A real-life story of adaptation and survival. Acclaimed science writer Sandra Markle and celebrated artist Alan Marks team up for the fifth time in this fascinating real-life story of a wolf and her pack. Years ago, an effort had been made to eliminate wolves from Yellowstone National Park. Recently, conservationists decided to reintroduce the animal to the area, relocating wolves from Canada. Family Pack introduces readers to Female 7

and Male 2, the founders of the Leopold wolf pack—the first naturally formed pack after the relocation effort. Readers follow Female 7 as she sets out on her own upon her release to the 2.2-million-acre area that is Yellowstone. Without the comfort of her mother or other wolves, the young female grows and learns to feed, hunt, and survive in her new home. Eventually, she crosses paths with Male 2, and the wolves form a family of their own. Back matter includes more information about wolves, a bibliography, and an author's note about the Leopold pack and the importance

of reintroducing wolves to Yellowstone, restoring the natural balance.

The intimate, involving story of the rise and reign of O-Six, the fabled Yellowstone wolf, and the people who loved or feared her. With novelistic detail, Nate Blakeslee tells the gripping story of O-Six, a charismatic alpha

female wolf. She's a kind and merciful leader, a fiercely intelligent fighter, and a doting mother. Beloved by wolf watchers, particularly Yellowstone park ranger Rick McIntyre, O-Six becomes something of a social media star, with followers around the world. But as she raises her pups and protects her pack, O-Six is being challenged on all fronts: by hunters and their professional guides, who compete with wolves for the elk they all prize; by cattle ranchers who are losing livestock and have the ear of politicians; and by other Yellowstone wolves who resent her dominance of the stunningly beautiful Lamar Valley. These forces collide in *The Wolf*, a riveting multigenerational wildlife saga that tells a larger story about the clash of values in the West--between those fighting for a vanishing way of life and those committed to restoring one of the country's most vibrant

landscapes.

"There will come a time in our world when greed, power and wealth will overrule good judgment, and packs will be destroyed." In the blink of an eye, everything can change, altering life as we know it forever. Sabrea has struggled her whole life with the guilt of not being a perfect wolf. She never wanted to meet her mate for fear of disappointing him by not being what he needs. Even going so far as to avoid the one place where she already smelled him. Fate has other ideas. Thor, Gamma of the

Raber wolf pack, plays the field and loves every minute of it. That all ends with one whiff of his mate. Nothing can stop him from finding her, having her, claiming her. As Thor and Sabrea come together, threats to the pack make themselves known, leaving many lives hanging in the balance. Can the Raber wolf pack defeat their enemy? Can they protect all of the wolves, and keep the humans safe in the process? This is the action-packed conclusion to the Raber Wolf Pack Series.
