh of a human sacrifice and is transformed into a wolf for nine years. At Temesa Polites is stoned to death for raping a local girl, only to return to terrorize the people of the city in the form of a demon in a wolfskin. Tales of the werewolf are by now well

established as a rich sub-strand of the popular horror genre; less widely known is just how far back in time their provenance lies. These are just some of the werewolf tales that survive from the Graeco-Roman world, and this is the first book in any language to be devoted to their study. It shows how in antiquity werewolves thrived in a story-world shared by witches, ghosts, demons, and soul-flyers, and argues for the primary role of story-telling-as opposed to rites of passage-in the ancient world's general conceptualization of the werewolf. It also seeks to demonstrate how the comparison of equally intriguing medieval tales can be used to fill in gaps in our knowledge of werewolf stories in the ancient world, thereby shedding new light on the origins of the modern phenomenon. All ancient texts bearing upon the subject have been integrated into the discussion in new English translations, so that the book provides not only an accessible overview for a broad readership of all levels of familiarity with ancient languages, but also a comprehensive sourcebook for the ancient

How is academia portrayed in children's literature? This Element ambitiously surveys fictional professors in texts marketed towards

---

children, who are overwhelmingly white and male, tending to be elderly scientists. Professors fall into three stereotypes: the vehicle to explain scientific facts, the baffled genius, and the evil madman. By the late twentieth century, the stereotype of the male, mad, muddlehead, called Professor SomethingDumb, is formed in humorous yet pejorative fashion. This Element provides a publishing history of the role of academics in children's literature, questioning the book culture which promotes the enforcement of stereotypes regarding intellectual expertise in children's media. This title is also available, with additional material, as Open Access.

Gifts of (mis)fortune come in threes, they say, and it's certainly the case with Misty, whose life is turned upside-down by Domenico Moretti's three shocking revelations. One, he's a werewolf (who's also a prince). Two, he wants her in his bed - him, the guy who actually had to file a TRO against an obsessive supermodel. And three, he has a proposition she never - and she means never - ever sees coming.
